ALONG THE ADRIATIC COAST

A cruise along the coasts of Croatia & Montenegro aboard the Princess Eleganza

15th to 25th April*; 25th April to 6th May; 6th to 16th May*; 16th to 27th May;
27th May to 6th June*; 13th to 23rd June* & 3rd to 14th October 2018

Even the most jaded of travellers cannot fail to be won over by the beauty of the Adriatic Coast. The sea is an intense blue and the islands are amazingly picturesque. Mountains sweep down to the sea covered in rich vegetation, islands lace the coast creating endless inviting waterways and channels and on shore there are great historic villages, towns and cities.

We are delighted to have once again chartered the Princess Eleganza for a series of cruises which explore the coastline between the attractive Croatian town of Opatija and Kotor in Montenegro, a land of stunning scenery and equally enthralling architecture, where landscapes have all the appeal of an Edward Lear painting. When devising the itinerary for the vessel which accommodates just 36 guests we did so with the view that we have a private yacht and were therefore able to create a journey which is somewhat different from regular cruises. We are able to visit some marvellous places which do not cater for the big ships and each night we remain moored in the picturesque harbours. Most vessels sail from the ports at the end of the day, thereby missing the floodlit splendour and lively café society which is so atmospheric in the evening. Remaining moored overnight allows the opportunity to dine ashore on certain evenings.

We will sail through some truly beautiful scenery which you can appreciate whilst relaxing on the sun deck including cruising through the fjord-like entrance to Kotor. Other scenic attractions include our excursion to the Zrmanja Canyon and the majestic waterfalls of Krka. In addition we will spend time walking through the beautiful old towns of Rab, Hvar and Korcula and explore the historic wonders of Zadar, Dubrovnik and Split with their history which dates back to Roman times.

This heady mix of islands and ports represents a fascinating itinerary combining as it does some 'must see' sites together with little known and rarely visited places that are perfectly suited for our vessel. Whether it be the towering cliffs and rich vegetation, scenic waterways and indentations or the wealth of historic buildings, this unique area has so much to offer the genuine traveller and our itinerary will be appreciated by those who enjoy an eclectic mix of places and an informal style of cruising.

ITINERARY HIGHLIGHTS

- Informal style of cruising offering options to dine ashore from central berthing locations and experience the harbours during the evening once the day tourists and other cruise ships have departed.
- Visit many of the smaller islands and ports which are not featured on usual cruise routes with some unique excursions.
- Cruise continues as far as Kotor in Montenegro which is not often included in cruises along the Adriatic Coast.

Check out this morning and depart towards Plitvice Lakes National Park, a UNESCO World Heritage Site since 1979 and one of Croatia's most outstanding attractions. The beauty of the National Park lies in its sixteen lakes, inter-connected by a series of waterfalls set in deep woodland. The National Park covers a total area of 300 square kilometres, whilst the lakes join together over a distance of eight kilometres. On arrival we will have a guided visit, followed by lunch in a local restaurant. Later we continue on to Zadar to embark the Queen Eleganza.

DALMATIA TO THE BALKANS

A cruise exploring Croatia's beautiful coast & islands aboard the Queen Eleganza combined with an exploration of Bosnia Herzegovina

6th to 16th June, 10th to 20th June*, 20th to 30th June, 24th June to 4th July*, 10th to 20th October 2018

Come with us to explore the beautiful Dalmatian Coast and its hundreds of islands aboard the charming Queen Eleganza. The region offers breathtaking natural beauty, an intense blue sea, amazingly picturesque islands, stunning architecture and an intriguing history, and even the most jaded of travellers cannot fail to be won over by its beauty. Added to this we have the benefit of three days after our cruise to explore Croatia's lesser-visited neighbour Bosnia Herzegovina, a fascinating country at the crossroads of east and west with a history forged over centuries. Often overshadowed by its tumultuous past, it has emerged from its recent civil war reincarnated and offers the visitor a wealth of historical and cultural treasures, highlights of which will be the cities of Mostar and Sarajevo.

