ALONG THE ADRIATIC COAST

A cruise along the coasts of Croatia & Montenegro aboard the Princess Eleganza

25th April to 6th May*, 6th to 16th May, 6th to 16th June, 23rd July to 2nd August & 1st to 12th October* 2020

We are delighted to offer a series of cruises aboard the Princess Eleganza exploring the coastline between the attractive Croatian town of Opatija and Kotor in Montenegro, a land of stunning scenery and equally enthralling architecture, where landscapes have all the appeal of an Edward Lear painting. When devising the itinerary for the vessel which accommodates just 36 guests we did so with the view that we have a private yacht and were therefore able to create a journey which is somewhat different from regular cruises.

We will sail through some truly beautiful scenery which you can appreciate whilst relaxing on the sun deck including cruising by the world famous islets that make up the Kornati National Park and through the fjord-like entrance to Kotor. Other scenic attractions include our excursion to the Zrmanja Canyon and the majestic waterfalls of Krka. In addition we will spend time walking through the beautiful old towns of Rab, Hvar and Korcula and explore the historic wonders of Zadar, Dubrovnik and Split with their history which dates back to Roman times.

This heady mix of islands and ports represents a fascinating itinerary combining as it does some 'must see' sites together with little known and rarely visited places that are perfectly suited for our vessel. Whether it be the towering cliffs and rich vegetation, scenic waterways and indentations or the wealth of historic buildings, this unique area has so much to offer the genuine traveller and our itinerary will be appreciated by those who enjoy an eclectic mix of places and an informal style of cruising.

The Itinerary – Kotor to Opatija

Day 1 London to Kotor, Montenegro. Fly by scheduled flight to Tivat or Dubrovnik airport and transfer to the Princess Eleganza moored in Kotor. After settling into your cabin the crew will welcome us aboard with the welcome cocktail and dinner.

Day 2 Kotor. After breakfast, we will first of all enjoy a walking tour of the picturesque old town of Kotor before driving south through the beautiful Montenegrin countryside where we visit a family run winery. After a short tour we will enjoy lunch and some local wines, then continue to Lake Shkoder, the youngest freshwater basin in Europe and the largest in the Balkans. Here we will take a boat trip to the village of Virpazar before returning to the ship in Kotor. Dine ashore tonight and choose from one of the many pleasant restaurants in this atmospheric setting.

Day 3 Dubrovnik, Croatia. We sail this morning for Dubrovnik, the "Pearl of the Adriatic", where we arrive after lunch. After a short drive to Pile Gate, we will begin our guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza

Palace. Return to the vessel for dinner on board this evening.

Day 4 Korcula. During breakfast we set sail for Korcula the reputed birthplace of the explorer Marco Polo. Arrive this afternoon and enjoy some time to walk along Korcula's crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. We will be moored overnight in Korcula and you will be able to dine ashore in the Old Town this evening.

Day 5 Hvar. This morning we cruise to the island of Hvar. We will arrive in the late afternoon in Stari Grad, where we take a short coach ride across the island to the attractive Old Town of Hvar for a guided walk. We will begin in the main square which is the largest piazza in Dalmatia, see the cathedral, the Franciscan Monastery and the Benedictine Nunnery where we hear about the aloe lace still produced today by the nuns. Return to the ship and enjoy dinner on board. We will moor overnight in Stari Grad allowing time for an after dinner stroll in this tranquil locale.

Day 6 Split. Sail this morning for Split. This afternoon enjoy a guided walk through the town. Explore the Palace of Diocletian, built by the emperor in 295-305 A.D. as his retirement villa. Much of this large building is well preserved

and the palace contains Split's old town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. It is a wonderful spot to wander the maze of streets. We will moor centrally this evening and you can enjoy dinner in one of the many restaurants on the Riva Promenade.

Day 7 Krka National Park & Sibenik. Morning sailing. After lunch on board, we visit the majestic waterfalls of Krka. We will take a guided walk on wooden walkways and across bridges through this unique fjord-like landscape with its multiple waterfalls and interesting flora and fauna. Return to Sibenik and enjoy an early evening walking tour through the historic town before dinner on board.

