A fascinating journey along the Nile from Aswan to Cairo aboard the SS Misr

1<sup>st</sup> to 13<sup>th</sup> February, 27<sup>th</sup> February to 11<sup>th</sup> March  
& 23<sup>rd</sup> October to 4<sup>th</sup> November 2023

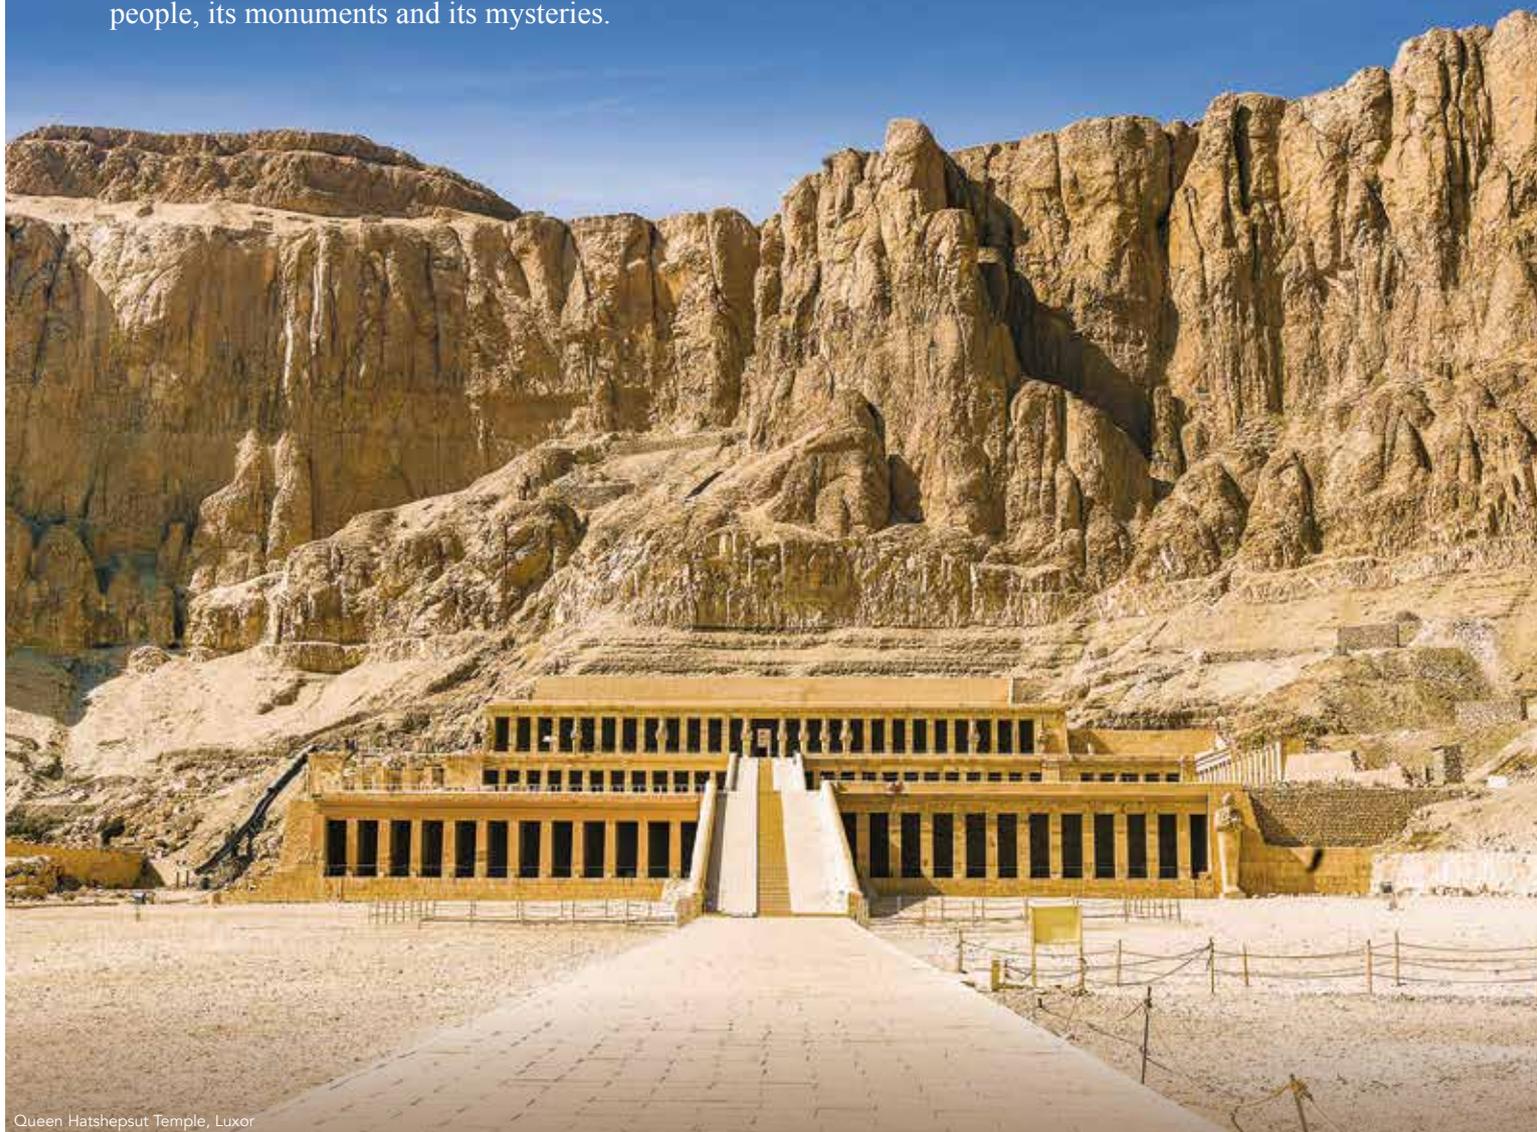

NOBLE CALEDONIA

Join us aboard the SS Misr, a propeller steam vessel accommodating just 44 guests, and discover the many ancient wonders along the banks of the Nile. A cruise on a Nile steamer as a leisure pursuit was pioneered by British tourists in the late 19th century looking for a comfortable way to visit Egypt's sites and we are delighted to have chartered the lovingly restored SS Misr to offer our passengers the chance to discover the many wonders of this ancient land in a high degree of comfort.

Our cruise along a 600 mile stretch of the Nile between Aswan and Cairo is a passage through antiquity, an incomparable river voyage which brings to life the great monuments of the Pharaohs, the divine kings comprising thirty dynasties, who ruled Egypt during the 3000 years before Christ. Such a journey has only been made possible once again by the reopening of the lower Nile allowing the opportunity to visit some of the lesser known archaeological sites and temples, and experience the wonders of the great civilisation that flourished in the Nile Valley.

We will travel with local guides and will be joined on board by a Guest Speaker who will add immeasurably to our knowledge of this ancient land. We will visit Beni Hassan private tombs, Tel El Amarna, Abydos and Dendera temples, not forgetting of course some of the most famous sites in the country including the Great Pyramids, the Valley of the Kings and magnificent Karnak. We will cruise at a gentle speed which is essential to be able to drink in the rhythm of life on the banks of the river. From the spacious decks you can observe the dramatic division between the fertile flood-plain and the arid majesty of the deserts flanking the river and witness traditional village life. Although the Egypt of the Pharaohs came to an end almost two millennia ago, this cruise will leave you with a wealth of memories about its people, its monuments and its mysteries.

## The Itinerary

**Day 1 London Heathrow to Aswan, Egypt.** Fly by evening scheduled flight to Aswan via Cairo arriving just after midnight. Upon arrival transfer to the SS Misr and embark. Moor overnight this evening in Aswan.