With our vessel that accommodates just 36 guests, we are able to visit some marvellous places which do not cater for the big ships and each night we remain moored in the picturesque harbours affording the opportunity to take an after-dinner stroll and dine ashore on certain evenings. Whether it be the heady mix of Croatia's islands and ports or the craggy beauty of Bosnia Herzegovina with its mountains that sweep down to lakes covered in vegetation and wealth of historic buildings, this unique area has so much to offer the genuine traveller and our itinerary will be appreciated by those who enjoy an informal style of cruising and an eclectic mix of places.

THE ITINERARY

Day 1 London Gatwick to Dubrovnik, Croatia. Fly by scheduled flight. On arrival transfer to the Queen Eleganza and enjoy dinner on board as we moor overnight.

Day 2 Dubrovnik & Mljet. Spend the morning in Dubrovnik – the "Pearl of the Adriatic" with a guided walk through this breathtaking city. Its many historic and cultural treasures have earned it the designation as a UNESCO World Heritage Site. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries, and the Sponza Palace. Return to the ship for lunch as we sail to Mljet. This is one of the few Dalmatian islands that was never ruled by Venice and this is apparent in the architecture and the absence of any sizeable historic town. What it lacks in great architecture it more than makes up for in natural beauty and there will be a tour to the National Park including its beautiful lakes. Take the opportunity to dine ashore this evening in one of the local restaurants as we moor overnight.

Day 3 Korcula & Vis. Spend the morning cruising to Korcula arriving in the late morning. If weather and sea conditions allow we hope to stop at the island of Badija for a swim on the way. Said to be the birthplace of Marco Polo, Korcula boasts crooked Medieval streets and elegant squares which are flanked with palaces of the old nobility. Enjoy free time to explore before returning to the ship for lunch. In the early evening we arrive at the island of Vis, a beautiful island that sits far out in the Adriatic well away from the conventional cruise routes. We have the chance to dine ashore in one of the harbourfront restaurants here.

Day 4 Vis, Bisevo & Hvar. One of the furthest of the main Croatian Islands from the coast, in recent years Vis was used as a military base for the Yugoslav army and only opened up to tourism in

1989. This isolation and lack of development is the island's main draw and we will see its natural beauty as we drive across the island to the port of Komiza. Here we will board local boats to the neighbouring island of Bisevo where we visit the Blue Grotto. This coastal cave shines an amazing blue when the sun's rays pass through an underwater opening, whilst the rocks beneath the water glimmer silver. We return to the ship for lunch and sail to Hvar this afternoon where we enjoy dinner aboard as we moor overnight.

Day 5 Hvar & Split. From our berth in Stari Grad we take a short coach ride across the island to the attractive Old Town of Hvar for a guided walk. We begin in the main square, which is the largest piazza in Dalmatia and see the cathedral, the Franciscan Monastery and the Benedictine Nunnery, where we hear about the aloe lace still produced today by the nuns. After some free time, return to the ship and enjoy lunch on board as we sail, arriving in Split in the early afternoon. Here a guided walk takes us to Diocletian's Palace, built by the emperor in 295-305 AD as his retirement villa. Much of this large building is well preserved and the palace contains Split's old town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. It is a wonderful spot to wander the maze of streets. This evening enjoy dinner in one of the many restaurants in Split.

Day 6 Pucisca, Brac & Makarska. Over breakfast we sail the short distance to the island of Brac and the attractive port of Pucisca located at the end of a long bay. Brac is world renowned for the quality of its stone which was

used for Diocletian's Palace in Split as well as the White House in Washington and other parliament buildings in Europe. Spend the morning in the charming small town, voted one of the prettiest in Europe, where the building's white roofs create an ambient atmosphere. Over lunch we sail to Makarska port, a stunning location on the coast backed by the Biokovo mountains. A popular summer destination due to its nearby beaches it also has a historical centre including the Franciscan monastery, Church of St Peter and city museum. This

evening is free to find a restaurant in the town for dinner.

