NOBLE CALEDONIA

The magic of Mozart has once again placed its spell and the demand for music inspired trips along the Danube continues unabated and with our friends London Festival Opera, we can promise you a marvellous experience. Our musical journey from Budapest to Regensburg is a celebration of Mozart's life, and of the many great composers from this Golden Age. During this eight night river cruise we will visit small towns and villages as well as the cities of Budapest, Bratislava and Salzburg, enjoying some of the finest works of music from the concertos of Mozart and Johann Strauss's waltzes to opera and folk tunes in idyllic settings. We will also visit the city most celebrated for its music heritage and Austria's capital, Vienna, whose classical period was a golden age in Viennese musical life. Mozart lived here for the last decade of his life and exerted great influence on the musical life of the capital and Empress Maria Theresa herself trilled arias on the stage of the Schlosstheater at Schonbrunn.

In addition to our excursions and music ashore, we will also enjoy 'highlight' performances by London Festival Opera aboard our wonderfully comfortable vessel in the intimate atmosphere of the lounge. The life and times of Mozart as well as the music of this Golden Age will be brought vividly to life by our Guest Speaker who will accompany the trip.
