WITH GUEST SPEAKER DR STEVE KERSHAW

JUNE 2022

NOBLE CALEDONIA

SEA CLOUD II

For our voyages through the Mediterranean, we are delighted to have chartered the magnificent Sea Cloud II. Launched in 2001, she is a stunning vessel, built along traditional lines, but offering deluxe accommodation. She combines the timeless elegance of sailing ships of the past with the highest safety standards and the luxurious comfort of modern cruise ships. The 32,000 square feet of sails are set by hand which is a truly magical sight; she really is the most exquisite of vessels.

Your Cabin/Suite

Built to accommodate 94 passengers in five star luxury, Sea Cloud II offers a range of beautifully appointed suites and cabins which are furnished with great style. Spread over three decks are 29 deluxe outside cabins with showers, 16 junior suites with bathtubs, and two owner suites with bathtubs and showers. All accommodations have outside views and the bathrooms, in light marble, are unusually spacious and aesthetically pleasing. The two owner suites feature a king size canopy bed and all other cabins feature queen size beds (with separate mattresses, excluding category F staterooms which feature upper and lower single beds). Cabin sizes range from 16m² to 27m² (category F measure 14m²). The finest, carefully chosen fabrics, combined with leather, rattan and other materials, brass and gold,

precious woods and marble together create an impressive ensemble. All cabins have a television with DVD player, minibar, dressing table, wardrobe and a safe. A welcome bottle of champagne and a fruit basket which is replenished daily are provided to enjoy whilst in your cabin.

Your Space

No expense has been spared to create a sympathetic ambience in both the accommodations and public areas and this is reflected throughout the vessel. Public areas include an elegant lounge, library, fitness centre, boutique, lido bar and hospital. The single sitting dining room is airy and modern and the quality of the cuisine and service will be to the highest of standards, as one would expect on a Sea Cloud II cruise. The Lounge is located mid-ship on the Lido Deck offering comfortable seating areas. The vessel's magnificent Steinway can be found here and will be played for your enjoyment by an accomplished pianist. In addition enjoy interesting lectures and presentations, or perhaps a drink from the bar. There is also a library on board where you can relax, write postcards, play a board game, find a film to watch in your cabin, send emails from the laptop or just enjoy the peaceful atmosphere. Relax on the Lido deck and experience the natural grandeur of travelling under sail whilst watching the sailors manoeuvre the sails high above, rekindling memories of a bygone age.

Your Dining

The cuisine aboard the Sea Cloud II is of an exceptionally high standard, and has been accepted by the international Chaîne des Rôtisseurs. Enjoy international dishes complemented by local specialities selected fresh from the market by the onboard chef. Dinner is served à la carte and is a four course affair with a vegetarian option always available. All cruises aboard the Sea Cloud II are full board with carefully selected wines and beers served to complement your lunch and dinner. All soft drinks, coffee and tea whilst on board are also included.

Life On Board

Whilst there are many large sailing ships offering passages around the world there are few if any that can compare in terms of luxury to Sea Cloud II. Despite the luxurious setting, casual clothing is appropriate and the atmosphere onboard is friendly and generally informal. Service is personal, and the crew of 65 quickly acquaint themselves with passengers and the officers on the bridge are also available to answer questions; manoeuvres permitting. After all, Sea Cloud II is not only a cruise ship, but a private yacht as well.

For your Comfort, Safety & Security

Sea Cloud II combines the timeless elegance of sailing ships of the past with the highest safety standards and the luxurious comfort of modern cruise ships. The hospital is located on the Cabin Deck and is staffed by a ship's doctor. In consideration of all passengers, smoking is not permitted on board with the exception of designated areas on open decks.

LA DOLCE VITA

A voyage from Malta to Bari aboard Sea Cloud II with Guest Speaker Dr Steve Kershaw
13th to 21st June 2022

Here is a wonderful journey which will appeal to those with a love of Italy, who enjoy a varied programme of interesting visits ashore and who relish spending time at sea under sail. Setting sail from Valletta's Grand Harbour, we will spend time in Sicily to appreciate the island's rich legacy of so many invading civilisations followed by time in both Calabria and Puglia. Our days will be split between the port of call and time at sea allowing for ample time to enjoy the magnificent Sea Cloud II.

