Queen Hatshepsut Temple, Luxor

Karnak Temple

Here is a passage through antiquity, an incomparable journey with a wealth of sites on offer including biblical landmarks, Crusader castles, Egyptian temples and tombs as well as the magnificent Nabatean city of Petra. We have planned the journey for November when temperatures will be pleasant for exploring and with the aid of our knowledgeable local guides and excellent Guest Speaker, we will learn of some fascinating civilisations.

Our first call is the Cypriot port of Limassol from where we sail to Israel for three and a half days of exploration as we discover an extraordinary collection of both classical and Biblical sites. Following a transit of the Suez Canal, one of the world's greatest feats of civil engineering, we spend time in Egypt exploring some of the great monuments of the Pharaohs, the divine kings of thirty dynasties who ruled Egypt for some thirty-five centuries. See the great temples of Karnak, the Valley of the Kings, the Pyramids of Giza and the Sphinx and spend some time in Cairo's magnificent Egyptian Museum.

We continue to Jordan where we leave the MS Serenissima and spend three nights in five star hotels. From the desert sands of Wadi Rum, to the grandeur of Petra and the mystical Dead Sea, Jordan is steeped in history and awe inspiring beauty. Petra, a city set deep in the Edom mountains and lost to Western 'civilisation' for hundreds of years was hewn directly from the rock by the Nabateans and is an amazing feat of engineering and construction. As you explore this vast and complex city, whose wealth came from its proximity to the ancient Middle East trade routes, you cannot help but be impressed by the industry and sophistication of this ancient civilisation.

Guest Speaker – David Price-Williams

David Price-Williams has a first degree from the University of Wales in Ancient Near Eastern languages with a subsidiary in Attic and Koine Greek. His postgraduate work and his doctorate, from the University of London, is in Near Eastern archaeology. His first overseas archaeological field work in the eastern Mediterranean was in 1969 as a field surveyor at the classical site of Knidos in Turkey. He then worked for the Smithsonian Institution as an archaeological field surveyor on excavations in the Near East before directing his own field research in the same area through the early 1970s. David has just retired after almost forty years lecturing on the Archaeology of Western Asia (Eastern Mediterranean) at the Institute of Archaeology for the University of London Extra Mural Department. He is the author and co-author of numerous academic papers on the area and several books. He is a Fellow of the Royal Geographical Society, an elected life member of the Society for Old Testament Studies as well as the Southern African Quaternary Research Association.

The Itinerary

Day 1 London to Limassol, Cyprus. Fly by scheduled flight to Larnaca. On arrival transfer to the MS Serenissima moored in Limassol. Enjoy welcome drinks and dinner as we moor overnight.

Day 2 Limassol. Our morning tour will include the Temple of Apollo, one of the main religious centres of ancient Cyprus where Apollo was worshipped as God

of the Woodlands. It seems that the worship of Apollo on this site began as early as the 8th century BC and continued until the 4th century AD. We will continue to the ruins of Kourion, a city built in 1200 BC. Of particular interest are the public baths, the necropolis, the Fountain House, House of Gladiators and House of Achilles. The most spectacular site at Kourion is the Greco-Roman Theatre that has been completely restored and is used today for open air musical and theatrical performances. After lunch on board the afternoon is at leisure before we sail in the early evening.

Days 3 & 4 Haifa, Israel. We arrive in Israel at the northern port of Haifa for two days of exploration including options to visit Nazareth, the childhood home of Jesus. Called the City of Annunciation, Nazareth is revered as the spot where the Angel Gabriel appeared before Mary to tell her she was to bear the Son of God. Enjoy panoramic views of the city and visit the Church of the Annunciation, which is built where Mary is said to have lived. Maybe visit the shores of the Sea of Galilee where we find Capernaum's ancient synagogue and Peter's House before stopping in Tabgha, home to the Church of the Multiplication of Loaves and Leaves, with its 5th century mosaic floor. We will drive up Mount Carmel for a breathtaking view over the bay from the top of the city's famous Bahai Gardens. We also plan to visit Acre, one of

the oldest continuously inhabited sites of the region and once the chief port of the Crusaders. Visit the underground city seeing the Crusader halls, crypt and the tunnels used as a secret route to the port. Also visit the bazaar and the UNESCO site of Kahn El Umdan (Inn of the Columns) one of the best-preserved caravanserai in Israel. The last option is to drive to Caesarea – the impressive ruins rest on the coast halfway between Haifa and Tel Aviv. This grand ancient city and harbour were built by Herod the Great between 22 and 10 BC and reigned capital over its region for almost 600 years. Named after the Roman Caesar Augustus, it had all the amenities of a splendid Roman city: baths, a hippodrome, a theatre and an aqueduct and we can explore the remains in the archaeological park.

