# SPLENDOURS OF BORDEAUX & AQUITAINE

A sumptuous wine tasting cruise along the Garonne & Gironde Rivers,  
from the grand city of Bordeaux to the Arcachon Basin aboard the MS Cyrano de Bergerac  
With Guest Speaker David Hunter  
17<sup>th</sup> to 23<sup>rd</sup> September 2022

NOBLE CALEDONIA

Join us as we sail through charming scenery on a relaxing cruise through the region of France famous for its 'Art de Vivre'. Our journey combines the glories of the French landscape with the famous wine region of Bordeaux which produces the world's highest concentration of fine wines.

The success of wine production in the Bordeaux area is attributed to its proximity to sea and rivers which give it a moderate climate with a low risk of severe frosts. While the majority of attention is focused on the top Bordeaux wines, 1855 Classified Growths and the best wines from the prestigious Right Bank appellations, there are 54 different Bordeaux appellations in total with a combined acreage of more than 296,596 acres. Throughout the entire Bordeaux region, close to 450 million bottles of wine are produced in most years. At its heart, sitting alongside the Garonne River, the city of Bordeaux is surrounded in nearly all directions by its world-famous vineyards.

We have timed our river cruise through this picturesque region during the late summer when temperatures are warm and tourist sites less crowded. There will be a variety of wine tasting opportunities during our cruise including Château Lanessan and Château Gruaud-Larose (Haut Medoc), Château de la Dauphine (Fronsac) and Château Myrat (Sauternes). There are also opportunities for further wine tasting at the historic Château Pape Clément and the beautiful Château Carbonnieux. Other highlights include the remarkable Citadel at Blaye, the Basin d'Arcachon and the charming city of Bordeaux.

## Guest Speaker – David Hunter

David went to Germany in 1968 for three months' work experience abroad in the wine cellars of H Sichel Söhne, and ended up staying with the company for 25 years. After finishing his apprenticeship at Maison Sichel Bordeaux, he returned to London where he later became the company's purchasing director. This involved frequent trips to both Germany and to key wine producing regions in France, focusing in particular on Bordeaux,

Burgundy and the Rhône where on the commercial side he purchased wines both in bulk and in bottle for the Sichel portfolio. This also included buying classed growth clarets "en primeur" or "futures". Latterly this also involved visits to Oporto and Jerez. David has just retired from the Wine and Spirit Education Trust after 20 years of service. A holder of the Diploma qualification, David has lectured regularly in his specialist subjects of Bordeaux, France in general and Germany as well as fortified wines.

## The Itinerary

**Day 1 London to Bordeaux, France.** Fly by scheduled flight or travel by train from London St Pancras via Paris. On arrival transfer to the MS *Cyrano de Bergerac* and embark. This evening meet your fellow travellers for the welcome drink and dinner on board.

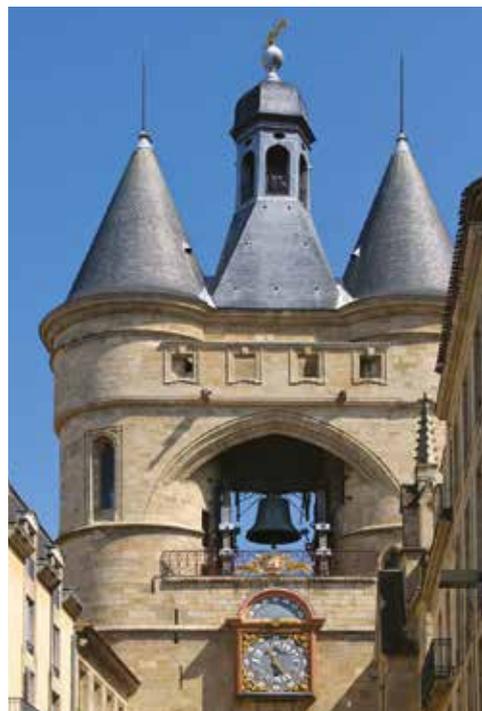

**Day 2 Bordeaux to Cussac-Fort-Medoc.** Enjoy a leisurely morning on board as we cruise along the Garonne and Gironde Rivers, arriving into the small town of Cussac-Fort-Medoc this afternoon. After lunch on board, there will be a choice of two fabulous wine estates to visit. The first choice is Château Lanessan, an estate which dates from 1793 and houses a famous cellar and a sophisticated horse museum with superb stables and a collection of horse-drawn carriages dating back to the "Belle Epoque". Alternatively visit Château Gruaud-Larose, an estate with a long history in the St Julien appellation dating back to the days when the property was first owned by a knight known as Joseph Stanislas Gruaud. Today the Château produces an average of 18,000 cases of wine each year, offering a powerful Bordeaux wine in a traditional style. Each visit will include the estate's cellars, followed by a wine tasting. The excursion to Château Lanessan also includes a visit to the Horse Museum. Afterwards we travel along the Route des Châteaux (Mouton-Rothschild, Lafite-Rothschild, Cos d'Estournel, Saint Estephe) with several photo opportunities en-route of these magnificent châteaux. Return to the ship and enjoy dinner on board this evening and an overnight mooring.

