Peterhof Palace, St. Petersburg

Exploring the Baltic by small ship is the most perfect way to visit this endlessly fascinating corner of Northern Europe. The history of the region is intriguing, with countries vying for commercial and political influence for over a thousand years and this complex past will be brought to life by our onboard Guest Speaker and informative local guides, helping us to gain a greater understanding of both old and new Baltic nations.

Our trip is certainly one of the most comprehensive, visiting as it does Sweden, Finland, Russia, Estonia, Latvia, Lithuania, Poland, Denmark, Germany and The Netherlands before ending in the UK. We will spend time in the charming Scandinavian ports before arriving in St Petersburg, surely the most endlessly fascinating of all Baltic ports. Our three full days here will be spent exploring Peter the Great's magnificent city as well as venturing out to some of the fabulous country estates on the Baltic shores. We will visit some relatively new states with their charming Medieval old towns, especially striking are those of Tallinn and Riga where the old and new flourish like never before since the departure of their Soviet masters.

With over twenty five years of operating cruises in the Baltic, we believe we have the perfectly balanced itinerary combining visits to the "must see" sights with some of the more remote ports and islands such as the Estonian island of Saaremaa and the islands of Christianso and Bornholm, places only accessible by a small ship like the MS Hebridean Sky.

The Itinerary

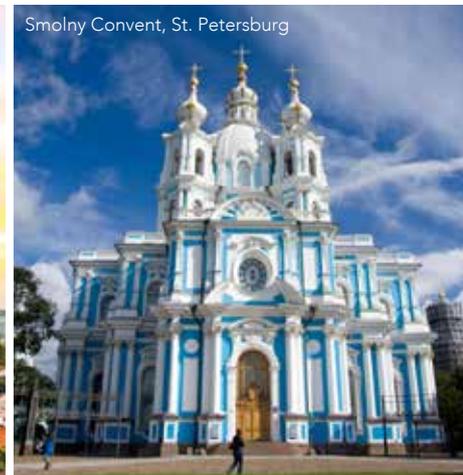

Day 1 London to Stockholm, Sweden. Fly by scheduled flight. Arrive in Stockholm and transfer to the MS Hebridean Sky. Enjoy welcome drinks and dinner on board and moor overnight.

Day 2 Stockholm. This morning we will enjoy a guided city tour which includes the Vasa Museum, built around the 17th century warship which sank in Stockholm's inner harbour on her maiden voyage in 1628; its discovery in 1956 and subsequent salvage in 1961 is one of the most important events in marine archaeology. In addition to the well-preserved, elaborately decorated hull, thousands of items from the ship, including hundreds of sculptures, have been recovered. On our return to the MS Hebridean Sky we will drive through old Stockholm and past the Parliament Building and Royal Palace which overlooks the inner harbour. Be on deck this afternoon as we sail through the many islands of the Swedish archipelago. This is a great sailing area and the islands are peppered with attractive summer homes.

Day 3 Helsinki, Finland. This morning a guided city tour will take us to the colourful Market Square, the President's Palace and the impressive architecture

of Senate Square including the Lutheran Cathedral of Finland and Uspenski Cathedral. We continue to the Sibelius Monument and the impressive Tempeliahukio, the church in the rock, before returning to the vessel for lunch. This afternoon will be at leisure to explore independently before we set sail during tea time for St Petersburg.

Days 4 to 6 St Petersburg, Russia. We have the luxury of three days to explore this most endlessly captivating of Russian cities. Founded in 1703 by Peter the Great, St Petersburg is a fascinating mix of classic and Baroque architecture on a network of canals. We will be offering a number of tours during our time here including visits to the Peter and Paul Fortress, the wonderful Peterhof Palace and gardens, the fascinating Hermitage Museum, Catherine's Palace at Pushkin and a canal cruise through the city. In your free time you may wish to join the optional excursion of Yusupov's Palace, the famed scene of Rasputin's murder, or attend a folklore show. For anyone wishing to visit the ballet one evening we will be able to assist with bookings once the schedules for the theatres are released, we hope to send details of this 12 weeks prior to departure.

Day 7 Tallinn, Estonia. After a morning at sea we arrive in the historic maritime city of Tallinn with her awe inspiring city walls and fortifications, narrow Medieval streets and the gateways which remain remarkably well preserved. In the Upper Town we will enjoy the views from Dome Hill with the extraordinary vista of domes, spires and gables and see Toompea Castle, once a fortress, and now the seat of the Estonian parliament. Walking to the Lower Old Town we will visit the main Square where we will find the oldest pharmacy in Europe, the Gothic Cathedral and the 15th century Town Hall.