Our visits ashore in Sicily will include the Greek remains at the Valley of Temples, the beautiful city of Syracuse and the impressive Greek theatre at Taormina which offers stunning views of Mount Etna. Crossing to Calabria we visit Santa Severina, one of Italy's prettiest towns and the Norman, Carafa Castle. Then follows three days discovering Puglia including visits with local guides to prehistoric dwellings and traditional trulli abodes as well as splendid Baroque architecture.

Our days will be varied as we explore UNESCO World Heritage Sites, walk through historic hilltop villages and discover the uniqueness of each region as well as enjoying wine tastings and a private concert in one of Syracuse's palazzos.

THE ITINERARY

Day 1 London to Malta. Fly by scheduled flight. On arrival transfer to Sea Cloud II and enjoy welcome drinks and dinner as we sail this evening.

Day 2 Agrigento & Valley of the Temples, Sicily. Although handsome in its own right and awash with Medieval atmosphere, Agrigento is not our main reason for calling at this southern Sicilian coastal port. Close by is the Valle dei Templi, a series of Doric temples and the most captivating of Sicilian Greek remains, and a grouping unique outside Greece. Surrounded by greenery of olive and almond trees, we will admire the Temple of Juno (Hera), the Temple of Concord, the Temple of Hercules, the Temple of Zeus Olympic and the Dioscuri Temple. We also hope to have time to see the excellent archaeological museum. Return to Sea Cloud II for lunch and spend the afternoon on deck as we cruise under sail.

Day 3 Syracuse. Syracuse was founded by the Greeks in 734 BC and by the 5th century was a political and military power throughout the Mediterranean which rivalled Athens as the largest and most beautiful city in the Greek world. On leaving the vessel we visit the Neapolis Archaeological Park where we find a well-preserved Greek theatre with seats carved from limestone. Paradise Quarry, now an attractive garden and orange grove, was the primary source of that limestone and is the site of the curious 'Dionysus' Ear', a vast grotto with an amplifying resonance. We will continue to explore the island of Ortigia where we find the Temple of Apollo, considered to be Sicily's most ancient Doric temple and the Baroque Cathedral, erected over the remains of the Temple of Minerva. The afternoon is free to explore independently before we meet this evening for a private concert in one of the town's

palazzos accompanied with local food and wine.

Day 4 Taormina. From our anchorage at Giardini Naxos we will visit Taormina, a walled town lying in the shadow of Mount Etna, Europe's highest volcano. The town has been a popular tourist destination since the 19th century and our guided tour will include walking the characteristic alleys before visiting the 15th century Palazzo Corvaia and the impressive Greek Theatre from where there are marvellous views over the town and coast. Return to Sea Cloud II for lunch and enjoy an afternoon under sail as we make our way to mainland Italy.

Day 5 Crotone, Italy. After a morning at sea we arrive in Calabria and the port of Crotone which is on the site of the ancient Greek City of Kroton. Whilst little remains of the Greek city it was one of the most important settlements of Magna Graecia, where Pythagoras set up a school in 530 BC and whose athletes were very successful at the Olympic Games. We will take a scenic drive inland this afternoon to Santa Severina, one of Italy's prettiest towns overlooking the Neto River valley. We will explore the majestic Carafa Castle which was built by the Normans in 1076 and contains intricate underground labyrinths and stables, with the remains of Medieval frescoes. Also see the cathedral, the beautiful Byzantine baptistery and wander the town's tangled streets. As we return to the ship we will stop at

one of the vineyards that produce famous Calabrian wine, Ciro, for a tasting accompanied by typical Calabrian food.

Days 6 Taranto. Today we arrive in Puglia for our morning tour which will take us into Basilicata as we visit the UNESCO World Heritage Site of Sassi di Matera (stones of Matera). Situated in the old town of Matera, the Sassi are prehistoric dwellings dug into the rock itself and are suspected to be some of the first human settlements in Italy. The site comprises over 1000 buildings including houses, churches, shops, workshops and monasteries covering over 1000 hectares and we will learn more about the history of the town on a walking tour of the labyrinthine streets. Alternatively spend the morning at leisure in Taranto where you may want to see the 15th century Aragonese Castle and the 11th century cathedral. We will return to the vessel for lunch and spend the afternoon under sail.

