## THE ITINERARY

**Day 1 London to Lyon, France.** Fly by scheduled flight to Lyon or travel by train from London St Pancras. Upon arrival transfer to the Amadeus Provence and embark. Meet your fellow travellers this evening during Welcome Drinks and Dinner as we sail upstream along the River Saone.

**Day 2 Macon & Cluny.** Today we visit Cluny Abbey, once the most powerful Benedictine Abbey of the West. Built in the Romanesque style, it was founded by William I, Duke of Aquitaine in 910. The Abbey was renowned

for its strict adherence to the Rule of St Benedict and is the place where the Benedictine Order was formed. Although most of the great Abbey of Cluny stands in ruins, the ruins still suggest the size and glory of the Abbey at its zenith, and imagining it as it once was is part of the attraction. Return to the ship for lunch and enjoy an afternoon sailing.

**Day 3 Beaune.** From Seurre we travel to the principal town of the Cote d'Or and here we visit the world-famous 15th century Hospices de Beaune,

with its remarkably decorated roof, gallery, kitchen and a well-preserved idea of how the beds would have looked in the Grand Salle des Malades. Beaune is a blend of cobble streets, Medieval half-timbered houses, flowered squares and gardens. After some free time to stroll through the alleys and old streets we return to the ship for lunch and an afternoon at leisure. Sail this evening during dinner.

**Day 4 Dijon.** Today's excursion will take us to Burgundy's capital and one of the most attractive French cities. Filled with elegant Medieval and Renaissance buildings, Dijon served as the capital of the Duchy of Burgundy from the 11th to 15th centuries. Visit the old town including the Palais des Ducs de Bourgogne with its 18th century Neoclassical façade, and the Chateau du Clos de Vougeot, a former Cistercian abbey and now the headquarters of Chevalier du Tastevin brotherhood. Return to our mooring at St. Jean de Losne for an afternoon at leisure.

**Day 5 Tournus.** Today we visit the charming town of Tournus. On a morning walking tour we will visit the Eglise St Philibert; this magnificent Romanesque church has an austere façade dating from the 10th century. Explore the rest of the town with its wealth of old buildings, alleyways, antique shops and cafes. Set sail during lunch and enjoy a lecture on board.

**Day 6 Lyon.** Today begins with a guided tour of the old part of the city, including the amazingly decorated 19th century hilltop Basilica of Notre Dame. Take a walk through the 'Halles de Lyon', a famous food market where renowned chefs are often spotted selecting their ingredients. The afternoon is free to wander past the shops and cafes on the banks of the Saone, or perhaps visit the marvellous fabric museum (Musee Historique des Tissus) or the equally fascinating Musee des Beaux-Arts housed in a 17th century Benedictine Abbey. Sail south during dinner to Vienne.

**Day 7 Vienne.** On our morning walking tour of the town of Vienne, we will learn about its Roman era with a visit to the Temple of Augustus & Livia and the Roman theatre located in the centre of town. Also visit the Romanesque-Gothic Cathedral St Maurice. Relax on board this afternoon, or enjoy some free time in this delightful spot before joining your fellow travellers for the Farewell Dinner this evening. Sail to Lyon and moor overnight.

**Day 8 Lyon to London.** Disembark this morning and transfer to the airport for the return scheduled flight to London, or travel by train to London St Pancras.

**Day 4 Lyon.** This morning will be spent exploring the gastronomic capital of France. During our guided tour we will travel up Fourviere Hill where we will see Vieux Lyon stretching along the right bank of the Saone, with its districts of St. Jean, St. Paul and St. Georges. St. Jean, with its beautiful houses of the Gothic, Renaissance and late 16th century period, is a

splendid example of the glorious era which saw the city become one of the most important centres of trade and banking. Here we will visit a truffle farm where we will have the chance to taste some of these local delicacies. Continue to Chateau de Grignan which, originally built in the 11th century, was transformed into a luxurious residence during the Renaissance.

# A WEEK IN PROVENCE

Discover the cultural & natural splendours of the Rhone

7<sup>th</sup> to 14<sup>th</sup> September 2019

Fly south for late summer in Provence, one of the loveliest corners of France. The light is magical, the colours vibrant and the landscape as beautiful and mesmerising as it appeared to the great impressionist artists. Few places in France stir the emotions as much as Provence and our programme combines excursions ashore as well as time at leisure, so you can truly relax and experience all that this wonderful region has to offer.

