ALONG THE MIGHTY BRAHMAPUTRA

A river journey through Northern India's Assam region
aboard the RV Charaidew II

19th January to 6th February & 16th February to 6th March 2022

NOBLE CALEDONIA

Think of Assam and your first thoughts probably involve tea and maybe temples. Certainly it is not noted for its tourism, mostly because of the lack of acceptable accommodation and transportation. This is a great pity, as this state that lies south of Tibet and Bhutan and north of Bangladesh has so much to offer the naturalist, bird watcher or cultural traveller. One of the world's great rivers, the Brahmaputra runs for some 1800 miles from its source in the Tibetan Himalaya to its delta in the Bay of Bengal. Nothing can prepare the traveller for the vastness and emptiness of this great water highway, as myriad channels ply through seemingly endless archipelagos of sand islands. Within striking distance of the river are a number of significant national parks. Among these is the World Heritage Site at Kaziranga, where the world's largest population of one-horned rhino resides.

This unusual journey will appeal to those who wish to witness this extraordinary area, its diverse cultures and marvellous wildlife but who are weary of the more well-trodden paths around the world. The roads may be poor and the tourist infrastructure very much in its infancy, but that is precisely why we find this region so exciting. Now is the time to visit before big business moves in with the resort hotel chains and all other paraphernalia that 21st century tourism entails. For these voyages along the Brahmaputra River we are working with our associates, Assam Bengal Navigation, an Indian/British joint venture based in Guwahati whose directors have a wealth of experience in operating river vessels in India. We have chartered the RV Charaidev II from them and the vessel is specially designed for the navigational conditions on the Brahmaputra.

The Itinerary

Day 1 London to Kolkata, India. Fly by scheduled indirect flight from London to Kolkata.

Day 2 Kolkata. Arrive in the morning and transfer to the Oberoi Grand Hotel for a three night stay. Following lunch at the hotel, enjoy an afternoon tour of India's second largest city which is regarded as the intellectual, artistic and cultural capital. Dinner will be at our hotel this evening.

Day 3 Kolkata. After breakfast we will commence our day with a visit to Kolkata's vibrant and colourful flower market. Following time here, we will take in what is arguably one of the best ways to see Kolkata, whilst sailing along the River Hooghly by local boat, before debarking and visiting St Paul's Cathedral, noted for its stunning Gothic architecture. Following lunch in a local restaurant, we will head to South Park Cemetery being the last resting place of many of Kolkata's early British settlers, before returning to the hotel and enjoying dinner tonight.

Day 4 Kolkata. Following breakfast our tour will commence with a visit to Dalhousie Square, including a drive past the Governor's House and High Court, before enjoying a tram ride, a form of transport used in Kolkata since 1902. We will then continue to The Mother House, being the former home and last resting place of Mother Teresa and lastly visit the wonderfully opulent and eccentric Marble Palace, displaying some incredible and varied works of art. After lunch in a local restaurant, we will return to our hotel for an afternoon at leisure. Dinner will be at our hotel this evening.

Day 5 Kolkata to Guwahati. Depart on a morning flight to Guwahati and then drive up to Nilachal Hill to see the holy Kamakhya temple. With its tantric rites and animal sacrifice, the more squeamish may prefer to content themselves with the exterior. Also visit the poignant Commonwealth War Graves before transferring to the RV Charaidev II for embarkation. After approximately an hour's sailing, we will moor for the night in Kurua on the north bank.

Day 6 Guwahati to Ganesh Pahar. Today is spent cruising upstream and the vessel may encounter strong currents. We will have time to pause and stretch our legs at a small local village with its lush green fields of vegetables and corn.

Day 7 Cruising. Leaving the hills behind, we enjoy our first taste of the wilderness experience, sand banks like icebergs on either side. We will stop at a bankside village, creating a sensation as we do, and see the local weavers at work in their homes and then stroll through sugarcane plantations. We moor for the night in a lunar landscape of sand islands, with hopefully the Himalayas in view to provide a contrasting backdrop in the distance.

Day 8 Tezpur. We cruise on to Tezpur, where after lunch we visit the 6th century Da Parbatia temple ruins, with a beautifully carved portal, and explore the town by cycle rickshaw. We will stop at Cole Park with Medieval stone carvings saved from sites all over the region, and aim to pass by the bungalow once lived in by Alexander Bruce, pioneer of the tea industry. Our ship will be waiting at the town's waterfront for us to re-board.

Day 9 Nameri National Park. After an early breakfast we drive for some two hours to the Nameri National Park at the foot of the blue hills of Arunachal Pradesh, the old North East Frontier Agency. Here we take a float trip of around two hours duration down the Jia Bhoreli River through the park, with excellent birdwatching (look out for the great hornbills) and perhaps the chance of sighting wild elephant. After lunch we take a village walk before returning to the ship.

Day 10 Kaziranga. Continue upstream, passing below a seemingly endless new bridge across the vast width of the river bed, to moor at Steemer Ghat, a lovely beach backed by jungle-covered hills. In the afternoon we drive to Kaziranga's Western Range for a jeep safari and to scan the wilderness from an observation tower. Kaziranga is a World Heritage Site and, with a population of well over 1000 one-horned rhinoceros, it is the best place in the world to see these beasts.

Day 11 Kaziranga. Today we will drive to Kaziranga's Central Range for further jeep safaris. We hope to encounter many of Kaziranga's endemic wildlife which includes good populations of wild elephant, sambar, swamp and hog deer, wild pig, plus hundreds of types of birds, flora, fauna and of course, the elusive Bengal Tiger.

