PASSAGE ALONG THE DOURO

Discover the beauty of the Douro Valley
aboard the MS Gil Eanes

2nd to 9th June & 26th September to 3rd October 2027

NOBLE CALEDONIA

Mateus Palace

The Douro is not the longest, grandest or most historic of Europe's rivers, but it certainly is one of the most untouched and beautiful. From its meagre beginnings in the hills north of Madrid it makes its way through Northern Portugal in a meandering flourish to the ocean and the endlessly fascinating city of Oporto. Our cruise aboard the MS Gil Eanes offers the opportunity to sail this delightful river and experience some of the local flavour. Where vessels once laden with barrels of port drifted to Oporto, we will cruise along this lovely river, relaxing on board whilst admiring the beautiful passing scenery and stopping each day for fascinating excursions.

Our navigation of the Douro will take us from Oporto on a wonderfully scenic path, past sleepy villages and a tranquil countryside of almond and citrus trees to just before the Spanish border. From here we will visit Spain's ancient seat of learning, Salamanca, with its grand buildings in rich copper hues and the country's most magnificent square, Plaza Mayor. During our river journey we will also visit the world renowned port wine region, restored palaces, places of pilgrimage and cultural centres. Small towns and settlements perched on the sloping hillsides of the region have retained an aura of Medieval simplicity, its many tiny communities, largely agricultural, clustering around historic churches, monasteries and castles.

THE ITINERARY

Day 1 London to Oporto, Portugal. Fly by scheduled flight. Upon arrival transfer to the MS Gil Eanes and embark. This evening meet your fellow travellers at the welcome dinner.

Day 2 Oporto. This morning there will be a guided tour of Oporto, Portugal's second largest city and a World Heritage Site. This attractive city was originally a Celtic-Iberian settlement and became a prosperous Roman village thanks to its natural harbour. During our tour we will drive through its narrow streets to find 16th century arcaded buildings, Baroque churches and chapels, as well as the city's iconic 19th century iron bridge, built by the school of Gustav Eiffel. We continue along the coastal road of the Atlantic to the mouth of the Douro River to view this wealthy neighbourhood with its fashionable villas and manor houses. Our final visit will be to the city's cathedral, located on the top of Penaventosa Hill. Inside are beautiful

examples of golden carved altarpieces and paintings from the Nasoni period, whilst outside we will enjoy the amazing view over the river. The tour will conclude with a stroll and some free time to explore the riverfront promenade of Cais da Ribeira with its pastel buildings, restaurants and buzzing atmosphere. Return to the ship for lunch and enjoy a relaxing afternoon on board.

Day 3 Regua. From our mooring at Regua we will visit the unique 18th century Mateus Manor House and its gardens. This fine looking palace is still owned by the Count of Vila Real and is one of the best examples of Baroque architecture in Portugal. During our guided tour of the palace we will see the "rare books" library as well as vestments and religious icons, and view the remarkable chestnut wood crafting on the ceilings and some beautiful paintings from the 17th and 18th centuries. Stroll around the

romantic gardens which feature a unique 100 foot long cedar tunnel and formal garden and visit the villa's pretty chapel. Return to the vessel which will have sailed to Tavora to meet us. Enjoy lunch on board and continue cruising towards the Spanish border.

Day 4 Salamanca, Spain. Today we will enjoy a full day tour to Salamanca, a Spanish city rich in culture and tradition. Salamanca has been famous as a seat of learning since the early 13th century and has an impressive history, with many fine monuments and architecture. The city attracts around 40,000 international students each year, giving it a cosmopolitan and modern feel. Our guided tour will include the University, House of Shells and the classic Plaza Mayor, formally a bullfighting site. We will also visit the Gothic "New Cathedral" which was actually constructed in the 16th century, replacing the original 12th century Salamanca Cathedral. After lunch in a local restaurant, enjoy some free time to explore independently. Maybe visit the Casa Lis (the Museum of Art Nouveau and Art Deco), or simply stroll through the plazas and side streets of this delightful city. Return later to the vessel for dinner.

