We are delighted to be working with our German associates, Lernidee Trains and Cruises, to bring you this private train journey from Ashgabat to Almaty. Join us for an unforgettable journey as we retrace one of the most remarkable trading routes of ancient civilisation.

The Silk Road was a network of routes, plied by merchants and traders between China and the Mediterranean. We will follow in the footsteps of such legendary figures as Alexander the Great and Marco Polo, discovering 2000 years of history whilst travelling in great comfort aboard the Orient Silk Road Express Private Train.

During this fascinating tour, you will learn of the manifold cultures along the legendary Silk Road and numerous localities that made history, among them no less than seven UNESCO World Heritage Sites. Stretching from the Caspian Sea to the Tien Shan Mountains, the Central Asian countries of Turkmenistan, Uzbekistan and Kazakhstan are richly endowed with history and culture, a flavour of which you will sample on this exciting journey by Private Train.

From Turkmenistan we travel to Kazakhstan and make our way through the Karakum Desert and into Uzbekistan where we will explore the 2,500 year old cities of Khiva and Bukhara as well as Samarkand, the 'Rome of the East', home to the beautiful Registan Square. We will also venture into Turkmenistan and visit the capital city of Ashgabat and the ancient city of Merv. This is a journey for the adventurous traveller, keen to discover ancient history, hidden wonders and varying cultures, but in great style and comfort.

The Itinerary

Day 1 London to Ashgabat, Turkmenistan. Fly by indirect scheduled flight. Arrive and transfer to the Grand Turkmen Hotel (or similar) in Ashgabat for an overnight stay.

Day 2 Nisa & Ashgabat. This morning we drive to the old Parthian city of Nisa which has a striking geographical location on top of a small hill which offers splendid views towards the Kopet Dag Mountains to the south. While Old Nisa, which seems to have been either a Parthian royal residence or temple complex, was abandoned at the end of the Parthian period, the main town of New Nisa was revived in the 5th century, and grew to become an important Medieval Silk Road centre. After lunch we return to Ashgabat and spend some time at the Russian Bazaar, one of the largest and oldest covered markets in Turkmenistan. This evening we board our train and enjoy a welcome dinner on board.

Day 3 Merv. Early morning sees us arrive in Merv, where we transfer to the ancient and mainly unrestored city of Merv, a UNESCO World Heritage Site with its gigantic walls and ramparts in the desert and the impressive ruins of old buildings such as the Mausoleum of Sultan Sanjar, the Virgin Fortress (Kis Kale), the cold room and other mausoleums. Once an important stopping point on the Silk Road, it claims to have briefly been the largest city in the world during the 12th century. 1794 saw the demise of Merv, after the Emir of Bukhara destroyed the dam which the population depended on for its water. We enjoy lunch in the picturesque courtyard of a family before we re-board our private train and head for Bukhara.

Day 4 Bukhara, Uzbekistan. Bukhara is quite simply outstanding. Situated in the middle of the Kyzylkum desert, Bukhara features about one thousand monuments, which recall the halcyon days of the Great Silk Road. Foreign spices, furs and especially silk fabrics were stored and handled in the caravansaries. In the old city we will see the Kaljan Minaret and the Labi-Hauz Ensemble and in front of the Nasreddin-on-the-donkey monument we will learn of some anecdotes about him. This evening

Tilla-Kari Madrasah, Registan Square, Samarkand

Khiva

we visit the courtyard of a Madrasah with musical accompaniment, local dances and a presentation of colourful national costumes. We spend two nights at the Asia Bukhara Hotel (or similar) in Bukhara.

Day 5 Bukhara. Today we will enjoy a day tour of the city, including lunch. Bukhara is a large, unique and authentic art museum that maintains its old oriental face. In the morning, visit the magnificent Mire-e-Arab Madrasah and the most beautiful and precious building in Central Asia, the Samanid Mausoleum. Then we will take a tour through the fortress Ark where we will see the coronation hall and visit the summer residence of the last Emir. At the end of our stay we will see the only women's mosque in the world.

Day 6 Bukhara to Khiva. This morning we will have time to explore Bukhara independently before rejoining our train and continuing in the direction of Khiva.

Day 7 Khiva. After breakfast we will travel to the southern border of the seven river lands, in the ancient city of Khiva, founded 2500 years ago. As one of the Silk Road's most important trading posts and now a World Heritage Site, it lies at the crossroads of the routes between Mongolia, Russia, China and Persia. A truly magnificent sight to behold, it rises out of the desert to reveal a wealth of impressive architecture. When you stand before the mighty city wall of Khiva with its gates and bastions of clay you are transported to another world. Around the Kalta Minor Minaret, life still pulses today as it did in old times, and on our tour we will see palaces, mosques, minarets, mausoleums and Koranic schools which convey what Medieval oriental urban development must have been like. Enjoy lunch in the atmosphere of the former Summer Palace of the Emir and in the evening we will depart to Samarkand.

Day 8 Samarkand. Today we will experience the historical prominence of Samarkand, the most beautiful city in Tamerlane's time: the grave city Shah-e-zende ("the living Shah"), the excavation sites of Afrosiab and the Registan Square present an impressive collection of Central Asian architecture. Enjoy a two night stay at the Registan Plaza hotel (or similar).

Day 9 Samarkand. Today we visit a silk carpet factory and an Uzbek craftsman's family, see paper manufactured from mulberry bark, the observatory of Ulug Beg, the ruins of the Bibi Khanum Mosque and the palace-like Gur Emir Mausoleum.

Day 10 On the Great Silk Road to Shakhrisabz. Enjoy an excursion into the surrounding mountain region where elsewhere forgotten ceremonies of the Shaman cult still are held today. You will experience a folklore performance in the unique tradition of this region and get to know the inhabitants in their authentic everyday life. We follow the Great Silk Road and arrive in the green city, the birthplace of Tamerlane. Here, in the UNESCO World Heritage Site of Shakhrisabz we will tour the monumental memorials of the barbaric Mongol Prince and also have the opportunity to watch the thriving bustle of this lively town. In the evening we depart for Tashkent whilst we enjoy Uzbek wine tasting on board.

Day 11 Tashkent. This morning we arrive in Tashkent at the foot of the Tien Shan Mountains. We will enjoy a sightseeing tour and experience the green oasis of the Steppe: the Madrasah Kukeldash, the Kavoj and Amir Timur monuments and the opera. In the evening we will also attend a musical performance (depending on schedules).

Day 12 Turkestan, Kazakhstan. After breakfast and lunch on board we arrive at the city of Turkestan in Kazakhstan (border formalities occur comfortably in your cabin). You will see the UNESCO World Heritage Site of the Mausoleum of Khoja Ahmed Yasawi with its dome hall, monumental mosque and well house. We will travel on to Almaty and enjoy our last dinner on board as we bid farewell to the friendly train staff.

Day 13 Almaty to London. We arrive in Almaty after lunch. Enjoy a sightseeing tour of the city which is situated at the foothills of the northern Tien Shan Mountains where there are attractive tree-lined avenues, many parks and street cafes. Visit the Zenkov Russian Cathedral, one of the world's tallest all wood buildings. This evening we will enjoy a special Farewell Dinner in country-specific yurts followed by some free time to relax at a hotel in Almaty before transferring to the airport for our late, scheduled indirect flight to London.

Day 14 London. Arrive this morning.
