PASSAGE ALONG THE RHONE

Discover the cultural & natural splendours of the Rhone
aboard the MS Van Gogh with Guest Speaker Imogen Corrigan

23rd to 31st May & 31st May to 8th June* 2022

NOBLE CALEDONIA

Abbaye Saint-Andre

Palais des Papes, Avignon

Exploring any country by river provides the traveller with extra insight, understanding and a lasting memory. This is particularly true of France where Mother Nature has provided the most perfect means of observing a great swathe of the country and as we meander along the scenic Rhone we will explore one of her loveliest corners. The Rhone, dubbed the “River of Angels” by Robert Louis Stevenson, offers a passage through history past great architectural treasures, through some truly wonderful scenery and an ever-changing countryside dotted with cypress, umbrella pine and vines.

Our programme combines excursions ashore to nearby towns and sites as well as time at leisure, so you can truly relax and experience all that the region has to offer. There will be the opportunity to explore France’s gastronomic capital Lyon and visit Avignon, the great City of Popes which boasts a number of splendid museums, churches and palaces. We will also discover some of the many impressive Roman sites including the amphitheatre at Arles, the Roman theatre of Orange and the magnificent Pont du Gard. In addition, no trip to Provence would be complete without visiting the surrounding countryside and we will visit the Ardeche Gorges as well as some of the surrounding hillside villages. All this will be accomplished with ease from the comfort of the delightful MS Van Gogh.

Guest Speaker – Imogen Corrigan

Imogen served for nearly twenty years in the British army, retiring in the rank of Major at the end of 1994. She then went to the University of Kent to study Anglo-Saxon and Medieval history and art, graduating with 1st Class Honours. She became a freelance lecturer, running study tours for several travel companies and lecturing for the Arts Society and Noble Caledonia. She has a wide range of lecture subjects encompassing

most of Europe from the west of Ireland to Istanbul, and from North Cape to Morocco, covering 1,000 years of history. Imogen is always interested in ideas, artistic techniques and motifs when travelling and especially in trying to understand the mind-set of the people who lived at that time. Her first book *Stone on Stone: the Men who built the Cathedrals* was published in January 2019.

The Itinerary

Day 1 London to Lyon, France. Fly by scheduled flight to Lyon or travel by train from London St Pancras. Upon arrival transfer to the MS Van Gogh and embark. Meet your fellow travellers this evening during welcome drinks and dinner. The ship will moor overnight in Lyon.

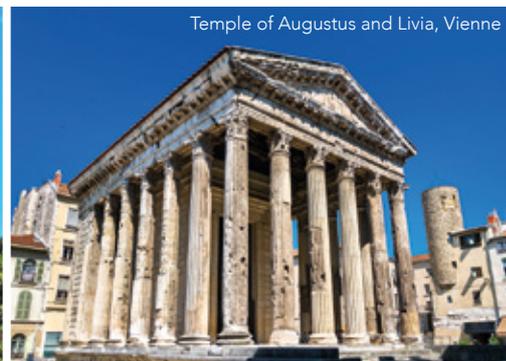

Day 2 Lyon. Today begins with a guided tour of the old part of the city, including the amazingly decorated 19th century hilltop Basilica of Notre Dame. Take a walk through the ‘Halles de Lyon’, a famous food market where renowned chefs are often spotted selecting their ingredients. The afternoon is free to wander past the shops and cafes on the banks of the Saone. Sail south to Vienne during dinner.

Day 3 Vienne. We will spend this morning in the fine Roman town of Vienne, beautifully located in the Rhone Valley and surrounded by hills. On our walking tour, we will learn about its Roman era with a visit to the Temple of Augustus and Livia and the Roman theatre located in the centre of town. Also visit the Romanesque-Gothic Cathedral of St Maurice. Relax on board this afternoon as we continue sailing south.

Day 4 Ardeche Gorges & Chateau Grignan. This morning we will visit the Ardeche Gorges with its magnificent scenery, most notably the

spectacular limestone cliffs and the Pont d'Arc, the largest natural arch in Europe. We will also stop at a lavender museum where we will learn about the secrets of the flower and its culinary, medicinal, and cosmetic uses. Return to the ship for lunch after which we will drive to Grignan. A charming hillside village, Grignan was made famous by Madame de Sevigne in her letters. Here we will visit a truffle farm where we will have the chance to taste some of these local delicacies. Continue to Chateau de Grignan which, originally built in the 11th century, was transformed into a luxurious residence during the Renaissance.

Day 5 Orange & Chateauneuf du Pape. This morning we have a half day tour of Orange, site of the greatest of all Roman theatres to survive in the West. The magnificent, semicircular Theatre Antique, situated in the centre of town, was built just before the birth of Christ. Accommodating 7,000 spectators, its acoustics are superb. This is also the only Roman theatre still possessing its original Imperial statue of Caesar Augustus, which, at 12 feet in height, is one of the tallest in existence. After lunch on the ship we will enjoy a wine tasting in Chateauneuf du Pape, an area renowned for its rich ruby reds.

Day 6 Pont du Gard & Uzes. Today we will drive to Pont du Gard, the impressive Roman aqueduct built in the first century as part of a system to bring water to Uzes and Nimes. Later, continue to historic Uzes, a gem of a town with a captivating history and some imposing and very beautiful buildings including the castle of the Ducs d'Uzes. This afternoon we will sail to Avignon. Perhaps enjoy an evening stroll through the narrow streets inside the Medieval walls.

Day 7 Avignon & Abbaye Saint-Andre. The great City of the Popes boasts a number of splendid museums, churches and palaces. Our guided walking tour will include the Palais des Papes, one of the wonders of Provence and the largest and most important Medieval Gothic buildings in Europe. We will also visit the Cathedral and famous Pont Benezet, a bridge that spans the Rhone between Villeneuve les Avignon and Avignon. After lunch on board, we will visit Abbaye Saint-Andre's beautiful gardens with its Florentine inspiration and excellent views of Avignon and the Rhone Valley. The Abbey is located atop the hill known as Mont Andaon and now lies within the impressive Saint-Andre fortress.

Day 8 Arles. Our final morning will be spent exploring Arles. A UNESCO World Heritage Site, Arles sits on a low hill where the Rhone river branches in two parts to the sea. The town dates back to the 7th century BC and was a major Gallo-Roman city. The Roman sites are unique in that they are integrated into the houses and buildings of the town. During our walking tour we will see the huge amphitheatre and the former Cathedral of St Trophime, a Romanesque Basilica constructed in the 12th century. After lunch on the ship, enjoy some free time before we sail upstream to Avignon. This evening join your fellow travellers for farewell drinks and dinner.

Day 9 Avignon to London. Disembark this morning and transfer to Marseille or Nice airport for the return scheduled flight to London, or travel by train to London St Pancras.
