BIRDS & BLOOMS OF BRITAIN

A SPRINGTIME VOYAGE FROM PLYMOUTH TO FAIRLIE
ABOARD THE MS HEBRIDEAN SKY

9TH TO 16TH MAY 2019

Tresco, Isles of Scilly

During the month of May our western shores become alive with colour. This is a spectacularly beautiful time when many of the gardens are at their most appealing and the countryside will be lush and inviting. This, combined with the sheer diversity of the coastline, makes for a most appealing sea journey, whether you be an avid gardener, birdwatcher or simply enjoy sailing past and visiting some of the most enchanting places in the world.

This journey provides a unique opportunity to explore the splendours of England, Wales and Scotland and amongst the many splendid gardens we will visit are the subtropical Abbey Gardens on the charming island of Tresco, beautiful Bodnant Garden and the magnificent Benmore Botanical Garden on the Cowal Peninsula. With regards to birds, we have included visits to Lundy, where we hope to see puffins, and peaceful Skomer Island which, carpeted with beautiful bluebells, is home to many birds including puffins, guillemots and razorbills.

Each day there will be the opportunity to explore coastal paths, see the resident wildlife and enjoy the wonderful views on offer. Whilst you could always drive, travel by train and coach and reach most of our itinerary with the help of a ferry, it is much more enjoyable to join the all-suite MS Hebridean Sky and travel in comfort accompanied by our expert onboard team without any of the hassle that independent exploration of these fascinating places would entail.

Skomer Island

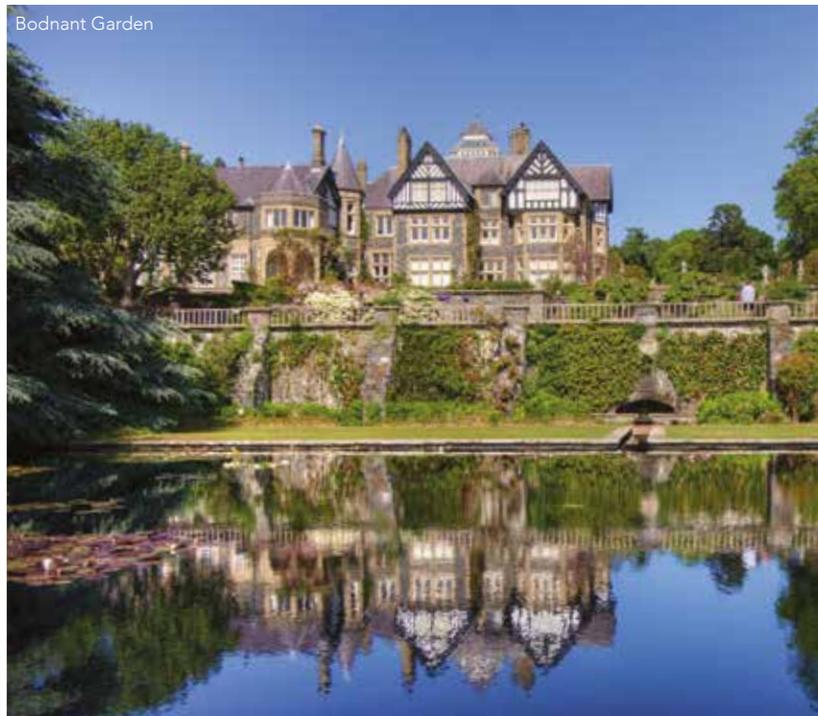

The Itinerary

Day 1 Plymouth, England. Embark the MS Hebridean Sky this afternoon in Plymouth. Transfers will be provided from Plymouth Railway Station at a fixed time. Enjoy Welcome Dinner and Drinks and sail this evening.

Day 2 Isles of Scilly. Spend the morning on traffic-free Tresco, walking its idyllic lanes from the beach to the famous subtropical Abbey Gardens. Defying the Atlantic weather, this miracle of a garden is home to more than 20,000 species of plants from over 80 countries. Enjoy time to wander at your own pace along the paths, maybe visit the Valhalla collection of ship figureheads from

ships wrecked on the islands or relax in the cafe. We spend the afternoon on St Agnes, the most southwesterly community in the UK. Surrounded by rocks and reefs this delightful tiny island offers marvellous coastal walks. The small island of Gugh lies across a narrow sandbar and here we find a single stone monolith called the 'Old Man of Gugh' which dates back to the Bronze Age. Alternatively, join a boat trip to the nearby island of Annet, the second largest of the uninhabited islands and a bird sanctuary. We are not allowed to land but will cruise the coastline alive with puffins, European storm petrels and shag.

