# ISLAND HOPPING IN DALMATIA

A voyage exploring Croatia's beautiful coast & islands  
aboard the Queen Eleganza

31<sup>st</sup> May to 9<sup>th</sup> June, 9<sup>th</sup> to 18<sup>th</sup> June\* &  
27<sup>th</sup> September to 6<sup>th</sup> October 2027

NOBLE CALEDONIA

For those who enjoy cruising amongst beautiful coastal scenery, swimming in clear blue waters and exploring little-known fishing ports and ancient towns with a small group of like-minded travellers, this nine night journey through Croatia's Dalmatian Islands will surely appeal. Whilst Croatia itself is no longer a secret, Dalmatia offers a great concentration of the country's highlights and this unique cruise steers clear of the well-trodden tourist trail. Instead we will head to some of the quieter spots and out-of-the-way beaches and islands which the Croats themselves escape to; places where you can wander the streets away from crowds and where nightlife means a nightcap by the harbour.

We begin in the Medieval walled city of Dubrovnik, well deserving of its status as a UNESCO World Heritage Site, before our first port of call on the island of Korcula with its atmospheric Old Town and charming waterfront restaurants. We will then make our way along the coast and discover beautiful locations such as Bol, close to the stunning Zlatni rat beach, tranquil Maslinica with just 208 inhabitants, and Primosten with its enchanting old town on a picturesque peninsula. Continuing on we discover the natural beauty of Telascica National Park and the charming island of Mali Losinj before enjoying some time in picturesque Rab. Our final afternoon will be spent exploring Opatija, a hidden gem with its 19th century architecture and grand villas and a fitting end to our voyage.

With just 36 guests on board we will be able to explore parts of the coast that most cruise ship passengers in the region rarely get to visit and, taking advantage of our central moorings, you will be able to sample the wonderful gastronomy and experience the enchanting towns and harbours in their evening splendour. In addition to our included guided excursions, we have allowed ample time at leisure and there will also be opportunities to swim from the ship as we call into secluded bays and hidden coves.

## The Itinerary

**Day 1 London to Dubrovnik, Croatia.** Fly by scheduled flight. On arrival transfer to the Queen Eleganza. Enjoy a welcome dinner on board this evening. (D)

**Day 2 Dubrovnik & Korcula.** Spend the morning in Dubrovnik, the "Pearl of the Adriatic". After a short drive to Pile Gate, we will begin our guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan monasteries, and the Sponza Palace. Return to the Queen Eleganza for lunch as we set sail for Korcula, arriving later this afternoon. Dine ashore this evening in one of the many restaurants in the Old Town as we moor overnight. (B, L)

**Day 3 Korcula & Bol, Brac.** Korcula is the reputed birthplace of the explorer Marco Polo, and this morning spend some time on a walking tour along the crooked Medieval streets of the Old Town and the elegant squares which are flanked with palaces of the old nobility. Sail at lunchtime and spend a relaxing afternoon at sea as we head to our next port of call, Bol, on the island of Brac, arriving this afternoon. We will moor overnight, allowing for the opportunity to dine ashore independently this evening. (B, L)

**Day 4 Bol & Maslinica, Solta.** This morning is free to explore the attractive old town of Bol, or head to one of the nearby beaches for a swim, including Zlatni rat, arguably one of the most beautiful beaches in Croatia. Spend the afternoon at sea, arriving at Maslinica on the island of Solta later this afternoon. Dine on board this evening as we moor overnight in this peaceful locale. (B, L, D)

**Day 5 Maslinica & Primosten.** Spend the morning in Maslinica. This tranquil village, home to just 208 inhabitants, is well off the beaten track and is an idyllic spot for a morning stroll or a swim. Sail at lunchtime and relax on board this afternoon as we head towards our next port of call, Primosten, on the Croatian mainland. We will moor overnight, allowing the opportunity to enjoy dinner ashore in one of the many local restaurants. (B, L)

**Day 6 Primosten & Dugi Otok.** This morning join a walking tour of this pretty little town, originally an island and later connected to the mainland by a causeway, and dominated by the church of St George which dates from 1485. Depart at lunchtime and spend a relaxing afternoon on board as we cruise through the Kornati Islands towards Sali on the island of Dugi Otok where we will moor overnight. Enjoy a barbecue dinner on board this evening. (B, L, D)

**Day 7 Telascica National Park & Mali Losinj.** Telascica Nature Park is a beautiful area of islands, islets, rugged cliffs and coves which are home to many endemic plants. Enjoy a guided walk through the park and around the lake before returning to the Queen Eleganza. Spend the afternoon at sea as we sail northwards towards Losinj Island, where we will moor in the picturesque harbour town of Mali Losinj. Dine ashore this evening in one of the many restaurants that line the promenade as we moor overnight. (B, L)

**Day 8 Mali Losinj & Rab.** It is the mild climate and rich flora that give Mali Losinj its reputation as one of the most fragrant islands in Croatia; its air is

scented with lavender, sage and rosemary. There will be some time this morning to explore the old town which is lined with a string of imposing 19th century houses and villas. Sail this afternoon to the island of Rab where we will dock later this afternoon. This evening you can sample one of the many local restaurants before we moor overnight. (B, L)

**Day 9 Rab & Opatija.** A morning walking tour of Rab will take us through the picturesque Old Town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. Sail over lunch and, after a final afternoon cruising we will arrive in Opatija late this afternoon. Enjoy our farewell dinner on board this evening. (B, L, D)

**Day 10 Opatija to London.** Disembark this morning and transfer to Zagreb airport for our scheduled flight to London. (B)

\*Please note that the 9th June 2027 departure operates in the reverse direction to that shown, from Opatija to Dubrovnik. Full itinerary can be viewed on our website.
