FROM THE BLACK SEA TO AMSTERDAM

A 23 night river cruise across Europe aboard the Amadeus Elegant
22nd June to 15th July 2018

NOBLE CALEDONIA

Join us aboard the Amadeus Elegant on this ultimate European journey, a truly fascinating voyage along the Danube, Main and Rhine Rivers all the way from the Black Sea to Amsterdam. Our elegant floating hotel carries us through historical and cultural delights as we traverse nine countries and travel more than 2200 miles over the course of 23 nights.

If you have never experienced a river journey it is difficult to explain the sheer pleasure that comes from travelling across Europe observing everyday life on the banks of the Danube, Main and Rhine rivers. You can let the world slip by as you relax on the Sun Deck or in the Lounge and delight in awe-inspiring panoramic views of the passing scenery. Guided excursions with excellent local guides and interesting talks by our Guest Speaker will create an enjoyable, informative and lively atmosphere on board as we sail along the European waterways. Each port of call has its own unique character waiting to be discovered whilst on one of our guided excursions.

From historic locations to iconic buildings, our itinerary is brimming with highlights including the scenic beauty of the Kazan Gorge as we cruise through the spectacular Iron Gates, the grand cities of Budapest and Vienna and the picturesque towns along the Rhine including Miltenberg and Rudesheim.

THE ITINERARY

Day 1 London to Bucharest to Fetesti, Romania. Fly by scheduled flight to Bucharest. On arrival transfer to the port of Fetesti (2.5 hours approx.) and embark aboard the Amadeus Elegant. Sail this evening.

Day 2 Danube Delta. From our mooring in St George we will visit the Danube Delta, one of the most important wetlands left in Europe, for a boat trip to explore the delta with its vast and varied birdlife. This evening enjoy Welcome Drinks and Dinner on board.

Day 3 Bucharest. Arrive this morning in the stunning city of Bucharest. We will explore the main sights of the city and see the boulevards with their decidedly French style. After lunch in a local restaurant there will be a choice of afternoon visits. You may choose to visit the Parliament Palace, the second largest administrative building in the world at 3.77 million square feet. This gargantuan construction is Ceausescu's most infamous creation and makes for a fascinating tour. Alternatively, you may prefer to visit the unique Village Museum, an open-air ethnographic museum located in the Herastrau Park, showcasing traditional Romanian village life. Afterwards, rejoin the vessel in Oltenita and sail to Rousse for an overnight mooring.

Day 4 Veliko Tarnovo, Bulgaria. This morning enjoy a tour to the city of Veliko Tarnovo, the capital of the second Bulgarian Kingdom from 1187 to 1393. After lunch at a local restaurant, visit the museum town of Arbanassi. Rejoin the vessel in Nikopol and sail.

Day 5 Cruising through the Iron Gates. Today the scenery becomes truly spectacular as we cruise through the Iron Gates, a narrow Danube gorge between the Carpathian and Balkan Mountains.

Day 6 Belgrade, Serbia. A half day tour highlights the city's main attractions, including the Kalemegdan fortress as it looms over the confluence of the Sava and Danube rivers, Saint Sava Cathedral, being the largest Orthodox Church in the world and Tito's memorial. Our time here will end with a rendition by a splendid local folklore group, with accompanying local drinks and canapes.

Day 7 Vukovar, Croatia. The city is known for the 87 day 'siege of Vukovar' between August and November 1991. At the time, it was the fiercest and most protracted battle seen in Europe since 1945 and reminders of the atrocities committed can still be viewed throughout the town including the shelled and disfigured water tower that stands despite the artillery barrages that were targeted against it. During our visit we will learn much about Croatia's largest river port and also spend time at the inspirational Vukovar Municipal Museum which won the Silletto prize as European Museum of the year in 2016.

Day 8 Pecs, Hungary. Lying between the Danube and Drava Rivers in southern Hungary, the historic city of Pecs enjoys a fine position on the slopes of the Mecsek Hills. Our afternoon excursion which departs from Mohacs will feature the sites associated with the city's Roman Ottoman Hapsburg past.

