SUMMER IN IRELAND

A VOYAGE FROM LIVERPOOL TO DUBLIN AROUND THE EMERALD ISLE
ABOARD THE MS ISLAND SKY

27TH JULY TO 5TH AUGUST 2025

NOBLE CALEDONIA

If you have been to Ireland before and have been meaning to return or are yet to discover the appeal of what is undoubtedly one of the most beautiful countries in the world, then our summer voyage aboard the MS Island Sky offers the perfect opportunity.

Culturally rich with amazingly gifted writers, poets, musicians and actors, and historically fascinating with a past stretching back some 10,000 years, Ireland is a small isle with enormous character and much to discover, and during our nine night voyage we aim to show you its beauty and delve into its past to gain a better understanding of modern day Ireland.

Exploring in the summer, the gardens we visit including those at Mount Stewart will be at their most appealing and the countryside will be beautiful and inviting. Other highlights of our cruise will be spending time in the picturesque harbour town of Kinsale, cruising around the mystical Skellig Islands, visiting Kylemore Abbey in its stunning setting in the Connemara Mountains, exploring the magnificent scenery of County Donegal and unearthing the myths and legends of the Giant's Causeway.

However, perhaps most of all it will be the charm and warmth of the people that make any trip to Ireland most memorable. As we set sail from Liverpool, a city steeped in Irish history, we can offer an enlightening and entertaining journey sailing past and visiting some of the most enchanting scenery in the world and given the joy de vivre of the Irish we can promise, it will not be boring.

Botanic Gardens, Belfast

The Itinerary

Day 1 Liverpool, England. Embark the MS Island Sky this afternoon. Transfers will be provided from Liverpool Lime Street Station at a fixed time. Enjoy welcome drinks and dinner as we sail in the early evening.

Day 2 Cobh, Ireland. After a morning at sea we will arrive into the Republic of Ireland at lunchtime. From our berth in Cobh, we will take a walking tour of this pretty town with a rich history. It was here that the Titanic made its last call for passengers before setting sail on its fateful journey to New York. The town has had a long maritime tradition and many of the old port buildings have been preserved including the offices of the White Star and Cunard Lines. Walking through the town its history will be revealed by your guide. There will also be a visit to the Titanic Experience, a museum housed in the White Star Line building. From here you can return to the ship or continue exploring Cobh at your own leisure. We will set sail for Kinsale late this evening allowing for the opportunity to spend some further time ashore after dinner.

Day 3 Kinsale. As we sail into the picturesque harbour town of Kinsale we pass the impressive fortifications of Charles Fort and James Fort which were

built in the 17th century to protect against invading Spanish forces. However, today Kinsale is renowned for its brightly coloured buildings and glorious harbour setting which you can explore at your own pace. Renowned as the gourmet capital of Ireland you may wish to take a break in one of the cafés, pubs or restaurants after our morning walking tour. This afternoon we will drive through the delightful countryside and coastal roads to explore the charming and colourful town of Clonakilty, filled with historic buildings, hand painted signs and warm welcomes.

Day 4 Skellig Islands & Valentia Island. Over breakfast we will arrive at the Skelligs, tiny islands just off the magnificent coast of the Dingle Peninsula. Weather permitting, we will sail around these mystical islands with their early Christian history. Skellig Michael is a World Heritage Site and atop this rugged pyramid, that rises from the sea, are the ruins of a monastery. Meanwhile at Little Skellig the sky can on occasion turn white as some of the 20,000 pairs of breeding gannets leave their roosts. Later sail to the famous Kerry (Iveragh) peninsula and anchor at the port of Knightstown on Valentia Island. Spend the afternoon exploring the island, perhaps take a coastal walk, visit the tropical gardens at Glanleam or join an island drive including the Cromwell Point Lighthouse. Alternatively visit Derrynane House, the ancestral home of Daniel O'Connell, known as the 'Liberator' and a key player in the emancipation of Irish Catholics in the early 19th century.

Day 5 Galway. From Galway we explore the beautiful region of Connemara. Here the National Park covers nearly 3,000 hectares of scenic mountains, heaths and woodland and is home to herds of ponies. During our drive along

Connemara National Park

the 'Wild Atlantic Way' we will see beautiful coves, bays and traditional fishing villages where we will experience local culture in this Irish speaking part of the country. Visit Kylemore Abbey which is set on a lake against a backdrop of the Connemara Mountains and home to Ireland's only Benedictine order of nuns who have restored and cared for the Kylemore estate since 1920. Uniquely, only Victorian varieties of flowers and vegetables are grown in the walled garden which contains two distinct areas: the kitchen garden and the flower garden.