Day 8 Saaremaa. This morning we arrive at Estonia's largest island which offers a glimpse of a bygone age. Untouched by industry it is a green and very pleasant land dotted with attractive villages in a rolling forested landscape. During a morning drive we will visit the lovely capital Kuressaare with its magnificent Medieval castle and stroll through the streets of the enchanting old town. Continue inland on a journey that will take you back in time through a countryside of stone walls, thatched roofs, traditional villages and windmills. Return to the ship for lunch and spend a relaxing afternoon at sea as we sail for Riga.

Day 9 Riga, Latvia. This morning we will explore Latvia's capital by foot. Founded in the 13th century it became one of the most successful trading cities of the Baltic. Explore

the Old Town with its Medieval streets lined with Hanseatic warehouses and punctuated with Gothic and Baroque churches including St Peter Cathedral, the largest Medieval church in the Baltic. Spend an afternoon exploring independently or relaxing on board.

Day 10 Klaipeda, Lithuania. Founded in 1252 by the Teutonic Knights of East Prussia, Klaipeda was annexed by Hitler in 1939 and almost destroyed towards the end of World War II. After a morning at sea, this afternoon we have a choice of touring options. You may wish to head into the countryside where we will experience village life and visit the Memorial Museum dedicated to Lithuanians sent to Siberia or who fought against the Soviets during the Cold War years. Alternatively, take the scenic drive to the Zemaitija National Park, home to Lake Plateliali and surrounded by dense forest. It was in these forests that, during the Cold War, the Soviets hid their first nuclear missile base directed at all the major European cities. Our tour will visit the Cold War Museum located in the former Soviet Missile Base. We will visit the bunkers, see the control centre and learn more about the weapons held at the site and their evolution.

Days 11 & 12 Gdansk, Poland. We will spend a day and a half in this charming city. Gdansk's 1000 years of history have left a collection of buildings and monuments designed

in Gothic, Renaissance and Baroque styles. Upon arrival we will leave the city and enjoy a full day tour to Malbork Castle and a journey on the Elblag Canal. The 13th century Malbork Castle belonged to the Teutonic Order and at the time was the largest castle in the world. Over the years it has been used as a royal residence as well as a fortress and was renovated after being damaged during World War II. The 80 kilometre Elblag Canal is a wonder of engineering designed in 1860 to connect East Prussia with the Baltic Sea. The challenges of the 100 metre difference in water levels between Bruzno Lake and Piniewo Lake was solved by a series of slipways, locks and dams with boats being carried across dry land on rail mounted trolleys. We will take a boat trip along the canal before returning to the ship in Gdansk. The following morning enjoy a city tour where we will walk along the cobbled streets of the Royal Way in the old quarter and view the elaborate architecture, including the 15th century merchant's palace of Artus Court. Also see the pride of Gdansk, Gothic St. Mary's, which is the world's largest brick church, accommodating some 25,000 worshippers.

Day 13 Ronne, Bornholm Island, Denmark. Over breakfast we arrive to the peaceful and scenic island of Bornholm - a mixture of wheat fields, forests with an attractive coast dotted with fishing villages. On a full day excursion we will see the famous 12th century Osterlars

Round Church and visit the town of Gudjem where we can sample the smoked herring. We will then take local public ferry to cross over to the tiny island of Christianso, the easternmost part of Denmark. Here we will explore the area independently on foot, perhaps visit the old fortress of King Christian V and learn about the island's past including its history as an island prison. Alternatively, enjoy a morning drive in Bornholm and explore the picturesque town of Ronne at leisure in the afternoon.

Day 14 Travemunde, Germany. This morning we arrive into Travemunde and after breakfast we will take a tour through the scenic countryside of Schleswig-Holstein. This verdant landscape is interspersed with a string of some 200 lakes and we will enjoy a boat ride from Plon on the lakes of Edeburg, Hoft, Behl, Lange and Diek to Malente. From Malente continue on to the picturesque town of Eutin and explore the gardens of the Baroque castle followed by some time at leisure strolling through the narrow pretty streets. Return to the ship for lunch and this afternoon there will be the opportunity to visit Lubeck independently or relax on board.

