EMPIRES OF THE DANUBE

A JOURNEY FROM REGENSBURG TO BUCHAREST
ABOARD THE MS RIVER CROWN

5TH TO 19TH OCTOBER 2027

NOBLE CALEDONIA

Flowing from the Black Forest of Germany through to the Black Sea, the Danube River has always played a key role in the history of Europe. At times this mighty river has been an important border to great civilisations, and at others it has been the lifeblood of the many cultures and peoples that have settled along its banks over the millennia. It is therefore no surprise that the Danube of today is one of the richest and most culturally diverse areas of Europe, formed by centuries of migration and conflict in the region. Our early autumn river journey through the heart of Europe visits seven countries: Germany, Austria, Slovakia, Hungary, Serbia, Bulgaria and Romania and during our two-week cruise we will explore the impressive imperial cities, witness some picturesque scenery and discover unique cultures that can be found along the banks of the Danube.

We will navigate this important river between the romantic city of Regensburg in the west to Romania in the east aboard the elegant 100-passenger MS River Crown and from the great comfort of our vessel we will travel effortlessly, enjoying the varied scenery and architecture whilst learning about the rich history and culture of the region. The combination of the fascinating history of this cultural crossroads, picturesque riverside and inland towns with wine tasting and folklore along the way makes for a most rewarding trip. Our included tours with excellent local guides, together with interesting talks by our Guest Speaker will bring the region to life as we sail along the majestic Danube.

THE ITINERARY

Day 1 London to Regensburg, Germany. Fly by scheduled flight to Munich. On arrival transfer to the MS River Crown in Regensburg. Moor overnight.

Day 2 Regensburg. This morning, we begin our journey along the Danube in the former imperial city of Regensburg. The city was once a major political and economic centre of the Holy Roman Empire, with its Medieval centre recognised as a UNESCO World Heritage Site. Join a guided stroll around the historic city and see the highlights such as the Old Town Hall and the city centre. We will see the twin spired Cathedral Dom St Peter, as well as the Thurn and Taxis Palace, a former Abbey and home of the Taxis family who played a major role in the history of the Holy Roman Empire and the German state. Return to the ship for lunch and enjoy an afternoon at leisure to explore further at your own pace.

Day 3 Passau. This morning, we arrive in Passau, where the Inn and Ilz rivers join the Danube. The city was home to a bishopric since late antiquity, with its Bishops eventually being elevated as Princes under the Holy Roman Empire. Our guided walking tour will include the old town of this Bavarian city and the breathtaking Cathedral of St Stephen which contains one of the world's largest church pipe organs. Spend some time exploring independently after lunch, before sailing in the late afternoon toward the Austrian border.

Day 4 Linz, Austria for Salzburg or Cesky Krumlov, Czech Republic. Arrive in Austria overnight and moor in the city of Linz from where there will be a choice of guided tours today. Enjoy a trip to the exquisite town of Cesky Krumlov, once a key city in the Bohemian Kingdom, which rose to prominence under the Holy Roman Empire and was later subordinate to the Austro-Hungarian Empire. Today the town remains one of the most picturesque Medieval centres in Europe. We will visit the stunning castle and take a walking tour of the Old Town, followed by some free time to explore at leisure. Alternatively, take the opportunity to join a full day tour to Salzburg, birthplace of Mozart and famous for its architectural treasures and music festival. Our guided excursion will concentrate on Mozart's family and his musical contemporaries. After lunch in a local restaurant, we will enjoy a special concert of music by Salzburg's most famous son before returning to the MS River Crown in the late afternoon.

Day 5 Vienna. Arrive this morning in Vienna, our base for the next two days. This beautiful city has a storied history, from its origins as a Roman colony to the capital of the Austro-Hungarian Empire. After breakfast there will be a choice of tours. A city tour of Austria's elegant capital will take us around the

famous Ringstrasse and the Old Quarter including St Stephen's Cathedral. Alternatively, travel to the Vienna Woods, including a visit to the Mayerling hunting lodge, where scandal once rocked the Habsburg royal family, as well as the Cistercian Abbey of Heiligenkreuz. After lunch on board, you can enjoy an afternoon at leisure to explore this majestic city further independently.

Day 6 Vienna. After breakfast join a tour to see Schonbrunn Palace and Gardens, the favourite summer residence of Empress Maria Theresa. Originally constructed as a hunting lodge for the royal family, the palace has expanded and evolved over the centuries to become the Baroque masterpiece that exists today. Explore the opulent rooms of the palace and learn about the Habsburg monarchs. Following your palace tour, enjoy some free time to take a stroll around the beautiful gardens before returning to the MS River Crown for lunch. Enjoy the remainder of the afternoon at leisure.