The River Zrmanja is 69 kilometres long and flows into the Adriatic. At the dramatic entrance to the gorge, we will board a motor launch for the one hour cruise to Obrovac, where we will taste some local specialities before returning to Zadar for an early evening walking tour. Enjoy dinner ashore as we moor overnight in Zadar.

Day 9 Rab. We sail during breakfast for the island of Rab. This afternoon we will enjoy some time at leisure and an early evening guided walk through the picturesque Old Town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. We have the opportunity this evening to dine ashore and sample one of the many local restaurants and we will remain moored overnight in the harbour.

Day 10 Opatija. Our final day on board begins after breakfast with a cruise to Opatija. We arrive during the early afternoon for a guided walk through the town. The rest of the afternoon is then at leisure, before we return to the ship for the farewell dinner this evening.

SPRING IN CROATIA

Explore Croatia's beautiful coast & islands aboard the Queen Eleganza combined with a two-night stay in Lake Bled

28th April to 8th May 2020

Join us for this exploration of Croatia's spectacular coastline with its intense blue sea and amazingly picturesque islands. Mountains sweep down to the sea, islands lace the coast creating endless inviting waterways and channels and on shore there are great historic villages, towns and cities. This itinerary has been carefully designed to visit some marvellous places which do not cater for the big ships and each night we remain moored in the picturesque harbours affording the opportunity to dine ashore on some evenings to enjoy the floodlit splendour and lively café society which is so atmospheric.

As we make our way along the coast, we will witness a range of scenic delights from the island of Mljet where we explore the National Park including its beautiful lakes, the world-famous Kornati islands and the dramatic waterfalls of Krka. We also visit the historic cities of Dubrovnik, Sibenik and Zadar with their history dating back through the Middle Ages to the Roman era and the island of Korcula with its marble streets and impressive architecture. Finally, we will discover the charming island of Mali Losinj, the fascinating Brijuni Islands, and stunning Lake Bled where we have a two night hotel stay in order to fully explore this wonderful corner of Slovenia.

The Itinerary

Day 1 London to Dubrovnik, Croatia. Fly by scheduled flight and on arrival transfer to the Queen Eleganza. After settling into your cabin, enjoy the welcome cocktail and dinner on board as we moor overnight.

Day 2 Dubrovnik & Mljet. Spend the morning in Dubrovnik, the "Pearl of the Adriatic" where we arrive after lunch. After a short drive to Pile Gate, enjoy a guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza Palace. Sail over lunch to Mljet. This is one of the few Dalmatian islands that was never ruled by Venice, which is apparent in the architecture and the absence of any sizeable historic town. What it lacks in terms of great architecture it more than makes up for in natural beauty as we will see on our tour to the National Park including its beautiful lakes. This evening take the opportunity to dine in one of the many restaurants ashore.

Day 3 Korcula & Vis. This morning we sail the short distance to Korcula, the reputed birthplace of the explorer Marco Polo. A guided tour will include a walk

along Korcula's crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. Return to the Queen Eleganza and take lunch on board as we sail to Vis arriving late afternoon. Enjoy dinner on board tonight as we moor overnight.

Day 4 Vis & Sibenik. The island of Vis spent much of its recent history serving as a Yugoslav military base, cut off from foreign visitors from the 1950s right up until 1989. This isolation preserved it from development, and today it offers an authentic tranquility and unique beauty. We return to the ship for lunch and sail to Sibenik. Maybe stroll to the Cathedral of St. James and the St. Nicholas Fortress before taking the opportunity to dine independently tonight in one of the local restaurants.

Day 5 Krka Waterfalls & Zadar. This morning we will visit the majestic waterfalls of Krka. We will take a guided walk on wooden walkways and across bridges through this unique fjord like landscape with its multiple waterfalls and interesting flora and fauna. Sail this afternoon through the Kornati archipelago, a wonder of natural beauty, coves and clear blue waters. In the evening we arrive in Zadar and have the chance to dine in one of the city's many restaurants as we moor overnight.

Day 6 Zadar & Mali Losinj. Once a dominant city on the Adriatic coast rivalling Venice, Zadar is today a treasured city which has preserved its historical core. Enjoy a morning walking tour strolling around the old town with its Roman columns and portals, Romanesque churches and Renaissance and Baroque palaces. Of particular interest are the 9th century circular Church of St Donat, and the 13th century Romanesque cathedral.

