SPLENDOURS OF SICILY

A CIRCUMNAVIGATION OF SICILY
ABOARD THE MS HEBRIDEAN SKY

4TH TO 13TH OCTOBER & 13TH TO 22ND OCTOBER 2021

NOBLE CALEDONIA

Join us aboard the all-suite MS Hebridean Sky for this new, in-depth discovery of Sicily and all its wonders. This unique island has an incredible wealth of treasures and a geography which lends itself beautifully to exploration by sea with most points of interest located close to the coast. During our circumnavigation of the island, and in the company of just 100 fellow, like-minded travellers we have the luxury of seven days of exploration of Sicily's rich heritage which we can undertake at a relaxing pace. Our voyages are timed for October when the crowds of summer will have departed and the temperatures will be pleasant for our guided tours, and your enjoyment and understanding of the history of the island will be greatly enhanced by our expert local guides and onboard Guest Speaker.

Owing to its benevolent climate and superb strategic position, Sicily has been coveted, fought over and colonised numerous times with the Phoenicians, Greeks, Romans, Arabs, Normans, Byzantines and Bourbons having all made their mark. From magnificent Doric temples to great Byzantine cathedrals and bizarrely styled villas, there is so much to explore. We will visit the Roman mosaics of Villa Romana di Casale, the Valle dei Templi, the superbly well-preserved Greek temples of Segesta, the Norman Royal Palace and Palatine Chapel in Palermo, Byzantine Monreale Cathedral and the stunning Greek theatre at Taormina. We have planned some late departures from port which afford the opportunity to enjoy dining ashore or an after dinner stroll in some towns which are particularly atmospheric in the evening. In addition to our time spent in Sicily we have the added benefit of an overnight mooring and full day in Malta at the beginning of our voyage.

The Itinerary

Day 1 London Heathrow to Valletta, Malta. Fly by exclusively chartered British Airways flight. Our return drive takes us through the province of Caltanissetta, recognised today as one of the best winemaking regions in Italy thanks above all to its production of high quality, prestigious red wines including Nero D'Avola. We will break our journey at one of these vineyards and enjoy a chance to sample some wine over a Sicilian lunch before returning to the ship.

Day 2 Valletta & Mdina. After breakfast we will disembark and begin a walking tour of Valletta, the 16th century "Fortress City" built by the Knights of St John. We will take in the stunning views across the harbour from the Barakka Gardens, explore Merchants Street containing the surviving auberges built by the Knights of St John of Jerusalem, together with the palace where Napoleon Bonaparte is believed to have stayed in 1798. Our final stop will be at St John's Cathedral. After lunch on board we travel inland to the city of Mdina which was originally given the name of "Citta Nobile" and is now known as the "Silent City" at the heart of the island. Mdina is Phoenician in origin and was the fortified capital of the island before the arrival of the Knights.

Day 3 Licata for Piazza Armerina, Sicily. From the port of Licata we travel inland to what is regarded as the finest Roman site in Sicily, the Imperial Roman Villa of Casale, which is located close to Piazza Armerina amidst wooded rolling countryside. This huge villa was

built in the 3rd century and has some stunning floor mosaics. Our return drive takes us through the province of Caltanissetta, recognised today as one of the best winemaking regions in Italy thanks above all to its production of high quality, prestigious red wines including Nero D'Avola. We will break our journey at one of these vineyards and enjoy a chance to sample some wine over a Sicilian lunch before returning to the ship.

Day 4 Agrigento for Valley of the Temples. Although handsome in its own right and awash with Medieval atmosphere, Agrigento is not our main reason for calling at this southern coast port. Close by is the Valle dei Templi, a series of Doric temples and the most captivating of Sicilian Greek remains, a grouping unique outside Greece. Surrounded in greenery of olive and almond trees, admire the Temple of Hera, the Temple of Concordia, the Dioscuri Temple, the Temple of Olympic Jove and the Temple of Hercules. After lunch on board enjoy an afternoon at leisure to explore Agrigento independently. Shuttles will run from the port to the town and the excellent archaeological museum.

