NOBLE CALEDONIA

Isolated by miles of ocean over thousands of years, the islands of Polynesia, the world's first island cultures, developed a pantheon of gods, myths and legends and this voyage tells the story of Polynesia and uncovers its history as we visit the captivating islands. Our expedition begins in French Polynesia and our journey to Fiji takes us through the Cook Islands and Tonga all of which embody the laid-back lifestyle and idyllic surroundings of the South Pacific.

Our expedition aboard the MS Island Sky promises to be a marvellous island hopping adventure and an enjoyable undertaking for those who relish travelling off the beaten track to remote and extraordinary islands. From coral reefs teeming with life to powerful legends that shaped history, each island group we will visit is unique, each culture distinct. The description defying beauty and remoteness of the islands have attracted generations of adventurers, explorers and travellers to their shores. The real age of European exploration did not take place until the 18th century and many of the islands we will visit have changed little since that time. Their sheer isolation has been their saving grace and apart from an influx of missionaries in the late 19th century, western culture has made few inroads.

The only comfortable way to explore this beautiful and intriguing region is by sea and sailing aboard the all-suite MS Island Sky with just 100 fellow, like-minded travellers, we will be able to use the onboard Zodiacs to explore inlets, bird sanctuaries and land in otherwise inaccessible places accompanied by our expert expedition team including naturalists, marine biologists and ornithologists who will share their knowledge and enthusiasm during forays ashore and whilst on board. Our days will be spent on nature walks, searching for endemic birds, beachcombing, snorkelling or swimming from the beautiful beaches, interacting with the locals and learning about their way of life and traditional handicrafts or, simply experiencing some of the most pristine tropical scenery to be found anywhere in the world.

## WHAT TO EXPECT...

Flexibility is the key to an expedition cruise; sometimes the whole day's schedule will be changed to maximise your experience, something that would not be possible on a large cruise ship. Each day holds something new and to provide you with an idea of what to expect, below is an extract from the ship's log from when the MS Island Sky last visited the region.

**Nuku'alofa, Tonga:** Our first day in the Kingdom of Tonga and we begin with the capital, Nuku'alofa. The police band played us off the MS Island Sky and dancers greeted us on the wharf as we made our way to the interesting assembly of vehicles of diminishing size. Our first stop on our tour was at Ancient Tonga where we spent time learning about the kava ceremony in depth, making of tapa cloth, weaving, traditional medicine and cooking. Some energetic dancing from the men and some less energetic but nonetheless lovely dancing from the women. We were invited to taste the food and ask lots of questions, some of us were even dressed up in traditional garb. Leaving Ancient Tonga behind we then had a tour of the island including stops at the spot Captain Cook landed, past a two-headed palm tree, a blowhole and the royal palace.

## The Itinerary

**Day 1 London to Tahiti, French Polynesia.** Fly by scheduled flight via Los Angeles.

**Day 2 Papeete, Tahiti.** Arrive today and transfer directly to the MS Island Sky which will be moored in Papeete. After free time to acclimatise we sail in the early evening.

**Day 3 Bora Bora.** One of the most stunning islands on the planet, Bora Bora's interior is crowned by majestic eroded volcanic formations and a distinctive black basaltic peak. A tour of the island will take you past colourful villages, archaeological sites, scenic viewpoints and World War II relics. This afternoon explore independently or take the opportunity to swim from the beach.

**Day 4 At Sea.** Enjoy a relaxing day at sea cruising towards the Cook Islands.

**Day 5 Aitutaki, Cook Islands.** This lovely lagoon is famous for its fascinating coral formations and bountiful brightly hued tropical fish. After a lively welcome, choose to join a morning island drive which will explore the sleepy village of Arutanga with the oldest church in the Cook Islands. We will see the lush forest of Nikaupara, ancient marae and the bunkers built during World War II which are visible from Mount Piraki. From the top of Maunga Pu we are treated to breathtaking views of the island and lagoon. Alternatively, you may wish to join our naturalists for a cruise and snorkel in the lagoon, explore independently or take the opportunity for a swim before we sail in the late afternoon.

**Day 6 Atiu.** Our exploration of the Cook Islands continues at the small island of Atiu. With only 560 residents we will be guaranteed a special welcome. A choice of activities this morning includes a bird tour to search for the Rarotonga monarch, chattering kingfisher, Cook Islands fruit dove and Atiu swiftlets. Alternatively, discover the island on a tour which will include James Cook's landing site from 1777, the coffee plantations and a visit to some of the local houses. After lunch on board there will be the opportunity for a relaxing afternoon swimming from the beach or maybe enjoy a taste of the local Tumunu, a traditional drink brewed from fermented oranges.

**Day 7 Rarotonga.** Arrive this morning in Rarotonga, the hub of the Cook Islands where we have a day to explore. Join a nature walk in the Takitumu Conservation area, a 155 hectare forested area in the interior of the island. Here we can look for some endemic birds such as the Rarotongan flycatcher, Pacific pigeon and fruit dove whilst walking in the beautiful scenery of the park. Alternatively, explore the history and culture of the island on a drive including the sacred marae, site of the seven canoes and local churches. Return to the ship for lunch and enjoy an afternoon to explore further at your own pace.

**Days 8 & 9 At Sea.** Spend two days at sea as we continue our journey across the Pacific. Maybe join a lecture in the lounge or stay on deck to watch for wildlife.