Sail over lunch to Mali Losinj often referred to as the prettiest port in the Adriatic with 19th century sea captains' houses lining the seafront and a charming historic quarter surrounded by green hills. Arrive this afternoon and join a walking tour before finding a restaurant for dinner tonight.

Day 7 Pula. Today we arrive at the tip of the Istrian Peninsula and the former Roman settlement of

Lake Bled

Brijuni Islands

Vis

Korcula

Polensium, now known as Pula. On an afternoon tour we will discover one of the best preserved Roman amphitheatres left in the world. The Arena, built in the 1st century AD was designed to host gladiatorial contests with seating for up to 20,000 spectators. Exploring the town further we will see the varied architecture from Baroque palaces, Christian churches and Austrian villas. Enjoy dinner on board as we remain moored overnight.

Day 8 Brijuni Islands & Rovinj. The 14 islands of the Brijuni comprise one of Croatia's National Parks and were once the summer retreat of former Yugoslav leader, Tito. Between 1947 and 1980 he spent up to six months a year in the islands. On a morning excursion we will explore Veliki Brijun including the 1st century Roman Villa, the nine hectare safari park created by Tito to house the exotic animals gifted to him by world leaders and the Church of St Germain. Later, we will sail up the Istrian coast to Rovinj where the houses inside the old town are small and lean to each other creating a unique atmosphere. Our guided walking tour will include a visit to the town's

main landmark, St. Euphemia Church, which is built on the top of a small hill. This Baroque building built in Venetian style was dedicated to the saint and martyr whose sarcophagus, according to a legend, was miraculously washed ashore somewhere around 800 AD. Return to the Queen Eleganza for our farewell dinner on board tonight.

Day 9 Rovinj, Lipicia & Lake Bled, Slovenia. Disembark this morning and cross the border into Slovenia. We continue to the Lipica Stud Farm, home to about 400 white Lipizzaner horses. With a tradition of over 400 years, it is not only one of Slovenia's most beautiful cultural and historical sites, it is also the oldest stud farm in the world, breeding horses since its establishment. After lunch we continue to Lake Bled and have some free time before meeting for dinner tonight.

Day 10 Lake Bled. After breakfast in the hotel we will explore Lake Bled. Using the local "pletna" boats we will cruise the lake and make our way to Blejski Otok, an island situated in the middle of

the lake where we can visit the Chapel of Santa Maria. Returning to the lakeside we will make our way to Bled Castle located high on the rock face above the lake, protecting the town since 1004. We end our visit at the picturesque old town of Radovljica, one of the best-preserved towns in Slovenia with houses dating back to the 15th century. After lunch in the town we

will return to the hotel in Lake Bled for a free afternoon. Maybe take the walking track around the Lake for further views or relax and enjoy the hotel facilities. We will meet for dinner tonight in the hotel.

Day 11 Ljubljana to London. Transfer this morning to the airport for our scheduled indirect flight to London.

Day 1 London to Opatija, Croatia. Fly by scheduled flight to Zagreb. After lunch at a local restaurant, transfer to the Princess Eleganza moored in Opatija where we will embark and enjoy our welcome dinner. We will moor overnight allowing time to take an after dinner walk in this genteel resort.

Day 2 Cres. During breakfast we will cruise to the nearby island of Cres, mooring in the sheltered scenic Medieval harbour at Cres Town. Enjoy a walk through the atmospheric streets which have a strong Italian feel having been under Venetian rule in the 15th and 16th centuries. After a lunch of local specialities at a traditional restaurant we will continue to the former fort city of Lubenice. Situated on a cliff 378 metres above the sea we will explore the fortress, city gates, houses, chapels and winding streets of this evocative site and enjoy the stunning views over the bay below. Dine ashore this evening and

perhaps take a stroll along the seaside promenade.

