NOBLE CALEDONIA

Despite its often turbulent past, cultural and natural wonders abound in the Balkans and the region offers so much for the genuine traveller. At the crossroads of east and west and with a history forged over the centuries and influenced by so many, there are a wealth of fascinating cultural sites and natural world marvels to discover during this escorted tour of Montenegro, Albania, Macedonia and Bulgaria. We will visit impressive cave monasteries and UNESCO World Heritage Sites, enjoy a cruise on Skadar Lake and stay on the shores of Lake Ohrid, one of Europe's greatest biological reserves and taste some of the region's wines. We also visit the bustling cities of Tirana, Skopje and Sofia and whilst driving between our destinations we will witness some of the most beautiful scenery Europe has to offer with mountains that sweep down to lakes covered in rich vegetation. In addition to the guided tours, there will be some time at leisure for you to explore independently.

The Itinerary

Day 1 London to Budva, Montenegro. Fly by scheduled flight to Tivat. On arrival transfer to Budva and check into the Queen of Montenegro Hotel for a two night stay. Enjoy a welcome dinner at your hotel this evening.

Day 2 Lipa Cave & Plantaze Vineyards. Today we explore Lipa Cave, one of the largest cave monuments in Montenegro. Boasting a beautiful and wild cave system with 2.5 kilometres of passages and halls, it offers a unique experience of the underground world. Continue to Plantaze Vineyards, a leader in the production of grapes and wine in Montenegro, and famous for its Vranac variety. After a drive through the vineyard, we will visit the Sipcanik wine cellar, which was formerly an underground aircraft hangar of the Yugoslav Army until the 1990s. In 2007 it was reconstructed and converted into a wine storage facility. We will enjoy a wine tasting and a tasty lunch before returning to the hotel.

Day 3 Skadar Lake National Park & Tirana, Albania. In the morning we depart Budva for a picturesque journey through the dramatic Balkan landscapes to the capital of Albania, Tirana. Entering Skadar Lake National Park, we will take a scenic cruise on the largest lake in the Balkans from Rijeke Crnojevica to Virpazar. Surrounded by dramatic karst mountains, the lake offers unparalleled vistas reflected in the lake's clear waters. Most of the lake is in Montenegro, with its tip reaching into Albania and it is one of the most important sanctuaries for wetland birds in Europe. Following

lunch in a local restaurant we continue onwards, crossing the border into Albania and reaching Tirana in the early evening. Check into the Sheraton Hotel for a two night stay.

Day 4 Tirana. After breakfast we will explore Albania's capital, starting in Skanderbeg Square with a guided tour of the Albanian National Museum, home to many of the country's archaeological treasures. Our exploration of the city will continue on foot visiting the Blloku district, which is now home to many bars and restaurants but was a restricted area during the communist period. Visit the impressive National Art Gallery, which features a large collection of social realist paintings from the second half of the twentieth century. After lunch at a local restaurant the afternoon will be at leisure to further explore this surprising city. Enjoy dinner at the hotel this evening.

Day 5 Kalista, Struga & Ohrid, Macedonia. Leaving Tirana we will take a scenic drive eastwards through Albania towards the Macedonian border. Arriving on the western shores of Lake Ohrid, visit the 13th century Kalista Cave Monastery before continuing on to the foothills of the Jablanica mountain range and quaint village of Vevchani for lunch at a traditional restaurant. Following a short walk to the Vevchani springs we rejoin the coach for the transfer to the bustling town of Struga, where our guided walking tour will visit the Museum of Natural Sciences. Visit the St Jovan Bigorski Monastery which was destroyed by Ottomans in the 16th century but restored by the Monk Ilarion around 1743. We will check in at the Hotel Marriott for a three night stay in the late afternoon. The rest of the day is free for independent exploration.

Day 8 Skopje. With remnants of Greek, Roman and Ottoman history contrasting with modern architecture, Skopje offers up a vibrant metropolis buzzing with activities. On our morning tour we will take a cable car up

high above the city to the Millennium Cross before exploring the vast Kale Fortress that dominates the city skyline. We will continue to the 15th century Stone Bridge and the Ottoman Old Bazaar before enjoying a refreshment stop with Turkish tea. The afternoon and evening is at leisure, allowing you the opportunity to further explore this fascinating city.

Day 9 Matka River Canyon. Following breakfast at the hotel take a scenic transfer to the dramatic Matka Canyon, a mere 11 miles to the southwest of the city centre. A narrow canyon on the lower course of Treska River, with steep sided mountains on either side, it is a major centre for climbing and caving. We will visit the Sveta Bogorodica Monastery and St Andrew's Church before embarking a local boat and sailing through the canyon, exploring one of its caves. Enjoy a lunch in the canyon before returning to Skopje. Later this afternoon we will visit the award-winning Chateau Kamnik, located in the Vardar Valley to the east of the city. Tour the wine cellars and enjoy a wine tasting following by dinner in the restaurant.

Following a stop for lunch, we visit the 10th century Rila Monastery, the largest in Bulgaria, located in stunning scenery on the slopes of Riva Mountain. A UNESCO World Heritage Site, the monastery was destroyed by fire in the beginning of the 19th century and was rebuilt between 1834 and 1862. Continue on to Bulgaria's capital Sofia, and check in at the Grand hotel for an overnight stay. Enjoy a farewell dinner in a nearby restaurant this evening.