Day 15 Kiel Canal. In the very early hours we begin our transit of the historic 61 mile long Kiel Canal and sail from the Baltic into the North Sea. Kaiser Wilhelm I set the first foundation stone in place on June 3, 1887 in Brunsbittel, and

the final stone was laid by Kaiser Wilhelm II on June 21, 1895, in Holtenau. Today, the Kiel Canal is one of the busiest man-made waterways in the world. Depart the canal just after breakfast and spend the remainder of the day cruising.

Day 16 The Hague, Netherlands.

This morning we will call into the port of Scheveningen and visit The Hague, the Netherlands' third largest city. A stately, regal place it is filled with mansions, green boulevards and parks and some of the most stunning palaces and museums. On our tour this morning we pass the Peace

Palace and explore the historical Binnenhof on foot. Also visit the delightful Mauritshuis Museum, the unique 17th century palace that houses "The Girl with the Pearl Earring" and "The Goldfinch" as well as many other world famous paintings by the Dutch Masters. Return to the MS Hebridean Sky for lunch and spend a relaxing afternoon at sea.

Day 17 Portsmouth, UK.

The Restaurant

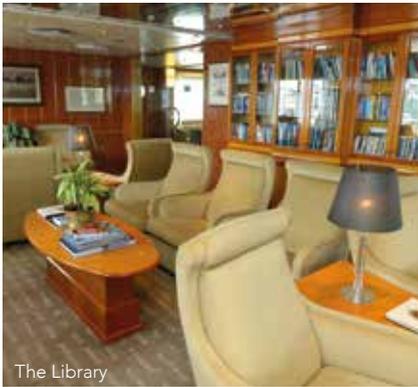

The MS Hebridean Sky is one of our three flag ships and sister vessel to the MS Island Sky and MS Caledonian Sky. All three vessels were built in the same ship yard in Italy at similar times and share the same excellent attributes that make them three of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Hebridean Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a sitting area and some have private balconies. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and all suites have outside views with those on the Scott and Shackleton Decks featuring private balconies. Each suite affords considerable comfort with en-suite bathroom featuring vanity unit with sink and walk-in shower, large wardrobes, dressing table with large mirror and stool and excellent storage. There is a mini-fridge, flat screen television and a telephone in each suite. Refillable water bottles, towelling dressing gowns and slippers are also provided for your comfort. Other facilities include a programmable electronic safe, hairdryer, assorted Molton Brown toiletries and individually controlled air-conditioning and heating. Soft hues and blended tones enhance the traditional maritime style making the passenger accommodation an inviting and relaxing place to be.

Your Dining

With only one sitting and a maximum of just over 100 passengers, the cuisine on board the MS Hebridean Sky is of a consistent superior quality that befits such a vessel. In keeping with the informal atmosphere on board, when dining you are able to choose your seating arrangements and choice of restaurants at your leisure; whether that be joining a table of four to six other passengers in the elegant à la carte Restaurant or, outside buffet-style on the Lido Deck in the evening sunshine. In the main Restaurant, breakfast is served buffet-style, with certain items cooked to order on request. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. To enhance your dining experience further a selection of wines is included with both meals. Afternoon tea and pre-dinner canapés take place in either the comfort of the Lounge or out on the Lido Deck when the weather is favourable. Tea and coffee are also available 24 hours a day. Towards the aft of the ship on the Mawson Deck is the Library. Well stocked with reference books pertaining to the destinations the vessel is visiting and a selection of essential reads, you will not find yourself short of excellent literature on board. A collection of games and devices to access the internet via the ship's satellite can also be found in the library. Access to the ship's satellite Wi-Fi via your own device is complimentary on board (*signal strength varies depending on location and demand*). During your voyage we hope to offer you the opportunity to visit the Captain and Officers on the Bridge to check the vessel's progress by charts and learn more about your journey. On board you will also find a clinic and Doctor and a lift that serves all decks. When at anchor our nimble Zodiacs will ferry you ashore or, on select cruises, enjoy Zodiac cruises getting you closer to the natural world.

Your Life On Board

The atmosphere on board is warm and convivial and more akin to a private yacht or country hotel in which you can learn more about the wonderful destinations you are visiting in the company of like-minded people. There is a high ratio of crew to passengers and our friendly crew of 75 are mainly Filipino and Eastern European and our Captains are experienced mariners. After a day ashore you will return to the comfort and peace of a well-run and exceedingly comfortable ship where peace, high quality of service and attention to detail are the order of the day. A little music in the Lounge or bar after dinner, Guest Speakers and informative port briefings and of course good food, all contribute to make any voyage aboard this wonderful vessel a memorable and joyful experience.