Day 7 Opuzen. We will sail this morning and find a spot for a swim along the coast before taking lunch on board. This afternoon we arrive in Opuzen, located 12 kilometres from the coast on the Neretva River. Situated in the Neretva valley the region is known as the centre of mandarin production in Croatia. Here we will board local boats and sail this afternoon through the canals and backwaters of the Neretva Wetlands ending with a tasting of the region's

brandy. Return to the ship for our final dinner on board as we moor overnight.

Day 8 Pocitelj, Stolac & Mostar, Bosnia Herzegovina. After breakfast we will disembark the Queen Eleganza in Opuzen and begin our journey to Bosnia. Our first call will be at Pocitelj, situated on the Neretva River, which is a splendid Ottoman city dating back to the Middle Ages. Here, King Tvrtko I of Bosnia built a fortress in 1383, later conquered by the Turks in 1471. Today this is truly a magical open-air museum with many Ottoman monuments, such as the Hadzi Alija Mosque and the Clock Tower. Continue on to the quaint and picturesque town of Stolac and visit the historic Old Town, see the Churches of St Peter and Paul and explore the ancient old town fortress of Vidoska. After lunch we will drive to the nearby mysterious Radimlja necropolis to see the fascinating Medieval tombstones of the ancient Bogolmils tribe dating back to the 14th century. Our final stop will be at Blagaj Tekke, also known as the Dervish Monastery, the tekija was built to host gatherings of the Sufi Brotherhood, and the stunning half-timbered tekija rests beside the fast-flowing blue-green Buna River. Arrive in Mostar in the early evening and check in to our hotel for an overnight stay. Dinner

tonight will be at a local restaurant.

Day 9 Mostar & Sarajevo. In the 15th century, Mostar became a thriving centre on the banks of the emerald Neretva River under the Ottoman Turks. Damaged by the military conflict in the 1990's, the town has been carefully restored by UNESCO and declared a World Heritage Site. Admire the ethereally graceful Stari Most ("The Old Bridge"), originally built in 1566, the nearby Tabacica Mosque and an old Turkish house, among other sites. You may also wish to explore the old bazaar independently, a haven for the city's artists and craftsmen. After lunch we will continue our journey to Sarajevo and check in to our hotel this afternoon. Meet later for dinner at a local restaurant.

Day 10 Sarajevo. After breakfast in the hotel we will take a walking tour of Sarajevo including Sarajevo City Hall, one of the most beautiful buildings from the Austro-Hungarian period. This building is also the National Library of Bosnia and Herzegovina and it faces the Miljacka River and the Emperor's Mosque, the city's oldest mosque. We will then continue on to see the Latin Bridge, where Franz Ferdinand was assassinated in 1914. We will also take a walk through Bascarsija, the old part of the town built in the Ottoman

period, where we can learn about the local food, crafts, and traditions. After lunch in a local restaurant there will be a choice of two tours this afternoon. You may like to visit the nearby mini spa town of Ilidza, where Franz Ferdinand and his wife stayed in June 1914. On arrival we will make our way to the public park of Vrelo Bosne, an oasis of greenery and gushing streams of water, one of the country's prime natural attractions. Alternatively, there will be a tour to the Tunnel Museum, the centrepiece of which is a 25 metre section of the 1 metre wide, 1.6 metre high hand-dug tunnel under the airport runway that acted as the city's lifeline to the outside world during the 1992–95 siege. Walking through a short, restored

section is the moving culmination to a visit that includes an archive video, a minefield garden and an engrossing museum within the shell-pounded house that hid the tunnel entrance. Return to the hotel and this evening enjoy our farewell dinner.

Day 11 Sarajevo to London

Heathrow. After breakfast in the hotel transfer to the airport for our scheduled indirect flight to London.

ISLANDS OF CROATIA

An island-hopping cruise along Croatia's stunning coastline aboard the Queen Eleganza

4th to 12th July*, 12th to 20th July & 4th to 12th September 2018

Even the most jaded of travellers cannot fail to be won over by the beauty of the Adriatic Coast. The sea is an intense blue and the islands are amazingly picturesque. Mountains sweep down to the sea covered in rich vegetation, islands lace the coast creating endless inviting waterways and channels and on shore there are great historic villages, towns and cities. Whilst Croatia itself is no longer a secret, our unique cruise steers clear of the well-trodden tourist trail and instead heads to some of the quieter spots and out-of-the-way beaches and islands which the Croats themselves escape to; places where you can wander the streets away from crowds and where nightlife means a nightcap by the harbour.