Day 5 Almeida or Coa Museum, Portugal. There will be a choice of excursions today, maybe join a drive to Almeida, one of the finest examples of a ramparted fortification still standing in Portugal. The fortress was built in the 17th century to surround a Medieval castle and, when seen from above, has the appearance of a 12 pointed star. Strategically located on a plateau just 12 kilometres from the Spanish border, it featured in many historic battles during the Wars of Restoration as well as the French invasions of the 19th century. We can explore the narrow streets that preserve the historic atmosphere inside the town as well as walk the fortress walls. Alternatively, we will make our way to the Coa Museum which celebrates the prehistoric art of the Coa Valley. The Coa is a tributary of the Douro where thousands of examples of ancient rock art have been discovered from the Upper Paleolithic, Neolithic and Iron Age and the region has been declared a UNESCO World Heritage Site.

Day 6 Pinhao, Douro Valley. Enjoy a leisurely morning on board as we cruise to Pinhao, located in the heart of the Douro Valley. The region is one of the oldest demarcated wine regions in the world with a microclimate perfect for grape cultivation. An afternoon drive takes us through steep terraced vineyards that stretch up the riverbanks and boast breathtaking views. Visiting one of the local Quinta we will learn about the production methods

and will have the chance to sample some of the local wines.

Day 7 Lamego. Sail early this morning towards Folgosa where we will disembark and enjoy a half day excursion to the historical and charming town of Lamego. This city houses one of the most important places of pilgrimage in Portugal - the Sanctuary of Our Lady of Remedies. Built in the second half of the 18th century over the remains of a 14th century chapel, it is an excellent example of the Portuguese Baroque style. It is wonderfully decorated with enormous panels of blue and white tiles and has an impressive staircase of nearly 700 steps. During lunch on board we sail back to Oporto crossing the Crestuma-Lever dam. This evening we will be entertained by a Portuguese folklore show on board.

Day 8 Oporto to London. Disembark after breakfast and transfer to the airport for the return scheduled flight to London.

THE ITINERARY

Day 1 London to Lisbon, Portugal. Fly by scheduled flight. Upon arrival transfer to our hotel in Lisbon for a two night stay. Meet later tonight for our welcome dinner. (D)

Day 2 Lisbon & Sintra. Set on seven hills on the banks of the River Tagus, Lisbon has been the capital of Portugal since the 13th century. It is a city famous for its majestic architecture, old wooden trams, Moorish features and more than twenty centuries of history. Following disastrous earthquakes in the 18th century, Lisbon was rebuilt by the Marquis de Pombal who created

an elegant city with wide boulevards and a great riverfront and square, Praca do Comercio. Today there are distinct modern and ancient sections, combining great shopping areas with culture and sightseeing in the Old Town, built on the city's terraced hillsides. During our panoramic tour we will see the Monument to the Discoveries and Belem Tower and visit the famous Jeronimos Monastery. This afternoon we will drive to the UNESCO World Heritage Site of Sintra where we will visit Sintra National Palace, famous for its magnificent painted ceilings. The palace is the only survivor of the country's Royal Halls, dating from the Middle Ages. Later enjoy some free time to explore the town which still retains much of its Medieval layout before driving back to Lisbon. (B)

Day 3 Lisbon to Coimbra. Check out this morning and drive to the city of Tomar where we will visit the Convento de Cristo. Founded in 1160 by Gualdim Pais, and headquarters of the legendary Knights Templar, this extraordinary monument is a rambling concoction of Gothic, Manueline and Renaissance architecture. After lunch we will continue our journey to Coimbra and check in to our hotel for a two night stay. Meet for dinner and a Fado performance this evening. (B, L, D)

Day 4 Coimbra. Spend the day in charming Coimbra, the Medieval capital of Portugal for over 100 years and the site of the country's

greatest university for the past five centuries. Visit the stunning 16th to 18th century buildings, including the Paco das Escolas (Royal Palace). We will enjoy lunch at a local restaurant followed by a free afternoon for individual exploration. (B, L)

Day 5 Guimaraes. After breakfast in the hotel we will drive to Guimaraes, the birthplace of Afonso Henriques, the first independent King of Portugal. Guimaraes has beautifully preserved its illustrious past; its Medieval centre is a warren of lanes and picturesque plazas framed by 14th century edifices and on an adjacent hill stands the 1,000 year old castle and the palace built by the first Duke of Braganca in the 15th century. Enjoy lunch at a local restaurant before checking in to our hotel for an overnight stay. (B, L)

Day 6 Guimaraes to Braga to Oporto. Spend the morning in Braga, an elegant town laced with ancient narrow lanes, plazas and Baroque churches. After lunch we will transfer to the MS Gil Eanes moored in Oporto. (B, L)