Day 7 Otranto. From the port of Otranto we will drive to Lecce, often referred to as 'The Florence of the South' with its amazing collection of Baroque architecture. A guided walk will include a visit to the beautifully decorated Santa Croce Basilica and Piazza Duomo, considered one of the finest and most impressive squares in southern Italy. After lunch on board, the afternoon is free to explore Otranto independently, maybe walk the winding streets or along the seaside promenade

Matera old town

Greek theatre at Taormina overlooking Mount Etna

Lecce

Alberobello

or take a swim from the nearby beaches.

Day 8 Monopoli. Today we drive into the Puglian countryside which is scattered with 'trulli', limestone dwellings built with dome or conical roofs. We will enjoy a pleasant walk in Alberobello, a fairy-tale trulli village and a UNESCO World Heritage Site and see the St Anthony Church also built in trullo style. Afterwards we visit 'Cantina Albea' and its wine museum, home to old instruments used in the past for the production of wine and where we will enjoy a tasting along with a talk on the wine production. Return to the ship

for lunch and there will be a little free time to explore the old town independently before we sail in the late afternoon. Arrive this evening in Bari where we moor overnight.

Day 9 Bari to London. Disembark this morning and transfer to the airport for our scheduled flight to London.

VOYAGE TO THE LAND OF GODS & HEROES

A voyage from Bari to Athens aboard Sea Cloud II with Guest Speaker Dr Steve Kershaw

21st to 29th June 2022

Join us aboard the magnificent Sea Cloud II for a relaxing and informative voyage from Puglia to Athens and discover an extraordinary collection of great archaeological sites with tangible traces of the many civilisations which have at one point over the course of history called this region home including classical temples, Byzantine cities, Medieval towns and Venetian fortresses. Beyond these fascinating sites, there is also beautiful mountainous scenery and charming harbours.

We will visit some of the Ancient World's most fascinating sites including ancient Butrint in Albania, Olympia, the principal shrine of Zeus and Hera and the site of the original Olympic Games and Epidaurus, one of the most renowned of Greece's ancient sites. In addition to these we visit the equally interesting Byzantine town of Mystras, a Medieval ghost town set on a cliff overlooking the site of ancient Sparta. Our penultimate port of call is the town of Nafplio, one of the most beautiful towns on mainland Greece.

With a maximum of only 94 guests, our trips ashore will be a pleasure as we explore with local guides and, with its wealth of historic sites, dramatic scenery and the crystal-clear waters of the Aegean, it will become evident why this region has inspired writers, poets and artists since the time of Homer. Whether you are interested in ancient history, Greek myths or simply the joy of travelling under sail and experiencing new places, our voyage has something for everyone.

THE ITINERARY

Day 1 London to Bari, Italy. Fly by scheduled flight. On arrival transfer to Sea Cloud II and enjoy welcome drinks and dinner as we sail this evening.

Day 2 Vlore for Apollonia, Albania. Arrive at lunchtime in Albania and the port of Vlore. This afternoon we drive to nearby Apollonia, the ancient city of Illyria. Set on rolling hills the city reached its zenith around the 4th to 3rd centuries BC when it is believed the population numbered over 70,000. See the city council building with its surviving facade, the library, triumphal arch, theatre, Byzantine monastery and temple of Artemis.

Day 3 Sarande for Butrint. After breakfast we will discover the ancient city of Butrint, a UNESCO World Heritage Site. On a guided tour explore the ruins that feature the remains of many eras and cultures. From the Hellenistic period there are temples, the promenade and the 4th century BC theatre. From the Roman era are the public baths, gymnasium and fountains. From the Byzantine era we see chapels and the large Basilica of St Peter and St Paul, whilst the Venetians are represented by a watchtower and a small castle with commanding views over the Straits of Corfu.