Days 5 & 6 Ashdod. We continue our exploration of Israel from the southern port of Ashdod where we will spend a day and a half. During our time here we will organise visits to Jaffa, the ancient port city from which Tel Aviv developed. Famous for its association with the biblical stories of Jonah, Solomon and St Peter, it has a fascinating history stretching back over four thousand years. We will explore the highlights including the Clock Tower, Flea Market and the renovated alleys and buildings of the city. We will also drive inland to Jerusalem including a visit to the Mount of Olives from where we can enjoy spectacular

views over the 'Golden City' of Jerusalem. Follow in the footsteps of Jesus as you walk through the Garden of Gethsemane, where Jesus spent the last moments before his arrest. Wander the streets of the Old City from Jaffa Gate to the Church of the Holy Sepulchre and continue through the Christian Quarter to the bazaar, passing the Roman Cardo in the Jewish Quarter and the Western (or Wailing) Wall. Our last afternoon is at sea and we arrive in Port Said in the evening to prepare for our transit of the Suez Canal.

Day 7 Suez Canal Transit. Spend the day in transit of the Suez Canal and the Great Bitter Lake.

Day 8 Port Tawfiq for Cairo, Egypt. Today is a full day tour dedicated to the capital city of Cairo. We visit the impressive Pyramids of Giza and the Sphinx, the only survivor of the Seven Wonders of the Ancient World and the tombs of the great Pharaohs and their queens. After lunch we visit the Egyptian Museum with 107 halls that are separated into seven sections. The museum houses statues, jewels and treasures of Tutankhamun. We will visit the Amarna Room and see the Fayoum portraits and monuments from the later periods from the Greeks and the Romans. Return to the MS Serenissima for dinner this evening.

Day 9 At Sea. Spend the day on board as we sail through the Red

Sea and Gulf of Suez. Join one of our lectures or find a spot on deck as we sail to Safaga where we arrive this evening and moor overnight.

Days 10 & 11 Safaga for Luxor, Egypt. The port of Safaga will be our base for our overnight trip to Luxor. After driving through the desert our first call will be on the West Bank, one of the most famous and important archaeological sites in the world. See the Valley of the Kings, burial ground of the pharaohs for a period of 500 years. The tombs vividly depict the journey of the sun god and pharaoh through the dangers of the underworld. In the temple of Queen Hatshepsut you will discover scenes commemorating the reign of this exceptional monarch such as the ambitious voyage where she sent her ships on the Red Sea to the mysterious land of Punt. After our visit we transfer to our hotel in Luxor for some time to relax before meeting for dinner. Our second day will include the temples of Karnak, one of the most memorable and popular historical areas to visit in the world. Here you will witness the unbelievably vast array of monuments dedicated to Amun-Ra, king of the gods, his wife Mut and their son Khonsu. Just two of the highlights you will see are the great hypostyle hall with over 130 columns some 22 metres high and the obelisk of the powerful queen pharaoh Hatshepsut. We will have some time to explore the souk before continuing to the Nile for a

Ramesses II and Karnak Temple, Luxor

Petra

short cruise including lunch. In the afternoon we will board our coaches and return to the MS Serenissima in Safage.

Day 12 Aqaba, Jordan. After a busy couple of days we will have a relaxing morning at sea arriving in Aqaba at lunchtime. This afternoon explore the old town of Aqaba including time to walk through the bustling souk. This evening we will transfer to one of the beaches in the Aqaba Marine Park for a barbecue by the sea.

Day 13 Wadi Rum & Petra. Disembark this morning as we drive to Wadi Rum, also known as the Valley of the Moon where the desert landscape is mixed with awe-inspiring shapes to create an almost supernatural atmosphere. We will embark on an adventurous excursion by a Bedouin open top four-wheel drive vehicle. We begin at the visitor centre from where there is a view in the distance of the Seven Pillars of Wisdom, the famous landmark named after the book by T.E. Lawrence 'Lawrence of Arabia'. During our excursion we will also see the Alameleh inscriptions which are a good example of ancient rock drawings, Siq Um Al Tawaqi, a short canyon containing a carving of the head of T.E. Lawrence and ruins of Allat (Goddess) Temple of the AAD tribe. After lunch we continue our journey to Little Petra, where a modest gorge (Siq el-Barid) leads into the area of carved tombs and

monuments. See the Painted Cave which is believed to have been a shelter for a sect focused on Dionysus, the ancient Greek god of wine, as it contains remains of Greek-style plaster artwork, quite unique for Petra, displaying tangled vines and flowers with brightly coloured birds and cupid-like figures. After our visit transfer to our hotel and meet for dinner tonight.