Day 3 Lundy. We have scheduled a full day on Lundy, a remote and absolutely delightful island in the Bristol Channel. Walk along its traffic-free lanes and paths, explore the wide bays and coves by way of hanging valleys, observe the puffins nesting in abandoned rabbit warrens, have a drink at the inn and buy the islands 'puffin stamps' at the island's shop.

Day 4 Skomer & Fishguard, Wales. This morning we will arrive at Skomer Island, one of the most important wildlife sites in Northern Europe. It is a marvellously peaceful and scenic island with fantastic birdlife including 6000 pairs of puffins, countless numbers of guillemots, fulmar, kittiwakes and the elusive Manx shearwater and storm petrel. Enjoy a Zodiac excursion and return to the vessel for lunch as we sail to Fishguard. From here we will take the scenic drive to St Davids, Britain's smallest city, and explore the magnificent 12th century cathedral (the only one in the United Kingdom where the reigning monarch has a permanently reserved pew) and see the Bishop's Palace.

Day 5 Llandudno. This morning will be spent at Bodnant Garden. Situated above the River Conwy the gardens have stunning views across Snowdonia. Begun in 1875, Bodnant Garden is the creation of four generations of Aberconways and features huge Italianate terraces and formal lawns on its upper level, with a wooded valley, stream and wild garden below. There are dramatic colours throughout the season, with herbaceous borders, roses,

hydrangeas, water lilies and clematis that delight throughout the summer. This afternoon will be free to explore Llandudno at leisure. Developed as an upmarket holiday town for Victorian visitors, this seaside town still retains much of its 19th century grandeur, with graceful wedding-cake architecture lining its sweeping waterfront promenade.

Day 6 Peel, Isle of Man. Arrive this morning on the Isle of Man and the main fishing port of Peel. Settlements have been here since the Mesolithic Age and the island also claims to have the longest continuous parliament which was founded in 979 AD. This morning we will travel to Tynwald Hill, located in the little village of St John's. This grass-topped, tiered hill is made from the soil and stones from each of the island's 17 parishes and is the point from which, each 5th of July, all the laws enacted in the year preceding are promulgated to the gathered government officials and the public at large, both in Manx and English languages. We continue to Castletown and the magnificent Castle Rushen, one of the best examples of a Medieval castle in Europe which was the former seat of the Kings and Lords of Mann. We end our tour at Castletown station and board the vintage steam train for a delightful and traditional journey to Douglas. Dating from 1874, the Isle of Man Steam Railway is the island's oldest Victorian rail system and this narrow gauge railway still runs

with its original locomotives and carriages. Return to the vessel for lunch and enjoy an afternoon at leisure.

Day 7 Holy Loch, Rothesay & Fairlie, Scotland. This morning arrive in the Cowal Peninsula where we find the magnificent Benmore Botanic Garden situated in a mountainside setting. During springtime there is a blaze of colour as the 300 species of rhododendrons put on a spectacular display. Take time to walk the paths, see the Victorian Fernery and walk along Redwood Avenue, a line of 50 Sierra redwoods planted in 1862. During lunch we sail the short distance to the Isle of Bute where we will visit one of Britain's most astounding Victorian Gothic mansions, Mount Stuart House. After the original building was destroyed by fire the mansion

was rebuilt between 1880 and 1912 using the finest craftsmen of the time. After viewing the house we will visit the wonderful grounds made up of over 300 acres of pasture, woodland and gardens combining exotic and native plants. Maybe enjoy one of the trails that pass through the woodland down to the shoreline or visit the Rock Garden and Kitchen Garden situated closer to the house. Alternatively, you may prefer to stay in Rothesay and explore the small town and its impressive 13th century castle. During dinner we will sail the short distance to Fairlie where we will moor overnight.

Day 8 Fairlie. Disembark this morning after breakfast. Transfers will be provided to Glasgow International Airport and Glasgow Central Station at a fixed time.