Day 9 Kalocsa. Arrive today in charming Kalocsa, renowned for its paprika production. A tour of the Puszta district will include the town, followed by a spectacular display of Hungarian horsemanship at the Bakodpuszta Equestrian Centre. Cruise to Budapest where we will arrive late this evening.

the Matthias Church and the Fisherman's Bastion. This afternoon will be at leisure to relax on board or to explore Budapest further at your own pace. Moor overnight.

Alternatively, spend a full day in Budapest exploring independently the delights of this historic city. After dinner be out on deck to enjoy a spectacular sailing of 'Budapest by Night', a final chance to see this beautiful city's night lights as we sail on to our next port of call.

Return to the Amadeus Elegant for lunch after which depart for a visit to the wonderful Schonbrunn Palace and Gardens, the favourite summer residence of Maria Theresa.

Day 14 Wachau Valley & Melk. Today, we will enter the stunning Wachau Valley. Our vessel will sail through to Durnstein, where King Richard the Lionheart was imprisoned. Here we will have a guided tour, followed by time at leisure. Sail on to Melk where we moor under the shadow of the great Baroque Abbey, situated on a cliff high above the Danube and enjoy a guided tour of the Abbey.

Day 15 Passau, Germany. Arrive this morning in Passau, where the Inn and Ilz rivers join the Danube. Our guided walking tour will include the old town of this Bavarian city and the breathtaking Cathedral of St Stephan which contains one of the world's largest church pipe organs. Enjoy an organ recital before returning to the vessel for lunch. The afternoon is at leisure in Passau before we cruise to Regensburg.

Arriving at the historic town of Regensburg, our guided tour will include highlights such as the Old Town Hall, the World Heritage listed city centre and the Romanesque Porta Praetoria. We will then be entertained by the local Domspatzen Quartet with a concert in one of the local churches.

Day 17 Nuremberg. We continue cruising through the highest point of any commercial waterway in Europe, 1332 feet above sea level to the city of Nuremberg. The long and sometimes troubled history here has left its mark on the city and there will be plenty to discover during our tour. Visit the World War II sites, including the Reich Party Rally Grounds and discover the city's spectacular Medieval architecture, including the 900 year-old ramparts that surround the city, the courts of justice and more.

Day 18 Bamberg. Located at the Main-Danube Canal, we will arrive into Bamberg, one of Germany's most beautiful and historic towns. There will be ample time to tour and explore this Bavarian municipality, whose centre has been awarded UNESCO World Heritage status.

Day 19 Wurzburg. Arrive today in historic Wurzburg. Our tour of this lovely town includes the magnificent Prince Bishop's Residenz Palace whose interiors are considered to be exquisite examples of Baroque/Rococo or Neoclassical architecture and art and includes the grand staircase, with its wonderful frescoes.

BUCHAREST PRE-CRUISE EXTENSION

19th to 22nd June 2018

Bucharest, in southern Romania, is known for its wide, tree-lined boulevards, glorious Belle Epoque buildings and a reputation for the high life (which in the 1900s earned its nickname of "Little Paris"). During our stay in this dynamic and fascinating capital, we will visit highlights such as "Old Bucharest" in the nearby historic Lipschani district. We will also spend a day outside of the city to visit the mysterious Snagov Monastery – situated north of Bucharest on an island in the middle of Snagov Lake, and said to be the burial place of the Prince of Wallachia, Vlad Tepes III, a folk hero in Romania - revered for his leadership and fierce protection of his subjects in the north and south of the Danube. It is believed that Vlad's decapitated body was found in the woods around Bucharest by the monks of the Snagov monastery and brought here to be buried. We will also visit Mogosoia Palace, with its notable architectural influences from the Venetian and Ottoman eras. Your accommodation will be at the four-star Park Inn by Radisson, a comfortable and centrally located hotel which is ideal for our tours and also for individual exploration.

THE ITINERARY

Afterwards we will have lunch in "Carul cu Bere", Bucharest's oldest beer house, with its colourful belle epoque interior, stained-glass windows and classic Romanian fare. After lunch depart for the Primaverii Palace, the former private residence of the Ceausescu family. Each room of the house received lavish attention to detail and during our tour we will learn more about the life of this most infamous Romanian dictator.

Day 3 Bucharest - Snagov - Mogosoia (100 Km). This morning we will depart for our visit to Snagov Monastery which was founded

in 1408 by Mircea the Elder, Vlad Dracul's grandfather.
