NOBLE CALEDONIA

Join us aboard the 100-passenger MS River Crown as we cruise along the mighty Rhine and lovely Moselle. This detailed look at two of Europe's great rivers will offer a captivating and endlessly romantic journey as we sail between Basle and Amsterdam experiencing the diverse scenery along the route. We have chosen October and early June for our sailings, wonderful times of the year for such a cruise when the weather is ideal for touring and sightseeing and the crowds of tourists in the popular towns and cities along the rivers are yet to have arrived or will have dispersed.

Our comprehensive journey includes some of the most interesting places in the Netherlands, the great wine producing areas along the Moselle and the historic cities of Koblenz and Cologne, combined with visits in France to Colmar and Strasbourg, an endlessly fascinating place in the delightful Alsace region. The scenery is stunning and makes an excellent combination with the artistic riches we shall see along the way from the wonderful collections on show in the museums and galleries to the fairytale castles and Medieval charms of the towns and villages along the rivers.

Each port of call has its own unique character waiting to be discovered whilst on one of our guided excursions and we have also ensured there is plenty of time to relax on board and enjoy some truly beautiful scenery whilst cruising. Our local guides and interesting talks by our Guest Speaker will create an enjoyable, informative and lively atmosphere on board.