**Day 2 Aswan.** This morning we will visit the Nubian Museum. Due to the materials recovered from tombs, temples and settlements, UNESCO was encouraged in the 1980s to plan a Nubian museum although it was not until 1997 that the museum opened its doors. The complex is 50,000 square metres and is enclosed by walls to evoke the traditional Nubian village architecture. After lunch we will visit the high Dam at Aswan, considered an engineering miracle when it was built in the 1960s with a huge impact on the economy and culture in Egypt. Today it provides electricity and irrigation for the whole of Egypt. We continue to the temple of Philae which is dedicated to the goddess Isis, wife of Osiris and mother of Horus. The story of Osiris is represented on the walls of the temple with two of its inner chambers which are rich in symbolic imagery. The temple was originally on Philae Island but due to high water levels was dismantled in 1977 and reconstructed on a nearby higher island called Algilikia. The main elements of the temple such as the two pylons, hypostyle halls and sanctuaries were built by the Ptolemaic kings. Later the Roman rulers added the colonnades in

front of the temple as well as the ceremonial entrance to the island known as Trajan's Kiosk. We end our day with afternoon tea at the Sofitel Legend Old Cataract Hotel with its fine Nile views. Relax and enjoy magnificent views of the Nile while experiencing a sumptuous afternoon tea.

**Day 3 Kom Ombo.** Enjoy a leisurely morning on board or alternatively take the optional excursion to the temples of Abu Simbel (by road approximately four hours each way) which is without a doubt the most impressive of all Nubian antiquities. Not only can we admire the outstanding sculptures, culture and reliefs which embellished the temples of Ramesses the Great and Queen Nefertari, cut out of the sandstone cliff around 3300 years ago, we can also applaud the achievement of archaeologists, architects and engineers in the 20th century AD who organised the rescue of the monuments to their new site above Lake Nasser. We will set sail this afternoon to Kom Ombo and after lunch depart for a visit to the temple of Kom Ombo which was mainly built during the Ptolemaic dynasty and completed under the Roman Emperors. The temple is unique due to its 'double' design which meant that there were courts, halls, sanctuaries and rooms duplicated for the two gods that worshipped here. The southern half of the temple was dedicated to the crocodile god Sobek and the northern part of the

The Sphinx and Pyramid of Khafre, Giza

Temple of Kom Ombo

temple was dedicated to the falcon god Haroeris. Among the carved reliefs along the inside of the outer wall are images thought to be connected with Egyptian medicine, including displays of birthing chairs and surgical instruments. Tonight enjoy a welcome cocktail party and dinner on board. This evening we sail north to Edfu where we moor overnight.

**Day 4 Edfu & Luxor.** Today we visit Edfu Temple, an ancient Egyptian temple which is set on the West Bank of the Nile and said to be one of the best preserved temples in Egypt. The temple is dedicated to the Falcon god Horus and built in the Ptolemaic period between 237 and 57 BC. After lunch enjoy a relaxing afternoon on board admiring the passing scenery as we cruise the Nile to Luxor via the Esna Lock. Upon arrival to Luxor this evening we will visit the Luxor temple, situated on the east bank of the river Nile.

**Day 5 Luxor.** This morning we visit the West Bank, one of the most famous and important archaeological sites in the world. See the Valley of the Kings, burial ground of the pharaohs for a period of 500 years. The tombs vividly depict the journey of the sun god and pharaoh through the dangers of the underworld. In the temple of Queen Hatshepsut we will discover scenes commemorating the reign

of this exceptional monarch such as the ambitious voyage where she sent her ships to the Red Sea and the mysterious land of Punt. We stop at the Colossi of Memnon to witness the two imposing 18 metre high quartzite seated statues which marked the entrance to the now vanished memorial temple of the pharaoh Amenhotep III whose reign in the 14th century BC was one of the most opulent in Egyptian history. Return to the vessel for lunch and this afternoon we will visit the magnificent temples of Karnak. Here you will witness the unbelievably vast array of monuments dedicated to Amun-Ra, king of the gods, his wife Mut and their son Khonsu. Just two of the highlights we will see are the great hypostyle hall with over 130 columns, some 22 metres high, and the obelisk of the powerful Queen pharaoh Hatshepsut. Our tour will conclude with a visit to the Luxor Museum, an archaeological museum which was inaugurated in 1975. Whilst the range of artefacts on display is more restricted than the country's main collections in the Museum of Antiquities in Cairo; this was deliberate since the museum prides itself on the quality of the pieces it has.

