THE
600 MILE NILE

A river journey from Aswan to Cairo
aboard the SS Misr

13th to 25th February; 10th to 22th March; 1st to 13th October
& 27th October to 8th November 2020

Join us aboard the SS Misr, a propeller steam vessel accommodating just 44 guests, and discover the many ancient wonders along the banks of the Nile. A cruise on a Nile steamer as a leisure pursuit was pioneered by British tourists in the late 19th century looking for a comfortable way to visit Egypt's sites and we are delighted to have chartered the lovingly restored SS Misr to offer our passengers the chance to discover the many wonders of this ancient land in a high degree of comfort.

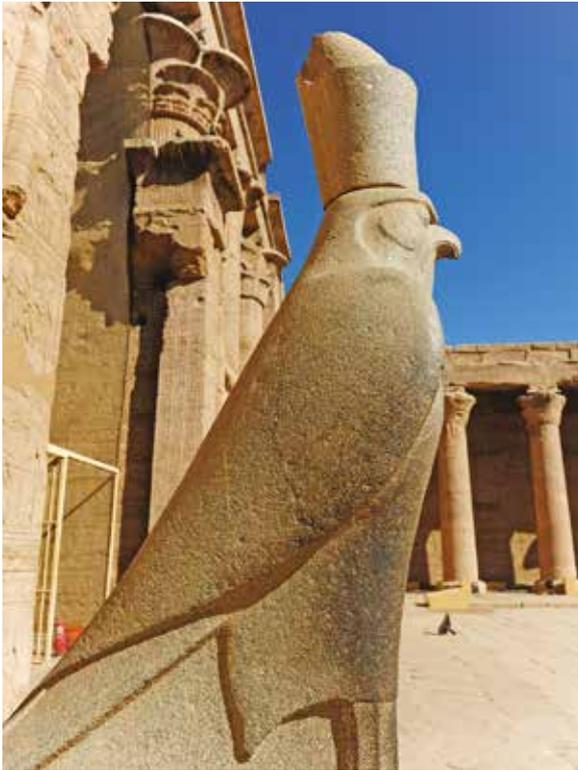

Our cruise along a 600 mile stretch of the Nile between Aswan and Cairo is a passage through antiquity, an incomparable river voyage which brings to life the great monuments of the Pharaohs, the divine kings comprising thirty dynasties, who ruled Egypt during the 3000 years before Christ. Such a journey has only been made possible once again by the reopening of the lower Nile allowing the opportunity to visit some of the lesser known archaeological sites and temples, and experience the wonders of the great civilisation that flourished in the Nile Valley.

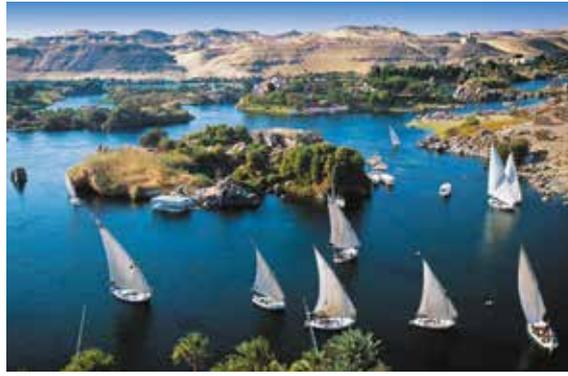

We will travel with local guides and will be joined on board by a Guest Speaker who will add immeasurably to our knowledge of this ancient land. We will visit Beni Hassan private tombs, Tel El Amarna, Abydos and Dendera temples, not forgetting of course some of the most famous sites in the country including the Great Pyramids, the Valley of the Kings and magnificent Karnak. Although the Egypt of the Pharaohs came to an end almost two millennia ago, this cruise will leave you with a wealth of memories about its people, its monuments and its mysteries.

The Itinerary

Day 1 London Heathrow to Aswan, Egypt. Fly by evening scheduled flight to Aswan via Cairo arriving just after midnight. Upon arrival transfer to the SS Misr and embark. Moor overnight this evening in Aswan.

Day 2 Aswan. There will be an early start this morning for our visit to the high Dam at Aswan, considered an engineering miracle when it was built in the 1960s with a huge impact on the economy and culture in Egypt in the last century. Today it provides electricity and irrigation for the whole of Egypt. We continue to the temple island of Philae, dedicated to the goddess Isis, wife of Osiris and mother of Horus. The story of Osiris is represented on the walls of the temple with two of its inner chambers which are rich in symbolic imagery. The temple was originally on Philae Island but because of high water levels was dismantled in 1977 and reconstructed on a nearby higher island called Algilkia. The main elements of the temple such as the two pylons, hypostyle halls and sanctuaries were built by the Ptolemaic kings. Later the Roman rulers added the colonnades in front of the temple as well as the ceremonial entrance to the island known as Trajan's Kiosk. After lunch we visit the Nubian Museum, due to the materials recovered from Tombs, temples and settlements, UNESCO was encouraged in the 1980's to plan a Nubian museum, but it was not until 1997 that the museum opened its doors. The complex is 50,000 square metres and is enclosed by walls to evoke the traditional Nubian village architecture.

