Brijuni Islands National Park

Vineyard in the Momjan region

Mali Losinj

For those who enjoy cruising amongst some of the world's most beautiful coastal scenery, swimming in calm blue waters and exploring Medieval harbours and picturesque villages with a small group of like-minded travellers, our eight night journey along the Istrian coast will surely appeal. With just 36 guests on board, the Queen Eleganza has the advantage of being able to dock centrally in towns and call into secluded bays and hidden coves enabling us to explore parts of the Istrian coast, and islands in Kvarner Bay, that passengers aboard the large cruise ships in the region rarely get to visit.

As we make our way along the coast we will witness a range of scenic delights including the charming island of Mali Losinj, the fascinating Brijuni Islands and the ancient town of Porec. Whilst in Pula, we will visit one of the best-preserved Roman amphitheatres in the world and the strong Venetian influence on the region will be evident during our exploration of Cres. We will also travel inland to an area of disarming beauty characterised by fertile valleys with hilltop villages. Here we explore the village of Motovun, in the middle of truffle territory, which has arguably the best views of the Istrian interior from its ramparts.

Istria is often acclaimed for its gastronomy and we will enjoy some lunches ashore to experience the local cuisine as well as a visit to a vineyard to taste the wines typical of the area. In addition to our included guided excursions, we have allowed ample time at leisure taking advantage of our central moorings, to dine ashore and experience the atmospheric ports in their evening splendour.

The Itinerary

Day 1 London to Opatija, Croatia. Fly by scheduled flight to Zagreb and transfer to the Queen Eleganza in Opatija. After settling into your cabin, enjoy welcome drinks and dinner. We will moor overnight allowing time to enjoy an evening walk in this genteel resort. (D)

Day 2 Rab. We sail during breakfast for the island of Rab. This afternoon we will enjoy some time at leisure and an early evening guided walk through the picturesque Old Town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. We have the opportunity this evening to dine ashore and sample one of the many local restaurants and we will remain moored overnight in the harbour. (B, L)

Day 3 Mali Losinj. Spend a relaxing morning on board as we sail to another of Croatia's charming islands. Arrive this afternoon at Mali Losinj which sits at the foot of a protected harbour on the southeast coast of Losinj Island. It is the island's mild climate and rich flora that gave Mali Losinj its reputation as one of the most fragrant islands in Croatia; its air is scented with lavender, sage and rosemary. The seafront of old town

Mali Losinj is lined with a string of imposing 19th century houses and villas. Dine ashore tonight in this stunning location. (B, L)

Day 4 Cres. During breakfast we will cruise to the nearby island of Cres, mooring in the sheltered scenic Medieval harbour at Cres Town. Enjoy a walk through the atmospheric streets which have a strong Italian feel having been under Venetian rule in the 15th and 16th centuries. We will continue to the former fort city of Lubenice. Situated on a cliff 378 metres above the sea we will explore the fortress, city gates, houses, chapels and winding streets of this evocative site and enjoy the stunning views over the bay below. Dine ashore this evening and perhaps take a stroll along the seaside promenade. (B, L)

Day 5 Pula. Today we arrive at the tip of the Istrian Peninsula and the former Roman settlement of Polensium, now known as Pula. On an afternoon tour we will discover one of the best preserved Roman amphitheatres left in the world. The Arena, built in the 1st century AD was designed to host gladiatorial contests with seating for up to 20,000 spectators. Exploring the town further we will see the varied architecture

from Baroque palaces, Christian churches and Austrian villas. Enjoy dinner on board tonight. (B, L, D)

Day 6 Brijuni Islands & Porec. The 14 islands of the Brijuni comprise one of Croatia's National Parks and were once the summer retreat of former Yugoslav leader, Tito. Between 1947 and 1980 he spent up to six months a year in the islands. On a morning excursion we will explore Veliki Brijun including the 1st century Roman Villa, the nine hectare safari park created by Tito to house the exotic animals gifted to him by world leaders and the Church of St Germain. Later, we will sail up the Istrian coast to Porec where we will discover the compact old town on a walking tour and visit the 6th century Euphrasian Basilica, a World Heritage Site and one of Europe's finest intact examples of Byzantine art. The basilica, atrium, baptistery and episcopal palace are outstanding examples of religious architecture. Enjoy dinner ashore tonight as we remain moored overnight. (B, L)

Day 7 Motovun & Momjan. Today we will travel to the Istrian interior, an area famed for its picturesque villages, vineyards producing fine Malvasia and Teran wines and the forests that produce Istrian white truffles. On a morning walking tour we will explore Motovun which is perched on a hill in the Mirna River Valley with its Romanesque-Gothic bell tower, the Renaissance Church of St Stephen designed by Andrea Palladio and the charming central square. After a lunch of local specialities we will head

into the agricultural area around Momjan where some of Croatia's finest olives and vines have been grown for thousands of years. We will visit a local vineyard and enjoy a tasting of the Muscat and Malvasia wines which are typical of the region before sampling the olive oil. Return to the ship for dinner on board. (B, L, D)

Day 8 Rovinj. Sail today to the atmospheric town of Rovinj where the houses inside the old town are small and lean in to each other creating a unique atmosphere. Our guided walking tour will include a visit to the town's main landmark, St Euphemia Church, which is built on the top of a small hill. This Baroque building built in Venetian style was dedicated to the saint and martyr whose sarcophagus, according to a legend, was miraculously washed ashore somewhere around 800 AD. Return to the Queen Eleganza for our farewell dinner on board tonight. (B, L, D)

Day 9 Rovinj to London. Disembark this morning and transfer to Pula for our scheduled flight to London. (B)