**Day 10 Niue.** Over breakfast we arrive in Niue, one of the smallest independent nations on earth at just 260 square kilometres with a population of just 1200 people. Populated since the 10th century, the first European to sight Niue was Captain Cook in 1774 but his attempts to land were refused by the inhabitants. Today we will visit the capital, Alofi Village, and stop at the Philatelic Bureau, where some of the world's most sought after stamps may be purchased. Later the more active may choose to continue to Matapa Chasm, a secluded cleft in the sea cliffs, where we can walk down to discover the perfect swimming hole. Alternatively enjoy a swim or snorkel from the beach. Return to the ship for lunch and an afternoon sailing.

**Day 11 International Date Line Day, Neiafu & Nuku Island, Tonga.** After crossing the International Date Line (today is the 5th March) we arrive this morning in the Vava'u islands, part of the kingdom of Tonga, and the pretty port of Neiafu. Spend the morning exploring the town independently, maybe visit the local market or enjoy a drink in a harbour-side café. Alternatively, join a tour to the Ene'io Botanical Gardens, founded in 1972 they are the only botanical gardens in Tonga. Here the local guides will identify some of the 550 different plant varieties found in the gardens. Over lunch we hope to reposition to the nearby Nuku Island and use our Zodiacs to find a suitable location to land and set up snorkelling activities. There are many different species of colourful tropical fish here and we hope to see the graceful black-and-yellow angelfish and curious clownfish on the surrounding reefs.

**Day 12 Nuku'alofa, Tongatapu.** Spend the morning in Nuku'alofa, the capital of Tonga where we have a chance to explore this laidback town and the island of Tongatapu. Having never been colonised by Europeans we will experience traditional Polynesian culture alongside beautiful beaches and spectacular natural wonders. We will see the historical Captain Cook landing site from his 1777 voyage, explore the Royal Palace (Tonga retains the last monarchy in the Polynesia), and the famous Tongan blowholes, considered the most spectacular in the South Pacific. Return to the ship for lunch and an afternoon cruising.

**Day 13 Fulaga, Fiji.** Arrive this morning in Fiji at the Southern Lau Group and the island of Fulaga, famous for its woodcarving and the making of large outrigger canoes. Over 100 tiny islands in the Fulaga Lagoon have been undercut into extraordinary mushroom shapes and the surrounding waters are tinged with striking colours by the dissolved limestone. On arrival we hope to meet with the village elder to welcome us to the island before spending the day chatting with the villagers, taking nature walks or using

The much loved MS Island Sky is one of our two flagships and sister vessel to the MS Hebridean Sky. Both vessels were built in the same shipyard in Italy at similar times and share the same excellent attributes that make them two of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Island Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

## Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a seating area and some have private balconies, whilst those on the Marco Polo Deck feature tinted, sliding glass doors allowing greatly enhanced viewing opportunities and quick access to the deck. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and each suite affords considerable comfort with en-suite bathroom featuring marble-topped vanity unit with sink and walk-in shower, a large wardrobe, dressing table and excellent storage. There is a mini-fridge, television and a telephone in each suite. Refillable water bottles, dressing gowns and slippers are also provided for your comfort. Other facilities include a safe, hairdryer, assorted Noble Isle toiletries, air-conditioning and heating. The comfortable beds in each suite can be configured as either double or twin.

## Your Dining

With only one sitting and a maximum of just over 100 passengers, the cuisine on board the MS Island Sky is of a consistent superior quality that befits such a vessel. In keeping with the informal atmosphere on board, when dining you are able to choose your seating arrangements and choice of restaurants at your leisure; whether that be joining a table of four to six other passengers in the elegant à la carte Restaurant or outside buffet-style on the Lido Deck in the evening sunshine. In the main Restaurant, breakfast is served buffet-style, with certain items cooked to order on request. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. To enhance your dining experience further a selection of wines is included with both meals. Afternoon tea and pre-dinner canapés take place in either the comfort of the Lounge or the Club. Tea and coffee are also available 24 hours a day. Special diets can be catered for with sufficient notice.

In addition to the main Lounge, there is also The Club, located on the Marco Polo Deck which features the main bar. The Club also features a 24-hour tea and coffee station. Towards the aft of the ship on the Columbus Deck is the Library. Well stocked with reference books pertaining to the destinations the vessel is visiting and a selection of essential reads, you will not find yourself short of excellent literature on board. A collection of games as well as devices to access the internet via the ship's satellite can also be found in the Library. Access to the ship's satellite Wi-Fi via your own device is complimentary on board (*signal strength varies depending on location and demand*). The main Restaurant, which can seat all guests at one sitting, is located on the Magellan Deck, and outside there is a rear Lido Deck located on the Erikson Deck where meals are served in warm weather under shade. Further to this on the top Explorer Deck there is an observation area ideal for spotting wildlife, complete with sun loungers for sunbathing, relaxing with a book or catching up with fellow travellers. ## Your Comfort

The MS Island Sky is equipped with the latest safety, navigation and communications equipment along with roll stabilisers to minimise the ship's motion. During your voyage we hope to offer you the opportunity to visit the Captain and Officers on the Bridge to check the vessel's progress by charts and learn more about your journey. On board you will also find a clinic and Doctor and a lift that serves all decks. When at anchor our nimble Zodiacs will ferry you ashore or, on select cruises, enjoy Zodiac cruises getting you closer to the natural world.

## Your Life On Board

The atmosphere on board is warm and convivial and more akin to a private yacht or country hotel in which you can learn more about wonderful destinations you are visiting in the company of like-minded people. There is a high ratio of crew to passengers and our friendly crew of 75 are mainly Filipino and Eastern European and our Captains are experienced mariners. After a day ashore you will return to the comfort and peace of a well-run and exceedingly comfortable ship where peace, high quality of service and attention to detail are the order of the day.