Day 6 Aran Islands. Spend the morning at the Aran Islands. We will call into the largest, Inishmore, and explore some of the early Christian sites. This island was a place of monastic study from the earliest Christian times. Also, see the dramatic stone fort of Dun Aonghusa, parts of which date back some 3,000 years. Enjoy a leisurely afternoon at sea sailing north to County Donegal.

Day 7 Killybegs. We spend the day in County Donegal where from our base in the village of Killybegs we have a choice of excursions. Choose to drive west to the Glencolmille area, a Gaeltacht (Irish speaking) area steeped in culture and rich in folklore and music. One of the most scenic areas in Ireland, the drive through the countryside is outstanding. The Folk Museum which opened in 1967 is a monument to Father James McDyer who came to the village in 1952 and set about infusing the local people with a spirit of self-reliance and pride in their heritage. Here we will learn about the history of the area and will enjoy some traditional Irish music. We will also offer a walk through the Bluestack Mountains. This circular 3.5 kilometre walk offers the striking beauty and peacefulness of the mountains and spectacular views. In the afternoon we stroll through Donegal town, which was invaded by Vikings in the 8th century and used as their port, giving its Gaelic name Dun na nGall, 'Fort of the Foreigners'. The walking tour will take in the town's history including the Castle, the ruined Franciscan friary as well as the 'The Diamond' or centre of town where markets were held until 1967.

Day 8 Giant's Causeway & Derry, Northern Ireland. Our first call in Northern Ireland is Lisahally from where we visit the Giant's Causeway which became widely known from the 1700s as the 'Eighth Wonder of the World' and large numbers of visitors came to view this amazing array of basalt columns of which there are estimated to be around 40,000 in total. After a stop at Dunluce Castle, we return to the ship for lunch. This afternoon we will explore Derry, a vibrant city steeped in history. Walking the walls, built over 400 years ago, you can see the city's history all around you. During the tour we will visit St Columbkille Cathedral which has stood on its prominent site inside the city walls since 1633 as well as the Tower Museum which charts the city's history.

Day 9 Belfast. Arrive in the Northern Irish capital where a morning city drive will include the Grand Opera House and the Albert Memorial before passing Queen's University and the Botanic Gardens. Our first stop is the Titanic

Both vessels were built in the same shipyard in Italy at similar times and share the same excellent attributes that make them two of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Island Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a seating area and some have private balconies, whilst those on the Marco Polo Deck feature tinted, sliding glass doors allowing greatly enhanced viewing opportunities and quick access to the deck. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and each suite affords considerable comfort with en-suite bathroom featuring marble-topped vanity unit with sink and walk-in shower, a large wardrobe, dressing table and excellent storage. There is a mini-fridge, flat screen television with inbuilt DVD/CD player and a telephone in each suite. Refillable water bottles, dressing gowns and slippers are also provided for your comfort. Other facilities include a safe, hairdryer, assorted Molton Brown toiletries, air-conditioning and heating. The comfortable beds in each suite can be configured as either double or twin.

Your Dining

With only one sitting and a maximum of just over 100 passengers, the cuisine on board the MS Island Sky is of a consistent superior quality that befits such a vessel. In keeping with the informal atmosphere on board, when dining you are able to choose your seating arrangements and choice of restaurants at your leisure; whether that be joining a table of four to six other passengers in the elegant à la carte Restaurant or outside buffet-style on the Lido Deck in the evening sunshine. In the main Restaurant, breakfast is served buffet-style, with certain items cooked to order on request. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. To enhance your dining experience further a selection of wines is included with both meals. Afternoon tea and pre-dinner canapés take place in either the comfort of the Lounge or out on the Lido Deck when the weather is favourable. Tea and coffee are also available 24 hours a day. During your voyage we hope to offer you the opportunity to visit the Captain and Officers on the Bridge to check the vessel's progress by charts and learn more about your journey. On board you will also find a clinic and Doctor and a lift that serves all decks. When at anchor our nimble Zodiacs will ferry you ashore or, on select cruises, enjoy Zodiac cruises getting you closer to the natural world.

Your Life On Board

There is a high ratio of crew to passengers and our friendly crew of 75 are mainly Filipino and Eastern European and our Captains are experienced mariners. After a day ashore you will return to the comfort and peace of a well-run and exceedingly comfortable ship where peace, high quality of service and attention to detail are the order of the day. A little music in the Lounge after dinner, Guest Speakers and informative port briefings and of course good food, all contribute to make any voyage aboard this wonderful vessel a memorable and joyful experience.