**Day 3 Cussac-Fort-Medoc to Gironde Estuary & Blaye.** This morning we will cruise along the Gironde to the estuary and after breakfast we arrive in Blaye for a half day tour to Cotes de Bordeaux. The wine appellations in the Blaye area cover a total of 6000 hectares, with no fewer than 700 winegrowers. Red Blaye Côtes de Bordeaux are mainly Merlot based, deep-coloured wines with fruity aromas. Sauvignon Blanc, the star grape variety in White Blaye Côtes de Bordeaux wines, has lovely citrus acidity, and a long after taste. We will set off on our excursion along the Corniche, or cliff route, stopping in the village of Bourg, a charming city built on a rocky outcrop enclosed by Medieval ramparts. Here, we visit the superbly located Château Tayac, overlooking the river, for a wine tasting and end our morning with a visit to the Citadel at Blaye. Return to the ship and enjoy a leisurely afternoon sailing.

**Day 4 Blaye to Libourne & Saint-Emilion.** We set sail early this morning, join the river Dordogne and head for Libourne where we arrive in the early afternoon. After lunch on board, we set off by coach on our excursion to Saint-Emilion. Enjoy a guided visit of the underground monuments of Saint-Emilion village. We then visit an exceptional Troglodyte settlement – the cave of Emilion. Continue to Château de la Dauphine at Fronsac, for a tasting of their fabulous wines. Since the 18th century, the wines of

Fronsac and Canon-Fronsac enjoyed the best of reputations in the Libourne region, and even rated higher than their neighbours in Saint-Emilion and Pomerol. We also visit the first floor of the château, which is truly majestic, built by 1750 in the classical style and set within beautiful gardens.

**Day 5 Arcachon Basin, Bordeaux & Pessac-Léognan Region.** Today we will be berthed in Bordeaux from where there will be a choice of excursions. Join a full day excursion to the centre of the Arcachon basin where we begin our tour by boarding local boats for a mini cruise of the Basin d'Arcachon, touring around Bird Island, ending at Le Canon where we visit an oyster farm. Here we learn about the farming and history of the oyster, after which we will enjoy an oyster tasting. After lunch in a local restaurant continue for a panoramic drive of Bordeaux city before returning to the ship. Alternatively, join a half day morning city tour of Bordeaux which will include highlights such as the cathedrals of Saint Andre and Saint Michel followed by a visit to the world-class Cité du Vin with its imaginative and interactive approach to wine, as well as its extraordinary wine shop offering over 800 wines. After lunch on board this afternoon there will be a choice of included tours. Visit the nearby Château Pape Clément, one of the oldest Grand Crus in the whole Bordeaux region. The vineyard was planted in the 13th century by Bertrand de Goth, who went on to become Pope Clement V. Alternatively, take a tour to the nearby Pessac-Léognan region, where we will visit the beautiful Château Carbonnieux. On arrival enjoy some free time to explore the winery which offers a permanent exhibition of classic cars, wine worker's

Château Cos d'Estournel

tools and a boutique selling the estate's produce. Afterwards there will be a delicious cheese and wine pairing session before the drive back to the vessel. Moor overnight in Bordeaux.

**Day 6 Cadillac.** We cruise to Cadillac early this morning from where we will depart for a morning tour of Château de Roquetaillade where the dungeon tower dates from the 11th century, and the quarters of the Seigneurs from the 12th century. The "new castle" was refurbished by Viollet le Duc, initiator of the Gothic Revival Movement in France 1840-1870 and well-known for his interpretive restorations of Medieval buildings such as Notre Dame Cathedral in Paris, and the ramparts of Carcassonne. We conclude with a visit to nearby Sauternes for a tasting of this delicious sweet wine at Château de Myrat, property of family De Pontac who have been involved in Bordeaux vines since 1533. Since 1960 it has produced the famous sweet white wine of Sauternes, ranked as a Grand Cru of Second Growth (Deuxième Cru) class in the original Bordeaux Wine Official classification of 1855. This evening join your fellow travellers on board for a farewell dinner as we cruise back to Bordeaux.

**Day 7 Bordeaux to London.** Disembark after breakfast and transfer to the airport or train station for your return journey to London.