Day 7 Bratislava, Slovakia. Bratislava is one of the youngest capitals in Europe and during the time it was called Pressburg or Pozsony it was one of the most important cities in the Austro-Hungarian Empire. Its location on the banks of the River Danube and at the crossroads of ancient trading routes, right at the heart of Europe, predestined it to become a meeting point of various cultures. The reign of Maria Theresa is regarded as a golden era in the city's history. During our guided city tour we will visit 13th century Bratislava Castle which sits on a hill 80 metres above the Danube. Here we can see the Historical Museum before strolling through the elegant Baroque gardens. We also visit St Martin's Cathedral which was built in the 13th century and served as the coronation church of Hungarian royalty. Sail this afternoon along the borders of Slovakia on the north bank of the river, and Hungary on the south bank.

Day 8 Budapest, Hungary. Today we visit the 'Queen of the Danube', Budapest. The twin cities of Buda and Pest have flourished on the crossroads of empires. Control of Budapest has shifted many times over the centuries, from the Magyar kingdoms to the Ottoman Empire, and the Austro-Hungarian Empire. Explore this beautiful and historic city on a morning excursion that will include the old quarter, the Matthias Church and the Fishermen's Bastion. Return to the ship for lunch before joining an excursion out of the city to the Baroque Gödöllő Palace, which was offered to Emperor Franz Josef and Empress Elizabeth as a coronation gift. Alternatively, enjoy an afternoon at leisure to explore at your own pace. After dinner this evening, join your fellow travellers on deck to enjoy the wonderful "Budapest by Night" sailing as we depart.

Day 9 Mohacs. Spend a leisurely morning sailing downstream to Mohacs. After lunch we will depart for a tour of the city of Pecs which enjoys a fine position on the slopes of the Mecsek Hills. Our guided tour of the city will feature the sites associated with the city's Roman, Ottoman, and Hapsburg past, as well as the splendid Pecs Cathedral where we will listen to the sound of its organ.

Day 10 Novi Sad, Serbia. Today we will arrive in Novi Sad, an important Serbian trading hub that sprang up in the shadow of the Petrovaradin Fortress during its time under Habsburg Control. Following the destruction of the three main bridges by the NATO bombing campaign in 1999, the city of Novi Sad, in the Serbian northern province of Vojvodina, has returned to normal after much rebuilding. The city is rich in historic buildings including the fortress, Bishop's House, Clock Tower and numerous churches, some of which will be seen on our morning tour. Our exploration of Greater Novi Sad includes a wine tasting in nearby Sremski Karlovic, where we sample some excellent wines of the former Yugoslavia.

Day 11 Belgrade. Spend the morning in Belgrade where a half day tour highlights the city's main attractions, including the Kalemegdan fortress as it looms over the confluence of the Sava and Danube rivers. A fortress has stood on this site since antiquity and was occupied by the Byzantine Empire until it was taken by the Ottomans in the 15th century. During our tour we will also visit Saint Sava Cathedral, the largest Orthodox Church in the world, and Tito's Memorial. Our tour will finish with a superb local folklore performance before returning to the ship. Spend the afternoon sailing along the Danube.

Day 12 Cruising the Iron Gates. Today the scenery becomes truly spectacular as you cruise through the Iron Gates, a narrow gorge between the Carpathian and Balkan Mountains that has formed a natural border to many nations and states along the Danube.

Day 13 Vidin, Bulgaria. Arrive today in the Bulgarian port of Vidin. From here we will drive to Belogradchik which is located close to the Serbian border. The Belogradchik Rocks are a famous Bulgarian beauty spot. The sandstone has been weathered into all manner of bizarre shapes and housed amongst the rocks, is an Ottoman fort, built on the remains of a Roman structure. Return to the ship for lunch and this afternoon we visit

Vidin for a performance by the wonderful Vidin Symphonic Orchestra in the Philharmonic concert hall.

Day 14 Veliko Tarnovo. Arrive in Nikopol, from which we depart by coach for a full day tour to Veliko Tarnovo, the capital of the Second Bulgarian Kingdom from 1187 to 1393. The city formed a natural fortress, located on three hills surrounding the Yantra River. A palace, fortifications and churches were built into the terrain. Across the river, ancient stone houses seemingly perched on top of each other rise up the steep riverbank. After lunch in a local restaurant visit the museum town of Arbanassi, famous for its 17th and 18th architecture and the unique Church of the Nativity of Christ. Rejoin the ship in Rousse and enjoy a farewell dinner. This evening the ship will cross the river into the Romanian port of Giurgiu and moor overnight.

Day 15 Bucharest, Romania to London. Disembark this morning in Giurgiu and transfer to Bucharest Airport for our scheduled flight to London.