Return to Sea Cloud II for lunch and enjoy a relaxing afternoon under sail.

Day 4 Preveza, Greece. Our first call in Greece will be at Preveza, situated at the entrance of the Gulf of Amvrakikos. Our tour will take us to the ruins of the ancient city of Nikopolis. It was built in 31 BC by Octavian (later Emperor Augustus) to commemorate defeating Marc Antony and Cleopatra in the naval Battle of Actium. The scale of this vast site is breathtaking. We will explore the Roman and Byzantine

walls, churches and theatre before also spending some time in the excellent museum. Continue on to the picture perfect town of Parga where we will have some time to explore the charming old quarter or enjoy a swim before returning to the ship for lunch. This afternoon will be at leisure to relax on board or discover the pretty yacht lined harbour town and nearby beaches.

Day 5 Katakolon for Olympia. Spend the morning sailing to the Peloponnese arriving at the port of Katakolon, our base for our

afternoon excursion to Olympia. Pastoral and lush, Olympia's plentiful ruins are shaded by Aleppo pines and olive trees. The fame of Olympia rests upon the Olympic Games. During the celebrations that accompanied the Games, competitors, while not forgetting that they were Athenians, Spartans or from other city states, remembered that they were Greeks and regarded an Olympic victory as the highest honour. We will see the gymnasium, the stadium and the palestra or wrestling school. We will also

Monemvasia

Apollonia

explore the Altis, or sacred precinct of Zeus, which houses structures including the Temple of Zeus, one of the largest temples on the Greek mainland and the Archaeological Museum which houses some fine sculptures and artefacts from the site.

Day 6 Kalamata. After a morning cruising we arrive in Kalamata at lunchtime. Our destination today is Mystras, a remarkably intact Byzantine hillside town that once housed a population of 20,000 people. Here we visit the Cathedral of Agios Dimitrios, where the two-headed eagle which is the symbol of the Palaeologos Dynasty is carved into a plaque on the floor. According to tradition, this is where Constantine XII stepped when he was crowned king. Strolling through the narrow lanes of the dead city, we will also visit the Church of Agia Sophia, the Palace of the Despots and the Monastery of Pantanassa, with its brilliant frescoes. Before returning to the vessel, refreshments will be served at the picturesque taverna located just beneath the site offering sweeping views over the local terrain.

Day 7 Monemvasia. This is a magical place. A massive rock rises dramatically out of the sea and on top there is a fortress. However, the real attraction is the Medieval town with its narrow cobbled streets and winding stairways which lead to a warren of stone houses with walled gardens and courtyards, and the main square dominated by an old cannon and the cathedral. On an afternoon walking tour we will visit the town followed by some free time.

Day 8 Nafplio. Looking out across the translucent water of the bay towards the Arcadian Mountains, Nafplio's sheltered location below a rocky headland and large natural fortress crowned by a Venetian castle is perhaps unrivalled in Greece. This morning you can choose to visit either Epidaurus or Nemea. Situated on the slopes of a beautiful and wooded valley, Epidaurus was

known throughout the Hellenic world for its unique medical facilities and healing treatments. Dedicated to Aesclepius, the god of healing, the city was filled with curative spas and baths. Most of the ruins of Epidaurus have been reduced to their foundations, with the exception of the astonishing theatre. Alternatively enjoy a scenic drive through the Argos Plain to Nemea, the site of a religious sanctuary which hosted the pan-Hellenic athletic games every two years from 573 BC until 271 BC. The mythical origin of the Games is sometimes ascribed to Hercules who, after his first labour in which he had to kill the Nemean lion living in the caves of Mount Tritos above the site, established the athletic games in honour of his father, Zeus. Nemea was not a town or settlement but a venue where festivities were held during the games and our tour will include the Temple of Zeus, the bath house and the stadium before spending time in the small but excellent on site museum. Nemea is also famous for its red wines and we will enjoy a wine tasting at a local vineyard. Return to Nafplio for a free afternoon wandering the twisting labyrinthine streets.

Day 9 Athens to London. Disembark this morning and transfer to the airport for our scheduled flight to London.