Day 3 Rabac & Labin. Spend the morning cruising back towards the mainland arriving in Rabac, 'The pearl of Kvarner Bay'. After lunch on board, we will travel inland to the attractive hilltop Medieval town of Labin. On a walking tour we will explore the labyrinth of cobbled alleys in the old town seeing the pastel houses, Baroque architecture and town museum before enjoying the wonderful views over Rabac, the Istrian coastline and the island of Cres. We will return to the Princess Eleganza via a local vineyard where we will enjoy a sample of Istria's famous wines. This evening we will dine on board whilst moored overnight in Rabac.

Day 4 Mali Losinj. Spend a relaxing day on board as we sail to another of Croatia's charming islands. Arrive this afternoon at Mali Losinj which sits at the foot of a protected harbour on the southeast coast of

Losinj Island. It is the island's mild climate and rich flora that give Mali Losinj its reputation as one of the most fragrant islands in Croatia; its air is scented with lavender, sage and rosemary. The seafront of old town Mali Losinj is lined with a string of imposing 19th century houses and villas. Dine ashore tonight in this stunning location.

Day 5 Pula. Today we arrive at the tip of the Istrian Peninsula and the former Roman settlement of Polensium, now known as Pula. On an afternoon tour we will discover one of the best preserved Roman amphitheatres left in the world. The Arena, built in the 1st century AD was designed to host gladiatorial contests with seating for up to 20,000 spectators. Exploring the town further we will see the varied architecture from Baroque palaces, Christian churches and Austrian villas. Enjoy dinner ashore tonight.

Day 6 Brijuni Islands & Porec. The 14 islands of the Brijuni comprise

one of Croatia's National Parks and were once the summer retreat of former Yugoslav leader, Tito. Between 1947 and 1980 he spent up to six months a year in the islands. On a morning excursion we will explore Veliki Brijun including the 1st century Roman Villa, the nine hectare safari park created by Tito to house the exotic animals gifted to him by world leaders and the Church of St Germain. Later, we will sail up the Istrian coast to Porec where we will discover the compact old town on a walking tour and visit the 6th century Euphrasian Basilica, a World Heritage Site and one of Europe's finest intact examples of Byzantine art. The basilica, atrium, baptistry and episcopal palace are outstanding examples of religious architecture. Enjoy dinner ashore tonight as we remain moored overnight.

Day 7 Motovun & Momjan. Today we will travel to the Istrian interior, an area famed for its picturesque villages, vineyards producing fine

Malvasia and Teran wines and the forests that produce Istrian white truffles. On a morning walking tour we will explore Motovun which is perched on a hill in the Mirna River Valley with its Romanesque-Gothic bell tower, the Renaissance Church of St Stephen designed by Andrea Palladio and the charming central square. After a lunch of local specialities we will head into the agricultural area around Momjan where some of Croatia's finest olives and vines have been grown for thousands of years. We will visit a local vineyard and enjoy a tasting of the Muscat and Malvasia wines which are typical of the region before sampling the olive oil. Return to the ship for dinner on board.

Day 8 Rovinj. Sail today to the atmospheric town of Rovinj where the houses inside the old town are small and lean to each other creating a unique atmosphere. Our guided walking tour will include a visit to the town's main landmark, St. Euphemia Church, which is built on the top of a small hill. This Baroque building built in Venetian style was dedicated to the saint and martyr whose sarcophagus, according to a legend, was miraculously washed ashore somewhere around 800 AD. Return to the Princess Eleganza for our farewell dinner on board tonight.

Day 9 Piran & Portoroz, Slovenia. Disembark this morning and drive to Piran, one of the most photogenic cities in the Mediterranean. Influenced by the Venetian Republic, which left its mark on most Istrian towns, Piran has maintained the clustered Medieval structure of narrow winding streets, houses huddled close together and numerous squares and churches. Tartini Square is the gem found in the very centre of the city and was

named after the famous violinist and composer Giuseppe Tartini whose statue is located in the centre of the square. We will enjoy lunch in the town before transferring to the Kempinski Palace Hotel in nearby Portoroz for a three night stay. The remainder of the afternoon and evening is at leisure.