Day 5 Trapani. Trapani was the landing point for Peter of Aragon in 1282 to start the Spanish occupation of Sicily. This morning

there is the option to travel inland to explore Segesta, one of the grandest Doric monuments to survive. See the unfinished temple dating from 424 BC as well as the theatre from where you can enjoy excellent views of the countryside and distant coastline. Alternatively visit Erice, famed in antiquity for its temple dedicated to the goddess of love, the Phoenician Astarte, Greek Aphrodite or Roman Venus. A tour via cable car will take us to this stunning site high above the sea and to the beautifully preserved Medieval town characterised by its winding cobblestone streets and beautiful courtyards. Both tours will then enjoy a Sicilian lunch at a nearby olive oil farm. We return to the ship later in the afternoon and there will be the opportunity to wander around Trapani at leisure as we plan to sail later in the evening.

Day 6 Palermo. Arrive this morning in the Sicilian capital of Palermo. After breakfast we will explore the city, famous for its jumbled and picturesque streets punctuated with ornate Baroque churches, domed Arab mosques and the glittering Byzantine mosaics that reveal a unique and diverse heritage. We visit the impressive 12th century cathedral which houses the royal tombs of Henri VI and King Ruggiero. Return to the ship for lunch and this

afternoon either enjoy some time to explore independently or join an excursion to Monreale Cathedral, said to be the most beautiful Norman Church in Italy, designed and completed by William the Good in 1174. With its thick walls and powerful towers, the exterior looks like an austere fortress yet it is the interior of this great cathedral which is its crowning glory. Here the large nave, with its side aisles and grey granite columns set off the exquisite Byzantine mosaics on the walls above the arches.

Day 7 Messina for Taormina. From the nearby port of Messina we will visit Taormina, a walled town lying in the shadow of Mount Etna, Europe's highest volcano. The town has been a popular tourist destination since the 19th century

Palermo Cathedral

Valletta

Mosaic floor, Villa Romana del Casale

and our guided tour will include walking the characteristic alleys before visiting the 15th century Palazzo Corvaja and the impressive Greek Theatre from where there are marvellous views over the town and coast. Return to the ship for lunch and spend a relaxing afternoon at sea as we sail to Syracuse where we moor overnight.

Day 8 Syracuse. Syracuse was founded by the Greeks in 734 BC and by the 5th century was a political and military power throughout the Mediterranean which rivalled Athens as the largest and most beautiful city in the Greek world. On leaving the vessel we visit the Neapolis Archaeological Park where we will find a well preserved Greek theatre with seats carved from limestone. Paradise Quarry, now an attractive garden and orange grove, was the primary source of that limestone and is the site of the curious 'Ear of Dionysius,' a vast grotto with an amplifying resonance. We will continue to explore the island of Ortigia where we will find the Temple of Apollo, considered to be Sicily's most ancient Doric temple and the Baroque Cathedral, erected over the remains of the Temple of Minerva. The afternoon is free to explore independently.

Day 9 Noto & Ragusa. From our berth in Pozzallo we will explore

the Baroque cities of Noto and Ragusa. Built in 1703 Noto is a picturesque city located on the terraced slopes of Mount Iblei among olive groves and almond trees. A guided walk along the central streets will reveal the 18th century Palazzo Ducezio and some Baroque churches: San Francesco Immacolata, the cathedral, San Carlo, Santa Chiara and the imposing Palazzo Nicolaci di Villadorata, built in 1737. We return to the ship for lunch and this afternoon continue to charming Ragusa which has been included in the UNESCO World Heritage list for its artistic architectural heritage with its Baroque palaces, churches, squares and winding narrow streets, all of which create an evocative and ancient atmosphere. We will discover the wonderful Ragusa Ibla: the "Pearl of the Baroque", the gardens, the magnificent palaces, the splendid church of San Giuseppe and the Dome of San Giorgio, built in the 18th century on the site where an older church stood before the earthquake of 1693.

Day 10 Valletta, Malta to London Heathrow. Disembark this morning and transfer to the airport for our exclusively chartered British Airways flight to London Heathrow.
