ISLAND HOPPING IN THE CANARY ISLANDS & CAPE VERDE

DISCOVER THE ATLANTIC ARCHIPELAGOS
ABOARD THE MS HEBRIDEAN SKY

4TH TO 16TH JANUARY & 16TH TO 28TH JANUARY* 2022

NOBLE CALEDONIA

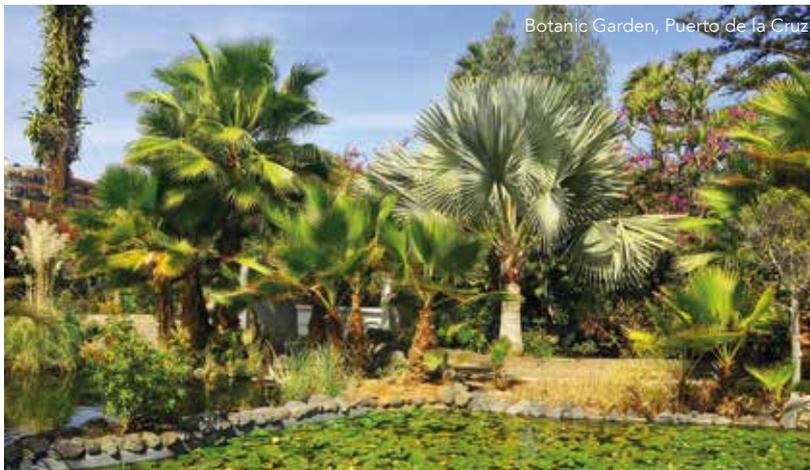

Join us aboard the MS Hebridean Sky for this wonderful island hopping itinerary visiting the diverse islands of the Atlantic with their mountainous landscapes, intriguing topography, lunar like landscapes, verdant pine forests and stunning national parks. Every new day brings a different vista and in the company of just 100 like-minded travel companions, we will be able to fully explore the dramatic beauty and cultural vibrancy of these amazingly varied groups of islands.

We will begin our voyage in the Canary Islands and during our four days of exploration here will visit Santa Cruz de Tenerife, where there will be the opportunity to explore the beautiful gardens of the city and spectacular Mount Teide. We also discover the lesser known islands of El Hierro, La Gomera and La Palma where we can enjoy nature at its very best. These volcanic islands impress with their unique flora and fauna and boast rugged, rocky landscapes, evergreen cloud forests, metre-high ferns and bizarre-looking dragon trees. After a relaxing two days at sea we arrive in our next island group, the remote and intriguing Cape Verde archipelago whose islands have been used by mariners as a staging post through the ages, and there is no better way to explore their dramatic beauty and cultural vibrancy than by small ship. Each island is a little world of its own; some are arid and flat with extraordinary beaches and sand dunes whilst others by contrast are more mountainous and verdant.

Cape Verde and the Canary Islands have something to appeal to everyone and we have therefore designed our itinerary to offer a choice of excursion, or time at leisure to explore independently at each port of call. Whether your interests lie in gardens, geology or walking, we are confident that you will find this cruise the perfect antidote to the cold and grey skies at home.

The Itinerary

Day 1 London Heathrow to Tenerife, Canary Islands. Fly by exclusively chartered British Airways flight. On arrival transfer to the MS Hebridean Sky in Santa Cruz where we moor overnight.

Day 2 Tenerife. This morning will be dedicated to gardens. We will start with a visit to the Jardín Botánico that was founded in 1788 by Charles III of Spain. The purpose of the gardens was to create an area where the plants, shrubs and flowers brought back from the New World could acclimatise to Spanish soil. Many of the plants are the original specimens brought back for the opening of the gardens including the centrepiece, an enormous South American fig tree. In contrast to the Botanical Gardens, we will then explore the Sitio Litre Garden which boasts a luscious orchid collection. After lunch on board we will drive inland, along the base of the mountain range through beautiful pine forests to the Parque Nacional del Teide. The area was declared a National Park in 1954 and includes 14 species of plants found nowhere else in the world. Geologically the park is fascinating; of the many different types of volcanic formations examples of more than 80 percent can be found here. Alternatively, there will be a full day tour to Mount Teide on offer for those feeling active who may

wish to enjoy a challenging hike, accompanied by a local guide, through this spectacular landscape.