On our week long river journey there will be the opportunity to visit the exquisite town of Avignon, the historic city of Nimes and discover some of the impressive Roman sites in Arles and Orange. But, no trip to

Provence would be complete without some time spent in the surrounding countryside and we will visit Aigues Mortes and take in the wild and beautiful landscape of the Camargue. In considerable comfort and style we will explore the River Rhone and take excursions to nearby towns and sights and sail through an ever-changing countryside dotted with cypress, umbrella pine and vines.

## THE ITINERARY

**Day 1 London to Avignon, France.** Fly by scheduled flight to Marseille or Nice, or travel by train from London St Pancras. Upon arrival transfer to the Amadeus Provence in Avignon and embark. Meet your fellow travellers this evening during Welcome Drinks and Dinner on board. Sail tonight to Arles.

**Day 2 Aigues Mortes.** Today we will enjoy a morning excursion to explore the charming village of Aigues Mortes. Encircled by walls, it was built in the mid 13th century by Louis IX to give the French crown a Mediterranean port under its direct control. Take a scenic drive back through the Camargue to the ship — the region is best known for its

incredibly varied wildlife and white horses. Enjoy a leisurely afternoon on board sailing upstream.

**Day 3 Avignon, Pont du Gard & Uzes.** Our walking tour this morning will concentrate on the Palais des Papes, the huge Gothic Palace of the Popes which was built in the 14th century as a fortified palace for the pontifical court. Sail during lunch and this afternoon drive to the nearby Pont du Gard, the impressive Roman aqueduct built in the first century as part of a system to bring water to Uzes and Nimes. Later, continue to historic Uzes, a gem of a town with a captivating history and some imposing and very beautiful buildings including the castle of the Ducs d'Uzes.

Pont d'Arc, Ardeche Gorges

**Day 4 Orange & Viviers.** This morning we have a half day tour to visit Orange, site of the greatest of all Roman theatres to survive in the West. The magnificent, semicircular Theatre Antique, situated in the centre of town, was built just before the birth of Christ. Accommodating 7000 spectators, its acoustics are superb. This is also the only Roman theatre still possessing its original Imperial statue of Caesar Augustus, which, at 12 feet in height, is one of the tallest in existence. Sail this evening for Viviers. Perhaps enjoy an evening stroll in this charming village.

**Day 5 Ardeche Gorges.** From our mooring at Viviers, we will visit the Ardeche Gorges with its magnificent scenery, most notably the spectacular limestone cliffs and the Pont d'Arc, the largest natural arch in Europe. Return to the ship for lunch. Enjoy a lecture on board as we sail to Avignon.

**Day 6 St Remy de Provence & Les Baux de Provence.** This morning enjoy a half day tour to St Remy de Provence, proud possessor of one of the truly great funerary memorials of the Roman world, the cenotaph erected in honour of the grandsons of Augustus, Gaius and Lucius – also the Romanesque cloister of St-Paul-de-Mausole at Egalieres. Return to the ship for lunch before enjoying an afternoon excursion to Les Baux de Provence. Located on a rocky plateau in the hilly Alpilles, the town provides a breathtaking panoramic view over Arles and the Camargue. It has been patiently restored and now boasts a historical and architectural heritage consisting of 22 listed buildings.

**Day 7 Nimes & Arles.** This morning there will be a tour to the city of Nimes, one of the finest examples of prosperous Gallo-Roman settlements in southern France. Originally named Nemausus (for the local god of spring), the city served as a regional Celtic capital. Though succumbing to Roman control in 121 BC, the city's continued importance was assured by its location on the Via Domitia, the main Roman road between northern Italy and Spain. The best-known monument of Nimes is the Maison Carree, a remarkably well-preserved oblong Roman temple built during the 1st century AD, featuring exquisite carvings along the cornice and on the Corinthian capitals. Today, the building is a museum and contains an imposing statue of Apollo. Return to the ship, which will have sailed to Arles to meet us, for lunch on board. Our final afternoon will be spent exploring Arles. See the huge amphitheatre and the former Cathedral of St Trophime, a Romanesque Basilica constructed in the 12th century. Join your fellow travellers for the Farewell Dinner this evening as we moor overnight.