As we make our way along the coast we will witness a range of scenic delights from the world-famous Kornati islands to Mljet where we explore the National Park including its beautiful lakes, and the delightful islands of Rab, Hvar and Korcula.

When devising the itinerary for our vessel which accommodates just 36 guests, we did so with the view that we have a private yacht and were therefore able to create a journey that is somewhat different from regular cruises. In addition to our included guided excursions, we have allowed ample time at leisure for you to do as much or as little as you please. There will also be opportunities to swim from the ship as we call into secluded bays and hidden coves and, taking advantage of our central moorings, to dine ashore and experience the atmospheric ports in their evening splendour.

Krka Falls

THE ITINERARY

Day 1 London to Opatija, Croatia.

Fly by scheduled flight to Zagreb. On arrival we will enjoy a brief city tour of Zagreb before transferring to the Queen Eleganza moored in Opatija. After settling in to your cabin the crew will welcome us on board with the Captain's Welcome Cocktail and Dinner. We will moor overnight allowing time to enjoy an after dinner walk in this genteel resort.

Day 2 Opatija & Rab. We will sail over breakfast and stop at the island of Krk for a swim in the late morning. After lunch on board we arrive this afternoon at the island of Rab. This evening we will enjoy some time to meander through the narrow old alleys of the picturesque Old Town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. This evening is free to dine ashore.

Day 3 Rab, Pag & Zadar. Sail from Rab over breakfast and if weather allows we will drop the anchor and stop for a swim from the ship as we pass the island of Pag. This afternoon we arrive in Zadar. Once a dominant city on the Adriatic Coast rivalling Venice, Zadar is today a treasured city which has preserved its historical core. Enjoy an afternoon walking tour strolling around the Old Town with its Roman columns and portals, Romanesque churches and Renaissance and Baroque palaces. Of particular interest are the 9th century circular Church of St Donat, and the 13th century Romanesque cathedral. This evening we have the chance to dine in one of the many restaurants in Zadar as we moor overnight.

Day 4 Kornati Islands & Sibenik. Spend the day amongst the 140 islands that make up the Kornati archipelago, a wonder of natural beauty, coves and clear blue waters. George Bernard Shaw fell in love with the islands saying "On the last day of Creation God desired to crown His work, and thus created the Kornati islands out of tears, stars and breath." Today we will cruise around the islands and

will find a location to swim from the ship. This afternoon we continue to Sibenik where we have dinner on board as we moor overnight allowing time for an evening stroll through the town.

Day 5 Krka National Park & Hvar.

This morning we visit the dramatic waterfalls in Krka where we will see "Skradinski Buk", a large natural pool with high waterfalls at one end and cascades at the other. We will then take a walk along wooden jetties and bridges to admire the falls, and the unique flora and fauna. Return to the ship for lunch and spend the afternoon cruising to Hvar where we have dinner onboard as we moor overnight.

Day 6 Hvar & Vis. From our berth in Stari Grad we take a short coach ride across the island to the attractive Old Town of Hvar for a guided walk. We begin in the main square which is the largest piazza in Dalmatia and see the cathedral, the Franciscan Monastery and the Benedictine Nunnery, where we hear about the aloe lace still produced today by the nuns. After some free time, return to the ship and enjoy lunch on board as we sail. Arrive at the small island of Vis this evening and dine ashore in one of the restaurants.

architecture it more than makes up for in natural beauty and there will be a tour to the National Park including its beautiful lakes. We will sail over lunch and hope to stop for a swim on the island of Jakljan before arriving in Dubrovnik this afternoon. Enjoy our Farewell Dinner on board tonight.

Day 9 Dubrovnik to London. Disembark this morning and transfer to the airport for our scheduled flight to London.