The Restaurant

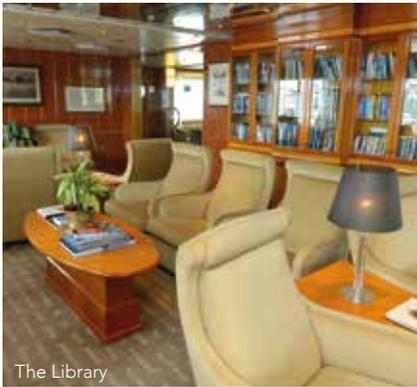

The MS Hebridean Sky is one of our three flag ships and sister vessel to the MS Island Sky and MS Caledonian Sky. All three vessels were built in the same ship yard in Italy at similar times and share the same excellent attributes that make them three of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Hebridean Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a sitting area and some have private balconies. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and all suites have outside views with those on the Scott and Shackleton Decks featuring private balconies. Each suite affords considerable comfort with en-suite bathroom featuring vanity unit with sink and walk-in shower, large wardrobes, dressing table with large mirror and stool and excellent storage. There is a mini-fridge, flat screen television and a telephone in each suite. Bottled water, Egyptian cotton sheets, dressing gowns and slippers are also provided for your comfort. Other facilities include a programmable electronic safe, hairdryer, assorted Molton Brown toiletries and individually controlled air-conditioning and heating. Soft hues and blended tones enhance the traditional maritime style making the passenger accommodation an inviting and relaxing place to be.

Your Dining

With only one sitting and a maximum of just over 100 passengers, the cuisine on board the MS Hebridean Sky is of a consistent superior quality that befits such a vessel. In keeping with the informal atmosphere on board, when dining you are able to choose your seating arrangements and choice of restaurants at your leisure; whether that be joining a table of four to six other passengers in the elegant à la carte Restaurant or, outside buffet-style on the Lido Deck in the evening sunshine. In the main Restaurant, breakfast is served buffet-style, with certain items cooked to order on request. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. To enhance your dining experience further a selection of wines is included with both meals. Afternoon tea and pre-dinner canapés take place in either the comfort of the Lounge or out on the Lido Deck when the weather is favourable. Tea and coffee are also available 24 hours a day. Special diets can be catered for with sufficient notice.

The spacious and finely decorated public rooms include a large Lounge on the Byrd Deck featuring a selection of seating options from individual armchairs and sofas to side cushioned benches. Daily briefings given by the Cruise Director and talks from Guest Speakers and expedition staff take place in the Lounge. In addition to the main Lounge, there is also The Club, located on the Mawson Deck which features the main bar where the onboard pianist plays periodically throughout the day. The Club also features a 24-hour tea and coffee station. Towards the aft of the ship on the Mawson Deck is the Library. Well stocked with reference books pertaining to the destinations the vessel is visiting and a selection of essential reads, you will not find yourself short of excellent literature on board. A selection of games and two computers offering complimentary internet access can also be found in the Library. The main Restaurant, which can seat all guests at one sitting, is located on the Amundsen Deck, and outside there is a rear Lido Deck located on the Scott Deck where meals are served in warm weather under shade. Further to this on the top Shackleton Deck there is an observation area, complete with sun loungers for sunbathing, relaxing with a book or catching up with fellow travellers. The Promenade Deck wraps around the whole ship providing outstanding views. There is also a small beauty salon on board with appointments made on request. Your Comfort

The MS Hebridean Sky is equipped with the latest safety, navigation and communications equipment along with roll stabilisers to minimise the ship's motion. During your voyage we hope to offer you the opportunity to visit the Captain and Officers on the Bridge to check the vessel's progress by charts and learn more about your journey. On board you will also find a clinic and Doctor and a lift that serves all decks. When at anchor our nimble Zodiacs will ferry you ashore or, on select cruises, enjoy Zodiac cruises getting you closer to the natural world.

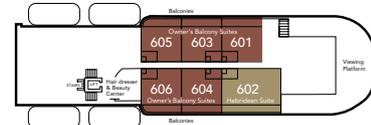

Your Life On Board

The atmosphere on board is warm and convivial and more akin to a private yacht or country hotel in which you can learn more about the wonderful destinations you are visiting in the company of like-minded people. There is a high ratio of crew to passengers and our friendly crew of 75 are mainly Filipino and Eastern European and our Scandinavian Captains are experienced mariners. After a day ashore you will return to the comfort and peace of a well-run and exceedingly comfortable ship where peace, high quality of service and attention to detail are the order of the day. A little music in the Lounge or bar after dinner, Guest Speakers and informative port briefings and of course good food, all contribute to make any voyage aboard this wonderful vessel a memorable and joyful experience.