Day 3 Kom Ombo. Enjoy time at leisure this morning, or alternatively take the optional excursion to the temples of Abu Simbel (by road approximately four hours each way) which is without a doubt the most impressive of all Nubian antiquities. Not only can we admire the outstanding sculptures, culture and reliefs which embellished the temples of Ramesses the Great and Queen Nefertari, cut out of the sandstone cliff around 3300 years ago, we can also applaud the achievement of archaeologists, architects and engineers in the 20th century AD who organised the rescue of the monuments to their new site above Lake Nasser. We will set sail this afternoon to Kom Ombo and after lunch depart for a visit to the temple of Kom Ombo. It was mainly built during the Ptolemaic dynasty and completed under the Roman Emperors. The temple is unique because its 'double' design meant that there were courts, halls, sanctuaries and rooms duplicated for the two gods that worshipped here. The southern half of the temple was dedicated to the crocodile god Sobek and the northern part of the temple was dedicated to the falcon god Haroeris. Among the carved reliefs along the inside of the outer wall are images thought to be connected with Egyptian medicine, including displays of birthing chairs and surgical instruments. Tonight enjoy a welcome cocktail party and dinner on board. This evening we sail north to Edfu where we moor overnight.

Day 4 Edfu & Luxor. Today visit Edfu Temple, an ancient Egyptian temple which is set on the west bank of the Nile and said to be one of the best preserved temples in Egypt. The temple is dedicated to the Falcon god Horus and built in the Ptolemaic period between 237 and 57 BC. After lunch spend an afternoon at leisure on board admiring the passing scenery as we cruise the Nile to Luxor via the Esna Lock.

Day 5 Luxor. This morning we visit the West Bank, one of the most famous and important archaeological sites in the world. See the Valley of the Kings, burial ground of the pharaohs for a period of 500 years. The tombs vividly depict the journey of the sun god and pharaoh through the dangers of the underworld. In the temple of Queen Hatshepsut we will discover scenes commemorating the reign of this exceptional monarch such as the ambitious voyage where she sent her ships on the Red Sea to the mysterious land of Punt. We stop at the Colossi of Memnon to witness the two imposing 18 metre high quartzite seated statues which marked the entrance to the now vanished memorial temple of the pharaoh Amenhotep III whose reign in the 14th century BC was one of the most opulent in Egyptian history. Return to the vessel for lunch and this afternoon we will visit the temples of Karnak, one of the most memorable and popular historical areas to visit in the world. Here you witness the unbelievably vast array of monuments dedicated to Amun-Ra, king of the gods, his wife Mut and their son Khonsu. Just two of the highlights you will see are the great hypostyle hall with over 130 columns some 22 metres high and the obelisk of the powerful Queen pharaoh Hatshepsut. To conclude our tour we will visit the illuminated Luxor temple, situated on the east bank of the river Nile.

Day 6 Qena & Dendera Temples. This morning we sail towards Qena. After lunch on board, this afternoon will be dedicated to the goddess Hathor as

Temple of Kom Ombo

Temple of Ramesses

Great Hypostyle Hall at the Temple of Karnak, Luxor

we visit the Dendera Temple also known as the 'castle of the Sistrum'. Hathor was the goddess of love, joy and beauty. The Dendera Temple was associated with healing and patients who travelled there for cures could stay in special buildings so they could rest, sleep and commune with the gods in their dreams.

Day 7 Naga Hammadi & Abydos Temple. Today we cruise towards Sohag, passing the bridges in Naga Hammadi and sail to Abu Homar lock. We arrive in Balyana this afternoon and after lunch on board we transfer to the temple that the Greeks called the Memnonium in Abydos, dedicated to Seti, Osiris, Isis, Ptah, Ptah-Sokar, Nefertem, Re-Horakhty, Amun and Horus. Its structure, built of white limestone is one of the most impressive religious structures in Egypt.

Day 8 Cruising. Today relax on deck enjoying the passing scenery as we sail to Tel El Amarna via Asyut Lock. Attend a lecture or two by our Egyptologist. We will moor overnight in Tel El Amarna.

Day 9 Tel El Amarna, Tuna El Gebel & Ashmunein. Enjoy a full day tour to Akhenaten's royal city, tomb and palace at Amarna; it is here we visit the tombs of Ahmose, Pentu, Panehesy and the Royal tomb of Akhenaten. After lunch on board we continue to the tombs and catacombs of Tuna El Gebel, the necropolis of Khmun located in Al Minya and visit the Ashmunein open air museum.

Day 10 Beni Hassan. Today we visit the Middle Kingdom tombs at Beni Hassan, an ancient Egyptian cemetery site, located south of Minya. The necropolis of Beni Hassan reflects the political differences between

the province rulers and the Pharaoh Kings. Due to the layout and more complex decorations, the tombs mark a transition stage in the style of the tombs from the Old Kingdom to the New Kingdom. Return to the vessel for lunch and enjoy a relaxed afternoon sailing to Beni Suef.

Day 11 Beni Suef. We transfer this morning to Maydom pyramid. The pyramid of Maydom is dedicated to the king Snefru of the 4th dynasty. Return to the ship for lunch and enjoy a leisurely afternoon on board as we sail to Cairo where we will moor overnight.

Day 12 Cairo. Our full day tour today is dedicated to the capital city of Cairo. We visit the impressive Pyramids of Giza and the Sphinx, the only survivor of the Seven Wonders of the Ancient World and the tombs of the great Pharaohs and their queens. After lunch we visit the Egyptian Museum, situated at Tahrir Square, with 107 halls that are separated into seven sections. The museum houses statues, jewels and treasures of Tutankhamun and monuments from the Old, Middle and Modern Kingdom. We visit the Amarna Room and see the Fayoum portraits and monuments from the later periods from the Greeks and the Romans.

Day 13 Cairo to London Heathrow. Disembark this morning and transfer to Cairo airport for your return scheduled flight to London Heathrow.
