

ITALIAN LAKES, MUSIC & GARDENS

A seven night stay at the Grand Hotel Menaggio on the shores of Lake Como
with Guest Speaker Alan Mason & performances by London Festival Opera

24th April to 1st May 2023

NOBLE CALEDONIA

Lake Maggiore from Isola Bella

Come with us and enjoy some of the most beautiful Italian gardens at their springtime best as we explore Lake Como and Maggiore from our delightful lake-side base at the Grand Hotel Menaggio. During our week's stay we will visit some of the finest gardens and villas and be joined by London Festival Opera who will perform some marvellous opera in wonderful settings.

Italy has more than its fair share of beautiful places, but few would argue that the lakes that nestle in the foothills of the Italian Alps are one of its finest assets. The images stay with you forever. The early mist rising off the lake, church bells resonating off the water, flower-filled gardens reflected in the still, deep waters and numerous craft going about their business, crisscrossing the lake.

Our programme will include comprehensive sightseeing excursions, and some free time to relax and enjoy the lovely facilities of the hotel and appreciate the dramatic scenery of Lake Como. We will be joined by horticultural expert Alan Mason, who will provide talks and briefings during the week and accompany us on excursions.

Guest Speaker – Alan Mason

Alan Mason is one of the most experienced and best qualified garden designers and consultants in Europe. He is a founder member of The Professional Gardener's Guild and the founder of Senior Garden Advisors consultancy group. Alan started his garden design consultancy business in 1987 following a period where he was the youngest Head Gardener in the country, at Bramham Park and Garden Manager to the

Queen's cousin Lord Harewood at Harewood House in Yorkshire. Here, he and his team elevated the gardens into the top ten most visited gardens in the country. He has presented television programmes from around Europe, including "Le Manoir" the making of his own garden in Brittany and the long running "Gardens without Borders" from around France, Italy, Spain, Portugal and Holland. Alan is also a judge of the show gardens at the prestigious Sandringham Flower Show and a garden design lecturer for The Royal Horticultural Society.

London Festival Opera

We are delighted that London Festival Opera will be joining us for our stay and will be presenting three concerts in superb settings. We have long been associated with London Festival Opera and each year our music themed tours grow in popularity. London Festival Opera has achieved a considerable reputation for presenting opera in the UK and overseas and has performed for

Presidents, Prime Ministers and senior members of the British and European Royal Families. The company has performed at 10 Downing Street, the British Embassy in Paris, the President's Palace in Malta and as a guest company in one of Italy's greatest opera houses, La Fenice in Venice. Bringing together artists from the major British opera companies including the Royal Opera, English National Opera and Glyndebourne the programmes presented include a wide and varied range of repertoire, performed in formal evening dress and authentic period costume for an added visual impact.

Our View *“We are delighted to be repeating our hugely successful visit to the stunning shores of Lake Como. What could be more enchanting than a combination of wonderful music from London Festival Opera, beautiful gardens, magnificent views and delicious Italian food? Lake Como has seen many illustrious guests grace its shores over its long history including Queen Victoria and the locals today will almost certainly casually drop into their conversation that George Clooney is amongst many actors who own a villa there. Our base for our week-long visit, The Grand Hotel Menaggio, has an enviable location with unforgettable views. Despite the grand exterior of this 19th century Palazzo the atmosphere is friendly and relaxed and offers the ideal spot to totally unwind.”*

Day 2 Bellagio & Villa Melzi. Our launch will take us across Lake Como to Bellagio where colourful gardens line the shore. Enjoy a visit to the Villa Melzi, a fine neo-classical villa where we will see the splendid gardens which feature a Moorish temple, Japanese garden and watergarden at the edge of the lake. There will be some free time in Bellagio before returning back to the hotel by boat. (B, D)

Day 3 Villa Balbianello & Villa Carlotta. Morning at leisure. Depart in the early afternoon by boat to the Villa Balbianello. See the interior and gardens of this lovely lakeside villa. Continue to the Villa Carlotta, built in 1747 with a superb garden laid out in 1850 by Princess Carlotta. The setting is idyllic and the gardens are full of contrast, particularly in the spring. The palace is decorated with fine furniture and some interesting paintings, but it is the ten terraces of the gardens with their English Garden, Italian Garden, Azalea Garden and Mosaic Garden which capture the imagination. In the afternoon we will sail across to the larger of the two islands, Isola Madre. Here, five gardens connect in a peaceful woodland setting. (B, D)