**Day 6 Dendera Temple & Naga Hammadi.** Enjoy a leisurely morning on board as we sail towards Qena. After lunch, the afternoon will be dedicated to the

goddess Hathor as we visit the Dendera Temple also known as the 'castle of the Sistrum'. Hathor was the goddess of love, joy and beauty. The Dendera Temple was associated with healing and patients who travelled there for cures could stay in special buildings so they could rest, sleep and commune with the gods in their dreams. We continue sailing towards Naga Hammadi passing the bridges and moor overnight.

**Day 7 Sohag & Abydos Temple.** Today we cruise towards Sohag, passing Abu Homar lock. We arrive in Balyana this morning where we visit the temple that the Greeks called the Memnonium in Abydos, dedicated to Seti, Osiris, Isis, Ptah, Ptah-Sokar, Nefertem, Re-Horakhty, Amun and Horus. Its structure, built of white limestone is one of the most impressive religious structures in Egypt.

**Day 8 Cruising.** Enjoy a day cruising along the Nile. Relax on deck and enjoy the passing scenery as we sail to Tel El Amarna via Asyut Lock and perhaps attend a lecture or two. We will moor overnight in Tel El Amarna.

**Day 9 Tuna El Gebel, Ashmunein & Tel El Amarna.** This morning we visit the tombs and catacombs of Tuna El Gebel, the necropolis of Khmun located in Al Minya and visit the Ashmunein open air museum. Afterwards we continue to Akhenaten's royal city, tomb and palace at Amarna; it is here we visit the tombs of Ahmose, Pentu, Meryrae and the Royal tomb of Akhenaten.

**Day 10 Beni Hassan.** Today we visit the Middle Kingdom tombs at Beni Hassan, an ancient Egyptian cemetery site, located south of Minya. The necropolis of Beni Hassan reflects the political

differences between the province rulers and the Pharaoh Kings. Due to the layout and more complex decorations, the tombs mark a transition stage in the style of the tombs from the Old Kingdom to the New Kingdom. Return to the vessel for lunch and enjoy a relaxed afternoon sailing to Beni Suef.

**Day 11 Beni Suef.** We transfer this morning to Maydom pyramid which is dedicated to the King Snefru of the 4th dynasty. Return to the SS Misr for lunch and enjoy a leisurely afternoon on board as we sail to Cairo where we will moor overnight.

**Day 12 Cairo.** Today is dedicated to the capital city of Cairo and this morning we will visit the impressive Pyramids of Giza and the Sphinx, the only survivor of the Seven Wonders of the Ancient World and the tombs of the great Pharaohs and their queens. Enjoy lunch with the view of the Pyramids before we continue to the Grand Egyptian Museum. This complex is a cultural hub and includes one of the largest museums in the world displaying the heritage of a single civilisation. The museum contains over 50,000 artefacts, reflecting Egypt's past from prehistory until the Greek and Roman Periods. As you enter the museum, you cannot miss the colossal statue of King Ramses II, nor the 87 huge royal artefacts exhibited at the grand stairs. These stairs lead up to an impressive 28 metre high glass facade overlooking the pyramids of Giza. The museum also hosts over 5000 artefacts from the tomb of the golden Pharaoh Tutankhamun. This evening enjoy a farewell dinner on board.

**Day 13 Cairo to London Heathrow.** Disembark this morning and transfer to Cairo airport for your return scheduled flight to London Heathrow.