Day 14 Petra. After breakfast in the hotel we will explore the breathtaking Nabatean city of Petra which was carved out of the rose-red sandstone about 2000 years ago and has been voted as one of the New Seven Wonders of the World. Walk past the Obelisk Tomb and then through the Siq, the narrow 1.2 kilometre gorge that leads to Petra's most impressive monument, the Treasury which was carved out of the pale reddish sandstone in the 1st century BC. Pass by the dozens of classical Nabatean ruins and tombs known as the Street of Facades, the remarkable 3000 seat Theatre, the Royal Tombs, the Colonnaded Street, the Byzantine Church, the Temple, the Monumental Arch and the mighty Qasr el-Bint Faroun. After lunch amidst the ruins of Petra you will have the option to return to the hotel for an afternoon at leisure or stay and explore the site further independently. Those feeling active may choose to climb about 900 steps up to the large, 1st century AD monument known as the Monastery with its remarkable views over Wadi

Araba. Meet tonight for dinner.

Day 15 Madaba & Dead Sea. After breakfast drive to Madaba, home of the most famous Byzantine mosaics. Visit the greatest and most significant of all the city's treasures, the wonderful mosaic map of ancient Palestine, which is located on the floor of the Greek Orthodox Church of St. George. The 6th century AD map, hailed as the oldest in existence, was depicted for the benefit of the pilgrims on their way to the Holy Land, as it represented the surrounding regions

as well. After lunch we will continue to our hotel in the Dead Sea. This afternoon is free to swim or float here which, at 423 metres below sea level is the lowest spot on earth. The high salt content prevents the existence of any life forms but is also believed to provide healing properties with the mud on the sea bed being rich in minerals. Meet tonight for dinner in the hotel.

Day 16 Amman to London. Check out this morning and transfer to Amman airport for our scheduled flight to London.

MS SERENISSIMA

Harald Jarl Lounge

Venice Restaurant

Andrea Lounge

The charming MS Serenissima began her career as the Harald Jarl, cruising the Norwegian coastline and fjords. Since 2003, when she was extensively renovated, she has been operating as a classic cruise ship. Previously known as the MS Andrea, she was upgraded again in 2013 and started her new life as the MS Serenissima. With her small size she can navigate into small, remote ports inaccessible to the big cruise ships and appears an impressive sight when moored. With her fleet of Zodiacs, she is capable of both destination and expedition cruising.

Your Cabin/Suite

Accommodating no more than 95 passengers, there are eight different grades of cabins arranged over five decks, and all feature either windows or portholes. The cabins are attractively designed for comfort and convenience. All cabins are fully air conditioned with an en-suite bathroom with shower (please note cabins 601 - 605 and 507 have a bath with shower attachment) and a selection of toiletries in addition to a hairdryer, robes and slippers. All cabins come equipped with telephone, flat screen television, safety deposit box and other thoughtful appointments. Refillable water bottles are available in all cabins for use on board. Due to the very nature of the ship, the cabins vary in shape and size, adding to the vessel's overall charm.

Your Dining

The free seating Venice Restaurant accommodates all guests in one sitting and, with its Deck 5 location, all of the tables benefit from great views. The picture windows also make the restaurant wonderfully light and airy. Breakfast is served buffet-style with cooked dishes available and eggs to order by the ship's accomplished chef. Lunch is also served buffet-style

with hot and cold dishes available. Dinner is served à la carte and is four courses, except at the Captain's Dinner, which is a six course affair. Where possible, local produce is sourced for an authentic dining experience. A choice of red or white wine, beer and soft drinks is included at lunch and dinner. In good weather there are al fresco dining facilities available and tea and coffee are available around the clock in the Andrea Lounge.

Your Space

The facilities on board include two lounges – the larger Andrea Lounge is comfortable and spacious and the smaller Harald Jarl Lounge is more intimate. There is also a small library and Wi-Fi is available at an extra cost throughout the vessel. The outside areas really are something special. A spacious observation deck allows 360 degree views of the passing scenery. From here, step down to the lido area with Jacuzzi and outside bar. The covered seating area at the back of Deck 6 is ideal for relaxing with a drink in hand. Perhaps, one of the best known and loved features of this vessel is its unique style. During the major refit in Sweden the then owners commissioned Swedish interior designers to create a country house style which has recently been updated with some Art Deco styling which works particularly well on a vessel of this vintage, providing intimacy and a classic nautical sensibility often lacking in larger vessels.