Day 10 Ljubljana & Lake Bled. Today we will explore Slovenia's best-known sites; the capital city and Lake Bled. Both are a wonderful gateway to Slovenian heritage with Ljubljana being one of the best preserved and green capitals in Europe. We will be introduced to its rich past and influences that are still present and will see symbols of socialism in the architecture, although far more of the Baroque era is evident, including beautiful ceramic tiles covering the buildings which snake along Ljubljana's river. After some free time, and lunch in a local restaurant we continue to the mountain resort of Lake Bled where we will have some free time to explore the area known for its glacial lake and Medieval castle.

Day 11 Portoroz. Enjoy a day at leisure to explore independently and enjoy the wonderful facilities of the hotel before meeting this evening for our final dinner.

SUMMER SAILING IN THE CROATIAN ISLANDS

Island hopping along the Croatian Coast aboard the Queen Eleganza

19th to 27th June & 12th to 20th July 2020

Even the most jaded of travellers cannot fail to be won over by the beauty of the Adriatic Coast. The sea is an intense blue and the islands are amazingly picturesque. Mountains sweep down to the sea, islands lace the coast creating endless inviting waterways and channels and on shore there are great historic villages, towns and cities. Whilst Croatia itself is no longer a secret, this unique cruise steers clear of the well-trodden tourist trail and instead heads to some of the quieter spots and out-of-the way beaches and islands which the Croats themselves escape to; places where you can wander the streets away from crowds and where nightlife means a nightcap by the harbour.

As we make our way along the coast we will witness a range of scenic delights from the world-famous Kornati islands to Mljet where we explore the National Park including its beautiful lakes, and the delightful islands of Vis, Hvar and Korcula. In addition to our included guided excursions, we have allowed ample time at leisure and there will also be opportunities to swim from the ship as we call into secluded bays and hidden coves and, taking advantage of our central moorings, to dine ashore and experience the atmospheric ports in their evening splendour.

The Itinerary

Day 1 London to Dubrovnik, Croatia. Fly by scheduled flight and on arrival transfer to the Queen Eleganza. After settling into your cabin, enjoy the welcome cocktail and dinner on board as we moor overnight.

Day 2 Dubrovnik & Mljet. Spend the morning in Dubrovnik, the "Pearl of the Adriatic" where we arrive after lunch. After a short drive to Pile Gate, enjoy a guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza Palace. Sail over lunch to Mljet.

This is one of the few Dalmatian islands that was never ruled by Venice, which is apparent in the architecture and the absence of any sizeable historic town. What it lacks in terms of great architecture it more than makes up for in natural beauty as we will see on our tour to the National Park including its beautiful lakes. This evening take the opportunity to dine in one of the many restaurants ashore.

Day 3 Korcula & Vis. This morning we sail the short distance to Korcula, the reputed birthplace of the explorer Marco Polo. A guided tour will include a walk along Korcula's crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. Return to the

Queen Eleganza and take lunch on board as we sail to Vis arriving late afternoon. Dine ashore this evening in one of the delightful local restaurants.

Day 4 Vis & Hvar. The island of Vis spent much of its recent history serving as a Yugoslav military base, cut off from foreign visitors from the 1950s right up until 1989. This isolation preserved it from development, and today it offers an authentic tranquility and unique beauty. We return to the ship for lunch and hope to spend some time this afternoon at anchor in one of the private bays on the Pakleni Islands, a series of stunning wooded isles located off the coast of Hvar. Take a swim or enjoy the beautiful views before sailing to

Hvar where we take a brief walking tour of the Old Town of Hvar including the main square, which is the largest piazza in Dalmatia, the cathedral, the Franciscan Monastery and the Benedictine Nunnery, where we hear about the aloe lace still produced today by the nuns. Dinner will be served on board this evening.

Day 5 Krka Waterfalls. After a morning cruising we arrive in the early afternoon in Sibenik, our base for a visit to the majestic waterfalls of Krka. We will take a guided walk on wooden walkways and across bridges through this unique fjord like landscape with its multiple waterfalls and interesting flora and fauna. Return to Sibenik and maybe stroll to the Cathedral of St.

Korcula

Kornati Islands

Zadar

Vis

Hvar

James and the St. Nicholas Fortress before taking the opportunity to dine independently tonight in one of the local restaurants.

Day 6 Kornati Islands & Zadar.

