A VOYAGE FROM OBAN TO PORTSMOUTH  
ABOARD THE MS HEBRIDEAN SKY

7<sup>TH</sup> TO 18<sup>TH</sup> SEPTEMBER 2018

NOBLE CALEDONIA

If you have ever promised yourself that one day you will become better acquainted with some of the more remote regions and historically interesting parts of the United Kingdom, this late summer journey from Oban to Portsmouth provides a unique opportunity to explore the splendours of Scotland, Northern Ireland, Wales and England. Amongst the many splendid houses and gardens we will visit are the opulent Mount Stewart, beautiful Bodnant Garden, the famous, subtropical Abbey Gardens on the charming island of Tresco and Greenway, the wonderful historic house and garden that was once home to Agatha Christie. With regards to castles, we will visit some of the Kingdom's finest including the magnificent Castle Rushen on the Isle of Man and the impressive Pembroke Castle in Wales.

True, you can always drive, travel by train and coach and reach most of our itinerary with the help of a ferry, but how much more enjoyable to join the all-suite MS Hebridean Sky and travel in comfort accompanied by our expert onboard team without any of the hassle that independent exploration of these fascinating places would entail.

## The Itinerary

**Day 1 Oban, Scotland.** Embark the MS Hebridean Sky this afternoon and sail this evening. A transfer will be available from Glasgow Central Station and Glasgow International Airport at a fixed time.

**Day 2 Colonsay & Jura.** Lying between Mull and Islay, we will spend the morning exploring the island of Colonsay, with her craggy, heather-backed hills, sparse woodland yet impressive array of plant and birdlife. Near Colonsay House, built in 1722 by Malcolm MacNeil and bought by Lord Strathcona in 1904, we will visit the attractively dilapidated wooded gardens which protect the tiny, enigmatic 8th century St Oran's Cross. Return to the vessel for lunch as we sail through the Sound of Islay to Jura, arriving in the late afternoon. We will go ashore at Craighouse and will be welcomed in the cooperage where we will be given an introduction to the Jura Distillery and an opportunity to taste the local product. Alternatively, join one of our naturalists on a walk along the shore or join the local bus for a short drive around the island.

**Day 3 Derry, Northern Ireland.** We will berth this morning in the historic city of Derry, renowned as one of the finest examples of a walled city in all of Europe. This morning we leave the city and drive to the Giant's Causeway an amazing array of 40,000 basalt columns which became widely known from the 1700s as the 'Eighth Wonder of the World' and is now a UNESCO World Heritage

Site. Admire the unique rock formations which have, for millions of years, stood as a natural rampart against the unbridled ferocity of the Atlantic storms and the rugged symmetry of the columns never fail to intrigue. Return to Derry for lunch and enjoy an afternoon to explore the city independently.

**Day 4 Belfast.** Spend the morning exploring Belfast at your own pace or maybe visit the Titanic Experience. Located by the site of the ship's construction, the museum tells the story of the Titanic from her conception through her construction and launch in 1911. After lunch on board we drive the short distance to the famous house and gardens at Mount Stewart. The gardens, which were planted in the 1920s by Edith, Lady Londonderry are of international importance. The magnificent series of outdoor 'rooms' and vibrant parterres contain many rare plants that thrive in the mild climate of the Ards Peninsula. We will also explore the opulent house which reveals a fascinating heritage and historic world-famous artefacts and artwork.

**Day 5 Peel, Isle of Man.** Arrive this morning on the Isle of Man and the main fishing port of Peel. Settlements have been here since the Mesolithic Age and the island also claims to have the longest continuous parliament which was founded in 979AD. This morning we will travel to Tynwald Hill, located in the little village of St John's. This grass topped, tiered hill is made from the soil and stones from each of the island's 17 parishes and is the point from

which, each 5 July all the laws enacted in the year preceding are promulgated to the gathered government officials and the public at large, both in Manx and English languages. We continue to Castletown and the magnificent Castle Rushen, one of the best examples of a Medieval castle in Europe which was the former seat of the Kings and Lords of Mann. We end our tour at Castletown station and board the vintage steam train for a delightful and traditional journey to Douglas. Dating from 1874, the Isle of Man Steam Railway is the island's oldest Victorian rail system and this narrow gauge railway still runs with its original locomotives and carriages. Return to the vessel for lunch and enjoy an afternoon at leisure.

**Day 6 Holyhead, Wales.** This morning we will arrive in Holyhead which is our base for a choice of excursions. Choose from a full day tour exploring this spectacular part of North Wales which will include a visit to Portmeirion, an extraordinary Mediterranean-style village designed and built by Sir Clough Williams-Ellis between 1925 and 1975. Enjoy a tour of the village before a drive through Snowdonia where we will enjoy lunch in the National Park before continuing to Bodnant Garden, one of the most beautiful gardens in the United Kingdom. Spanning some 80 acres, the garden is set above the River Conwy and offers views to the Snowdonia range. Alternatively cross the island of Anglesey and spend the morning at Plas Newydd, an enchanting mansion set on the shores of the Menai Strait enjoying wonderful views over Snowdonia.

