SPRING FLOWERS & THE GOLDEN AGE OF DUTCH ART

A cruise exploring the art treasures & horticultural highlights
of the Netherlands aboard the MS Royal Crown

19th to 29th April & 29th April to 9th May 2022

NOBLE CALEDONIA

Spring is the perfect time of year to immerse yourself in the cultural and horticultural splendours of the Netherlands. During our voyage aboard the wonderfully comfortable MS Royal Crown, we will explore the countryside in some depth, visiting the magnificent flower displays of the Keukenhof, the historic Castle and Gardens of Middachten, the picturesque towns of the Zuider Zee, the Hortus Botanicus, the oldest botanical garden in the Netherlands and of course the art treasures of Amsterdam and The Hague.

April and May are ideal months for our journey, the bulbs will be at their best and the landscape touched by the arrival of spring. The itinerary we have designed is, we believe, a perfect mix of horticulture, history, art and Dutch lifestyle and makes for a colourful and endlessly interesting cruise.

Hendrika Foster
19th April 2022 Departure

Hendrika was born in Yorkshire with a Dutch father and an English mother. She trained in medical rehabilitation, first working for the NHS and then in her own private practice for 15 years. During that time she began studying art history for pleasure which became a passion. She completed a BA Hons

with the Open University followed by an MA at Bristol University in Classical Heritage followed by 10 years as a tutor in the Department of Continuing Education for Bristol University. Her freelance career has included five years for NADFAS (now The Art Society), but this proved difficult to balance with study tours abroad. Over 15 years Hendrika organised and tutored 39 private art study tours in Italy, and The Netherlands. This background has proved invaluable in working with the Noble Caledonia since 2016. Over the past years, chance has presented opportunities to lecture in Florence at the Palazzo Tornabuoni and the British Institute. A move from Somerset to Hampshire in 2015 provided easy access to London and Hendrika was delighted to be accepted on the lecture team at the V&A Museum. She currently contributes to two courses; High Renaissance to Baroque (in Italy and Northern Europe) and The Classical World and its Afterlife.

After lunch on board, the afternoon is at leisure to either explore independently or join the included tour to the Rijksmuseum. Here, Rembrandt's famous 'The Night Watch' hangs in the Hall of Honour.

paintings. Return to the MS Royal Crown for lunch and enjoy a leisurely afternoon in Arnhem or you may like to join the included visit to the unique Middachten Castle & Gardens. Middachten has never been sold but has always passed from one generation to another. As a result, the interior of the castle still has many of the original household effects, including a large collection of portraits. The gardens, as they are now, came into being around 1900 when the garden architect, Hugo Poortman, brought back elements of the former Baroque style into the landscaped gardens, keeping trees in his "neo" Baroque garden. Sail in the evening towards Dordrecht.

Afterwards, we continue to The Hague for a visit to the beautiful Mauritshuis Museum with its marvellous collection of Dutch Golden Age paintings.

Day 10 Leiden. After breakfast we depart for the vibrant city of Leiden, a treasure trove of narrow streets and canals, lined with beautiful 17th century buildings, including ancient almshouses. On our walking tour we will see the old harbour, Beestenmarkt square and the charming Weddesteeg, where the world-famous painter Rembrandt was born. We continue with a visit to the Hortus Botanicus, the oldest botanical garden in the Netherlands. Return to the ship for a late lunch and sail towards Amsterdam.