Day 3 El Hierro. Probably the least known of the Canary Islands, and once considered to be the end of the world, El Hierro is unique and utterly captivating. On our morning island tour it will be impossible not to be entranced by the island's slow pace and simple style; by its craggy coast, where waves hurl themselves against lava sculpted rock faces; by the pretty farmland and flower meadows of the interior; by the eerily beautiful juniper groves; and by the desolate volcanic Badlands that stretch out like moonscapes in the south. We will also have the opportunity to sample some of El Hierro's excellent wine and visit the lizard house where the island's unique giant lizards are bred; near extinction, they are protected by international law. Alternatively, opt for the La Llanía hiking excursion which will take us through primeval forests, along ancient cisterns and mythical witches dance floors to El Hierro's top viewing point affording spectacular views of the western parts of the island. Return to the ship for lunch and the afternoon will be free to explore at leisure or relax on board.

Day 4 La Gomera. La Gomera is a paradise of natural beauty with lush valleys and awe-inspiring cliffs

dotted with charming, whitewashed villages and gives the impression of being lost in a time warp. On a full day tour we will explore the island including the Garajonay National Park, home to the world's only surviving laurel forest and visit the villages of Hermigua, Agulo and Las Rosas before making our way to a local restaurant for lunch. Before returning to the ship experience a demonstration of Silbo Gomero, the island's unique whistling language, and visit the magnificent rock formations of Agando. Alternatively, you may wish to join a guided morning trek through the Garajonay National Park commencing in the village of El Cedro which offers some interesting examples of Canarias architecture. Return to the ship for lunch and the afternoon will be at leisure for individual exploration.

Day 5 La Palma. Spend the morning on La Palma, which is known by locals as the 'Beautiful Island', and it is easy to see why. It is a stunning, peaceful and most importantly an un-spoilt destination that has deservedly been declared a UNESCO biosphere reserve. This morning drive inland to the beautiful village of El Paso and visit the Silk Museum. This is the only place in Europe where the 500-year-old tradition and processes have been preserved. From here we will continue onto the Caldera

de Taburiente, a massive eight kilometre wide depression that scientists agree was a majestically tall volcanic mountain that collapsed on itself. Explore on foot and whilst all may seem stoic and still, the forces of erosion are hard at work and some geologists estimate that it will finally disappear in just 5000 years. Alternatively, for those who would prefer a more energetic excursion there will be a guided trek on offer through the El Pilar area; see remains of volcanic eruptions, the magnificent views of the Valley of Aridane and the crater wall that surrounds the Taburiente National Park. Spend the afternoon at sea as we start our journey towards the Cape Verde Islands.

Days 6 & 7 At Sea. Spend two days relaxing at sea as we sail to the Cape Verde Islands. Maybe join one of the onboard lectures, enjoy a book in the library or find a spot on deck.

Day 8 Sal, Cape Verde Islands. Arrive this morning in the Cape Verde Islands, a varied archipelago off the West African coast. The island of Sal was relatively undeveloped until the mid-nineteenth century when the salt export business was established and we will visit one of the original sites at Pedra de Lume. We will see the salt pans, learn of the salt extraction process and even have the chance

Tarrafal

Santo Antao

Porto Novo

to float in the waters. After lunch on board the afternoon is at leisure and shuttle buses will run to the town of Santa Maria where you can swim from the beaches or explore the local shops for Cape Verdean crafts.

Day 9 Tarrafal, Sao Nicolau. Sao Nicolau is a charming, peaceful and attractive island of plantations, smallholdings and busy farming villages. It also has impressive, almost untouched mountain scenery, friendly residents and lively traditions. On our tour we will drive through a spectacular landscape towards the historical capital Ribeira Brava. Here we will discover the lively centre of the island which reflects the character of the people and learn why Ribeira Brava was the bedrock of Cape Verdean intellect in the 19th century. After lunch enjoy an afternoon at leisure.