Spend time exploring the elegant house including the military museum of Henry Paget, the first Marquess of Anglesey who led the cavalry in the Battle of Waterloo, before heading into the gardens or taking a walk in the surrounding woodland. Return to the ship for lunch and a free afternoon.

**Day 7 Steep Holm Island, England.** Enjoy a relaxing morning at sea as we cruise around the Welsh coastline. This afternoon we hope to land on Steep Holm Island located in the Bristol Channel. This small island, just one kilometre long by 400 metres wide, has a fascinating history having been inhabited since the Stone Age and was used by the Romans as a signal station and the Vikings as a base for their raids on the mainland. In the 1860s Lord Palmerston commissioned the fortification of the island to blockade the ports of the area from Napoleon's forces and these were enhanced in 1941 during the Second World War. Today the island is a Nature Reserve and after landing we have the freedom to explore the trails that cross the island. You may wish to visit the Victorian Barracks, see the gun emplacements at Split Rock Battery or look out for some of the wildlife including Muntjac deer.

**Day 8 Pembroke, Wales.** We spend the day on the beautiful Pembrokeshire coast. From our nearby berth we will visit the 12th century Pembroke Castle, the second largest castle in Wales and birthplace of Henry VII. Its vast walls, towers and keep were impregnable to cannon fire during the Civil War and so much of this impressive fortress remains intact today that it will be the focus

Dartmouth

of our tour. We will then enjoy a short drive to the ancient town of Tenby, a picturesque walled, Medieval town that has remained largely unchanged from when it was built 500 years ago. We will take time to stroll through this town's delightful centre before returning to the ship for lunch. This afternoon the active may wish to stretch their legs on a scenic walk along a section of the Pembrokeshire coastal path past lighthouses, cottages and Mill Bay where Henry Tudor landed in 1485. Alternatively take the scenic drive to St Davids, Britain's smallest city, and explore the magnificent 12th century cathedral and Bishop's Palace.

**Day 9 Isles of Scilly, England.**

Spend the morning on traffic free Tresco, walking its idyllic lanes from the beach to the famous subtropical Abbey Gardens. Defying the Atlantic weather, this miracle of a garden is home to more than 20,000 species of plants from over 80 countries. Enjoy time to wander at your own pace along the paths. Sail over lunch to St Agnes, the most south westerly community in the United Kingdom. Surrounded by rocks and reefs, this delightful tiny island offers marvellous coastal walks with over one third designated as "sites of special scientific interest". The small island of Gugh lies across a narrow sandbar and here we find a single stone monolith called the 'Old Man of Gugh' which dates back to the Bronze Age.

**Day 10 Dartmouth.** Sail this morning along the River Dart to our anchorage off the town of

Dartmouth. If time permits we hope to explore ashore before lunch on board. On a choice of excursions this afternoon you may decide to visit 'Greenway', the wonderful historic house and garden that was once home to Agatha Christie. Visit the gardens, including the Camellia Garden, a wonderful place to sit and ponder on the history of the house and the notable residents and visitors that have included Sir Walter Raleigh and Sir Francis Drake. Alternatively visit the 1920s country retreat of the D'Oyly Carte family at Coletton Fishacre. Lose yourself in the RHS accredited garden by the sea as we wander the paths through glades and past tranquil ponds. Meanwhile the house interior is imbued with 1920s elegance and Art Deco features.

**Day 11 Guernsey & Herm, Channel Islands.** Our last day is spent in the Channel Islands. We awake in Guernsey, the 'Island of Flowers' where there will be the option of a walking tour of St Peter Port including a visit to Castle Cornet, a 12th century battlement which guards the entrance to St Peter Port Harbour. Alternatively, enjoy a panoramic drive to see the beautiful coastline and also visit the Little Chapel, built in 1914 as a miniature version of the famous basilica at Lourdes. This afternoon we make the short crossing over to Herm which at just one and a half miles long and half a mile wide, is perfect for exploring on foot.

**Day 12 Portsmouth.** Disembark this morning. Transfers will be provided to Portsmouth Harbour Railway Station at a fixed time.

## MS HEBRIDEAN SKY

The MS Hebridean Sky is one of our three flag ships and sister vessel to the MS Island Sky and MS Caledonian Sky. All three vessels were built in the same ship yard in Italy at similar times and share the same excellent attributes that make them three of the finest small ships in the world. Formerly known as the Sea Explorer, the vessel underwent a multi-million pound refurbishment in Sweden in Spring 2016 before being re-launched as the MS Hebridean Sky.

### Your Cabin/Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a sitting room area and some have private balconies. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht.