Spend the morning sailing by the islands that make up the Kornati archipelago, a wonder of natural beauty, coves and clear blue waters. George Bernard Shaw fell in love with the islands saying "On the last day of Creation God desired to crown His work, and thus created the Kornati islands out of tears, stars and breath." We hope to stop at one of the islands for a swim before continuing to Zadar. Once a dominant city on the Adriatic coast rivalling Venice, Zadar is today a treasured city which has preserved its historical core. Enjoy an afternoon walking tour strolling around the old town with its Roman columns and portals, Romanesque churches and Renaissance and Baroque palaces.

Of particular interest are the 9th century circular Church of St Donat, and the 13th century Romanesque cathedral. In the evening we have the chance to dine in one of the many restaurants in Zadar as we moor overnight.

Day 7 Pag & Mali Losinj. Today we experience the benefits of our small ship as we call at two of the lesser visited islands of the area. This morning we hope to stop at the island of Pag for a morning swim. Later today enjoy some free time in the picturesque town of Mali Losinj, often referred to as the prettiest port in the Adriatic with 19th century sea captains' houses lining the seafront and a charming historic quarter surrounded by green hills. Enjoy dinner on board this evening.

Day 8 Unije & Opatija. Sailing over breakfast we hope to stop this morning for a swim off the island of Unije before we continue

our journey to Opatija. Arrive this afternoon and take a guided walk through the town before returning to the ship for the farewell dinner this evening.

Day 9 Opatija to London.

Disembark after breakfast and transfer to Zagreb airport for your scheduled flight to London.

A cruise along northern Croatia's Istrian Coast & Kvarner Bay aboard the Queen Eleganza

27th June to 5th July 2020

Join us for an eight night exploration of the beautiful Istrian coast combined with visits to the region's bucolic interior of rolling hills, fertile plains and hilltop villages whilst accompanied by a small group of like-minded travelers.

We will discover the charming island of Mali Losinj, the fascinating Brijuni Islands and travel inland to an area of disarming beauty where we explore the village of Motovun in the middle of truffle territory, which has arguably the best views of the Istrian interior from its ramparts. Whilst in Pula, we will visit one of the best preserved Roman amphitheatres in the world and the strong Venetian influence on the region will be evident during our exploration of Cres. For those who enjoy discovering Medieval towns, exploring Roman sites and cruising amongst some of the world's most beautiful coastal scenery this itinerary will surely appeal.

Istria is acclaimed for its gastronomy and we will enjoy some lunches ashore to experience the local cuisine as well as visits to some vineyards to taste the wines typical of the area. SUMMER IN CROATIA

Island Hopping along the Croatian Coast aboard the Princess Eleganza

2nd to 11th August 2020

This heady mix of islands and ports represents a fascinating itinerary combining as it does some ‘must see’ sites together with little known places that are a world away from the well-trodden tourist trail along with quiet spots and out-of-the way beaches which the Croats themselves escape to. As we make our way along the coast we will witness a range of scenic delights including the world-famous Kornati Islands and the delightful islands of Vis, Hvar and Korcula to name but a few. In addition to our included guided excursions, we have allowed ample time at leisure and there will also be opportunities to swim from the ship as we call into secluded bays and hidden coves and, taking advantage of our central moorings, to dine ashore and experience the atmospheric ports in their evening splendour.

The Itinerary

Day 1 London to Opatija, Croatia.

Fly by scheduled flight to Zagreb and transfer to the Princess Eleganza moored in Opatija. After settling into your cabin, enjoy the welcome cocktail and dinner on board. We will moor overnight allowing time to enjoy an after dinner walk in this genteel resort.

Day 2 Rab.

We sail during breakfast for the island of Rab stopping for a swim on the way should the conditions allow. Arriving this afternoon we will enjoy some time at leisure and an early evening guided walk through the picturesque Old Town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. We have the opportunity this evening to dine ashore and sample one of the many local restaurants and we will remain moored overnight in the harbour.

Day 3 Pag & Zadar.

This morning we cruise towards Zadar stopping at the island of Pag for a morning swim. Once a dominant city on the Adriatic coast rivalling Venice, Zadar is today a treasured city which has preserved its historical core.