Day 10 Porto Novo, Santo Antao. We have a full day on the most beautiful of the islands, Santo Antao. Driving up the old trading route we pass the volcanic crater 'Cova' with its agricultural plantations and enjoy panoramic views of the island before arriving in the tiny, picturesque mountain village of Fontainhas, on the northern side of the island. After lunch in the seaside village of Ponta do Sol, we will take the coastal road towards the greenest valley in the

archipelago, the valley of Paul. Here we will enjoy a coffee break whilst learning about the production of sugarcane on the island. We will also discover 'Grogue', the national drink of the islands and have a taste of it at the oldest traditional Grogue distillery on the island. Drive back along the coast to the southern side of the island and our waiting ship. This evening we will make the short hop over to Mindelo and after dinner we will be entertained by local music and capoeira on board.

Day 11 Mindelo, Sao Vicente. Enjoy a full day in Mindelo, one of the most attractive of all the Cape Verde towns with its colonial buildings, cobbled streets, cafes and lively restaurants. Depart on a morning discovery tour of the lively markets and the secret corners of the harbour town. After a coffee break in a typical Cape Verdean bar, learn about the life of the local artists and their works by visiting the national museum of handicraft. The afternoon is free to further explore the vibrant town independently.

Day 12 Praia, Sao Tiago. Today we explore the historic capital of Praia on the island of Sao Tiago. Praia has a wonderful African feel and we will visit Cidade Velha, the old Portuguese capital with a rich history which was once the centre of the slave trade. See the fort and cathedral which

dominate the narrow, cobbled lanes and stone houses. Enjoy a traditional performance of Batuco dance before we continue into the green interior, climbing the steep mountains and enjoying the colours as we make our way to Rui Vaz where we enjoy a lunch of local produce in the shadow of Pico da Antonia. We will see local farms

and drive past the only water dam in Cape Verde before returning to the ship where we moor overnight.

Day 13 Praia to London Heathrow. Disembark this morning and transfer to the airport for our exclusively chartered British Airways flight to London.

* Please note that the 16th January departure operates in the reverse direction to that shown from Praia to Tenerife. Full details can be viewed online.

The much loved MS Hebridean Sky is one of our two flagships and sister vessel to the MS Island Sky. Both vessels were built in the same shipyard in Italy at similar times and share the same excellent attributes that make them two of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Hebridean Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a sitting area and some have private balconies. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and all suites have outside views with those on the Scott and Shackleton Decks featuring private balconies. Each suite affords considerable comfort with en-suite bathroom featuring vanity unit with sink and walk-in shower, large wardrobes, dressing table with large mirror and stool and excellent storage. There is a mini-fridge, flat screen television and a telephone in each suite. Refillable water bottles, towelling dressing gowns and slippers are also provided for your comfort. Other facilities include a programmable electronic safe, hairdryer, assorted Molton Brown toiletries and individually controlled air-conditioning and heating. Soft hues and blended tones enhance the traditional maritime style making the passenger accommodation an inviting and relaxing place to be.

Your Dining

With only one sitting and a maximum of just over 100 passengers, the cuisine on board the MS Hebridean Sky is of a consistent superior quality that befits such a vessel. In keeping with the informal atmosphere on board, when dining you are able to choose your seating arrangements and choice of restaurants at your leisure; whether that be joining a table of four to six other passengers in the elegant à la carte Restaurant or, outside buffet-style on the Lido Deck in the evening sunshine. In the main Restaurant, breakfast is served buffet-style, with certain items cooked to order on request. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. To enhance your dining experience further a selection of wines is included with both meals. Afternoon tea and pre-dinner canapés take place in either the comfort of the Lounge or out on the Lido Deck when the weather is favourable. Tea and coffee are also available 24 hours a day. There is a high ratio of crew to passengers and our friendly crew of 75 are mainly Filipino and Eastern European and our Captains are experienced mariners. After a day ashore you will return to the comfort and peace of a well-run and exceedingly comfortable ship where peace, high quality of service and attention to detail are the order of the day. A little music in the Lounge or bar after dinner, Guest Speakers and informative port briefings and of course good food, all contribute to make any voyage aboard this wonderful vessel a memorable and joyful experience.