Day 12 Vishnath. This morning we set sail upstream, with Kaziranga National Park on the right bank. At around midday we reach Vishnath, with its Ahom-period Shiva temple. There are other later temples too, and we walk through the town before re-boarding and setting off again, with Kaziranga still on the far bank.

Day 13 Cruising. Today is spent on the river and we have a good chance of spotting Gangetic dolphin.

Day 14 Kaziranga. This morning we land and take a jeep safari in Kaziranga's little-visited Eastern Range, with grasslands much favoured by rhino, where you might spot the rare Bengal florican. Returning to the boat, we continue our cruise upstream.

Day 15 Cruising. Another day spent cruising upstream. We will take time to pause and walk through a bank-side village, getting an insight into the life of rural India.

Day 16 Majuli Island. Around breakfast time, we should reach Majuli Island, supposedly the world's largest river island, and possessing unique Hindu monasteries famed for their dance-drama performances - the whole island is now shortlisted for future UNESCO World Heritage status. We visit a monastery at

Auniati with an eclectic museum and attend a dance performance at Kamalbari Monastery, before cruising across to Neamati Ghat on the opposite bank.

Day 17 Sibsagar. We visit a tea estate this morning before driving for about an hour to Sibsagar, the one-time capital of the kings of Assam. Shan by origin (Assam and Siam share the same derivation) but converted to Hinduism they ruled Assam for some 700 years until the 1820s, and their culture and architecture is a strange and delightful amalgam of Indian and South East Asian. We will see temples with stupa like profiles, and palaces of distinctive form - note the crocodiles and rather erotic caryatids that adorn the roof of the Rang Mahal. For the record book, the temple tank here is believed to be the world's largest hand-excavated reservoir. We return to our vessel which will have cruised up to Dikhou Mukh, close to Sibsagar, and spend our last night on board. (Dependent on river conditions the last night may be spent at Neamati, close to Jorhat).

Day 18 Assam to Kolkata. Disembark after breakfast for our flight to Kolkata. On arrival we will transfer to our hotel for an overnight stay.

Day 19 Kolkata to London. Depart this morning by scheduled indirect flight, arriving into London this evening.

Taksang Monastery - the 'Tiger's Nest'

National Memorial Chorten, Thimphu

Traditional Bhutanese masked dancers

Join us after your cruise for an exploration of Bhutan – the 'Land of the Thunder Dragon' – nestled between India and the Tibetan Plateau in the heart of the Himalayas. Bhutan offers a fascinating insight into a Buddhist culture and this is a unique opportunity to explore this little-visited country, steeped in tradition with warm and hospitable people. Added to this, we will be surrounded by some of the most incredible scenery in the world; rugged snow-capped mountain ranges, the breathtaking Taksang Monastery perched on a cliff-top and beautiful Himalayan landscapes dotted with colourful prayer flags.

The Itinerary

Day 1 Kolkata to Thimphu Valley, Bhutan. After breakfast transfer to Kolkata Airport for your flight to Paro. On arrival at Paro airport, you will be met and transferred to Thimphu, the modern capital town of Bhutan and an exciting blend of tradition and modernity. Check in to your hotel for a two night stay and visit both National Memorial Chorten, a monument to peace and prosperity, and the Buddha Dordenma statue, one of the largest Buddha rupas in the world.

Day 2 Thimphu Valley. Thimphu, perhaps the most unusual capital city in the world, is the seat of government. Today's full day of sightseeing includes a visit to Thimphu's National Library with its vast collection of Buddhist texts and manuscripts, the Institute of Traditional Medicine, Thimphu handicrafts emporium and the botanical gardens in Serbithang with its large display of flora, fauna, fruit orchids and Rhododendrons. In the evening, take a stroll along the town's main street.

Day 3 Punakha. After an early breakfast depart for Punakha (three hours drive approximately). Drive up to Dochu-la pass (3,088 metres), stopping briefly to take in the view and admire the chortens, Mani walls, and prayer flags which decorate the highest point on the road. On arrival check-in to your hotel and then visit Punakha Dzong, built in 1637 by Shabdrung Ngawang Namgyel to serve as the religious and administrative centre of the region.

Day 4 Punakha. After breakfast, you will be taken to Khamsum Yulley Namgyal Temple (it is a 30 minute hike from the car park up to the Temple). Khamsum Yulley Namgyal Chorten stands out on a beautiful

ridge above the Punakha valley, built by Her Majesty the Queen Mother, Ashi Tshering Yangdon Wangchuck. It took nine years to build and Holy Scriptures rather than engineering manuals were consulted to construct this four-storey temple. It is a fine example of Bhutanese architecture and artistic traditions. In the afternoon, you may choose to visit Nalanda Monastery, a monastic school shrouded in history and intrigue.

Day 5 Paro. This morning we set off early for Paro (four hours drive approximately) through beautiful valleys that encapsulate Bhutan's rich culture, scenic landscape, myths and legends. Following lunch at a local restaurant we visit the National Museum with its intriguing collection of artefacts reflecting the Kingdom's heritage. We then head to Rinpung Dzong (Paro Dzong) situated at a commanding height overlooking Paro valley. Check in to your hotel for a two night stay and this evening we will visit a traditional farmhouse.

Day 6 Paro. In the morning, take an excursion to Taksang Monastery, also known as Tiger's Nest. The walk to the nest is relatively steep, however the Monastery itself and the views from its walls are simply breathtaking. In the afternoon visit Drukgyel Dzong before returning to our hotel for dinner.

Day 7 Paro to Kolkata to London. After an early breakfast transfer to the airport for your flight to Kolkata where day use rooms will be available at a hotel until our afternoon transfer back to the airport for the scheduled indirect flight to London.

Day 8 London. Arrive this morning.
