MARVELS OF COLOMBIA'S MAGDALENA RIVER

A journey from Bogotá to Cartagena including seven nights
aboard the 60-passenger AmaMagdalena

17th to 27th September 2026

NOBLE CALEDONIA

We are delighted to have exclusively chartered the 60-passenger AmaMagdalena in order to offer this unique exploration of Northern Colombia's Magdalena River including the remote villages and abundant wildlife of this fascinating region. We have combined the seven night river cruise with some time in the capital city of Bogotá. Colombia combines dazzling natural wealth with captivating culture, and with its rich biodiversity, one would be hard pressed to find a country which offers such staggering and stimulating variety. With guided excursions encompassing historic walking tours, live music, birdwatching and boat tours, we will ensure your days are full of discovery as you immerse yourself in the rich cultural heritage along the Magdalena River.

Our journey begins with a two night stay in Bogotá before we fly to Barranquilla to embark the newly launched 60-passenger AmaMagdalena and experience the exciting performances at the colourful Carnaval before setting sail. The Magdalena River provides a rich ecological system and with the help of the expert guides, we will explore the unique flora and fauna and hope to spot a variety of birds including toucans, eagles, quails and tinamou. Along the way we will visit local villages, discover the traditional town of Santa Barbara de Pinto and the stunning colonial architecture of Mompox before we arrive in the beautiful city of Cartagena with its colourful colonial quarter, where pastel reds and yellows blend magically with the blues of the Caribbean.

Follow pathways around the garden to exhibits showcasing the plants, the rose garden and the Andean Forest. Enjoy lunch in a local restaurant before we fly to Barranquilla and embark the AmaMagdalena for our seven night journey along the Magdalena River. In the evening, there will be a special Carnaval celebration during which you can enjoy this authentic experience as you learn the Carnaval's motto: 'Quien lo vive, es quien lo goza' ('Those who live it are those who enjoy it'). Widely considered one of Colombia's most important folkloric celebrations, the Carnaval of Barranquilla has also been declared a UNESCO Masterpiece of Oral and Intangible Heritage of Humanity. (B, L, D)

Day 4 Sitio Nuevo. Today, we visit a local village along the river and during our time there we will learn more about the lives of the local people. There will be time to enjoy the traditional crafts and art that are on display and taste the local delicacies as we learn about the region's unique culture. (B, L, D)

Day 5 Magangué Region to Mompox. During our guided nature tour, we will hopefully encounter fascinating species, including beautiful birds that are unique to this region of the country. Later we will enjoy scenic cruising enroute to the remote island town of Mompox where we will be welcomed by the local musicians with an exclusive jazz performance. (B, L, D)

Day 6 Mompox. Marooned on a freshwater island, the town of Mompox embodies the appearance of what many villages looked like during colonial times and its many beautiful colonial buildings have been well preserved. Founded in 1540, Mompox became an important Spanish trading post and was at the time considered a haven for keeping gold and other treasure protected from the pirates that pillaged coastal cities like Cartagena, and with this precious metal and the work of skilled artisans from Spain came beautifully crafted artifacts. Since then, the town has become famous for its

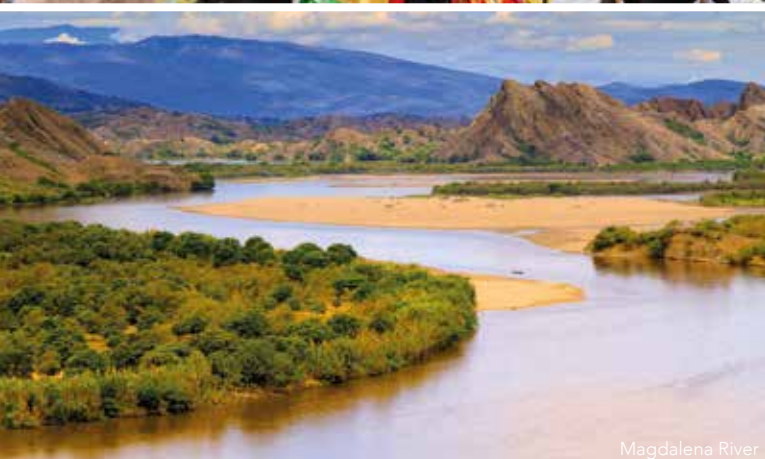

incredible filigree jewellery, which we will learn more about during our guided tour. We will take a stroll through this storied town beginning with a tuk-tuk ride from Plaza de San Francisco, visiting key landmarks. We will also visit a filigree workshop witnessing the intricate jewellery artistry that defines Mompox's renowned craftsmanship. With stunning colonial churches, breathtaking nature surrounding the town, and delicious local delights such as capa cheese and butifarra, Mompox is sure to be one of the highlights of our journey along the magnificent Magdalena River. Also today, we will journey through the beautiful wetlands surrounding Mompox, exploring the massive lake that is home to a variety of flora and fauna native to the region, with opportunities to birdwatch at sunrise, early morning and sunset. (B, L, D)

Day 7 Mompox to Santa Barbara de Pinto. Today we embark on a private excursion boat to visit Santa Barbara de Pinto, a typical Magdalena riverside village. Our guided tour of the town will include learning the traditional craft of fishing net weaving and watching skilled artisans hand roll tobacco. We will also visit a historic church and have some time to shop for intricate handmade wares crafted by local townspeople while delighting in the pastel-toned Spanish architecture throughout the town. For those who prefer a more active adventure, exploring the natural beauty surrounding this riverside town there will be a guided hike through the lush landscape. Later in the day, local families will join us on board from El Banco who are keepers of La Cumbia – the soul of Colombian music and the heart of this region. There will be the opportunity to experience this cultural treasure firsthand, with authentic music, stories and celebration. (B, L, D)

Day 8 Calamar to Mahates (Palenque). This morning, board a paola (a bicycle taxi for two) for a historic tour of Calamar, starting with a scenic ride along the Malecon to the House of Culture. Later relax on board as we cruise to Mahates, gateway to the town of Palenque, the first 'free town' in the Americas. Founded by those who fled a life of slavery during colonial times, the spirit and appearance of the town has been preserved through time. In 1713, the Spanish crown issued a Royal Decree that officially freed the people of Palenque from slavery. Immerse yourself in the town's deeply rooted culture and traditions, from symbolic hairstyles to ancestral medicine, which are so distinct that UNESCO declared Palenque to be a Masterpiece of the Oral and Intangible Heritage of Humanity. We will also visit a local home during our tour. An important piece of Palenque's heritage is the music and rhythmic style that was developed in the city and we will have the opportunity to enjoy a special performance that brings the town's spirit to life. (B, L, D)

This afternoon, witness the incredible UNESCO-designated San Felipe Castle, the fortress that defended Cartagena from French and British attacks.
