NOBLE CALEDONIA

MS HEBRIDEAN SKY

The MS Hebridean Sky is one of our two flag ships and sister vessel to the MS Island Sky. Both vessels were built in the same shipyard in Italy at similar times and share the same excellent attributes that make them two of the finest small ships in the world. With a maximum passenger capacity of only 118, a vessel of her size is capable of carrying many more but instead the MS Hebridean Sky has the benefit of unusually large suites, luxuriously appointed public areas and spacious outside decks.

Your Suite

On board there are 59 exceptionally spacious and well-designed suites. All feature a sitting area and some have private balconies. The feeling of luxury is enhanced by the wood panelling and brass, which predominates throughout the vessel conveying the atmosphere of a private yacht. The passenger accommodation is arranged over five decks and all suites have outside views with those on the Scott and Shackleton Decks featuring private balconies. Each suite affords considerable comfort with en-suite bathroom featuring vanity unit with sink and walk-in shower, large wardrobes, dressing table with large mirror and stool and excellent storage. There is a mini-fridge, flat screen television and a telephone in each suite. Refillable water bottles, towelling dressing gowns and slippers are also provided for your comfort. Other facilities include a programmable electronic safe, hairdryer, assorted Molton Brown toiletries and individually controlled air-conditioning and heating. Soft hues and blended tones enhance the traditional maritime style making the passenger accommodation an inviting and relaxing place to be.

Your Dining

With only one sitting and a maximum of just over 100 passengers, the cuisine on board the MS Hebridean Sky is of a consistent superior quality that befits such a vessel. In keeping with the informal atmosphere on board, when dining you are able to choose your seating arrangements and choice of restaurants at your leisure; whether that be joining a table of four to six other passengers in the elegant à la carte Restaurant or, outside buffet-style on the Lido Deck in the evening sunshine. In the main Restaurant, breakfast is served buffet-style, with certain items cooked to order on request. Lunch and dinner menus offer plenty of choice, often reflecting the daily catch and local delicacies. The Welcome and Farewell dinners are a sumptuous five course affair. To enhance your dining experience further a selection of wines is included with both meals. Afternoon tea and pre-dinner canapés take place in either the comfort of the Lounge or out on the Lido Deck when the weather is favourable. Tea and coffee are also available 24 hours a day. Special diets can be catered for with sufficient notice

Your Space

The spacious and finely decorated public rooms include a large Lounge on the Byrd Deck featuring a selection of seating options from individual armchairs and sofas to side cushioned benches. Daily briefings given by the Cruise Director and talks from Guest Speakers and expedition staff take place in the Lounge. In addition to the main Lounge, there is also The Club, located on the Mawson Deck which features the main bar. The Club also features a 24-hour tea and coffee station. Towards the aft of the ship on the Mawson Deck is the Library. Well stocked with reference books pertaining to the destinations the vessel is visiting and a selection of essential reads, you will not find yourself short of excellent literature on board. A collection of games as well as devices to access the internet via the ship's satellite can also be found in the Library. Access to the ship's satellite Wi-Fi via your own device is complimentary on board (signal strength varies depending on location and demand). The main Restaurant, which can seat all guests at one sitting, is located on the Amundsen Deck, and outside there is a rear Lido Deck located on the Scott Deck where meals are served in warm weather under shade. Further to this on the top Shackleton Deck there is an observation area, complete with sun loungers for sunbathing, relaxing with a book or catching up with fellow travellers. The Promenade Deck wraps around the whole ship providing outstanding views. There is also a small beauty salon on board with appointments made on request.

We can see the fine carvings and lovely frescoes, fascinating geometrically patterned ceiling paintings, and three important images of Buddha.

Day 10 Trivandrum, India. After a morning at sea we return to India at the Keralan port of Trivandrum. Built over seven hills, the 'city of the sacred serpents' retains some of old Kerala's ambience, with its pagoda shaped buildings, red-tiled roofs and narrow winding lanes. There is much to see here and on our afternoon excursion we will include the old fort area around the 260 year old Sri Padmanabhaswamy Temple.

Days 11 & 12 Cochin. Cochin is an extraordinary city with strong influences of Portuguese, Chinese, Arab, Dutch and British cultures still much in evidence today and we have two days to enjoy this intriguing Malabar port. Visits will include the serene Kerala backwaters at Alleppey where we will board a local boat for a cruise past colonial warehouses and coconut thatched houses. For centuries, these canals provided a safe and efficient means of transportation for goods and people moving between the heartland of Kerala and the port towns along the coast. Even today, traditional barges, or kettuvallams, haul coconut, pepper, rice and other goods along the waterways. We will also have time in Cochin to explore the diverse mix of cultures and religions that together, with its strong trading past in spices and silks, make for a fascinating city. Discover Mattancherry Palace with its ornately decorated rooms including some marvellous ancient murals. We see the oldest European church in India, St Francis and the ruins of the fort. On our first evening as we moor overnight, we will enjoy a Kathakali performance on board after dinner. Based on the subject from the Ramayana, Mahabharata and stories from Saiva literature, Kathakali is one of the main forms of classical dance drama of India and indigenous to Kerala.

Day 13 Mangalore. In the 14th and 15th centuries Mangalore traded with Persian and Arab merchants and was fought over by the Nayaka princes and the Portuguese. In the 18th century its control was contested by Hyder Ali and his son Tipu Sultan on the one hand, and the British on the other. The influences of its turbulent history are still apparent in the cosmopolitan attitude and diverse religions that exist here. Today it is a business and commercial centre and is India's ninth largest cargo handling port exporting 75% of the country's coffee and the bulk of its cashew nuts and spices. Arriving at lunchtime we spend the afternoon learning about the cashew processing industry, before we visit Gokarnatha Temple and the remarkable St. Aloysius Chapel, with a fascinating series of intricate paintings that cover virtually every square inch of the interior ceiling and walls. Created over a period of two years by Brother Antonio Moscheni, an Italian artist, the chapel with its magnificent art work is one of the city's hidden gems.

Day 14 Goa. In the 15th century Goa was the largest trading centre on India's west coast and when the Portuguese arrived in the early 16th century it was their plan to set up a colony to seize the control of the spice trade. Goa remained a Portuguese colony until 1961 when it became the 25th state of the Indian Republic. Whilst famous for her beautiful beaches Goa offers wonderful architecture with a mixture of Hindu and Catholic styles, unique history, rich culture and pretty natural scenery. Today we will explore Old Goa with its fine Basilica of Bom

Jesus and the Neo Classical Church of St Cajetan. Afterwards choose to return to the ship or continue to a spice plantation where the cultivation of cardamom, chilli, cloves and coriander can be seen. We will enjoy the smells and tastes whilst we learn about their uses in Indian life.

Day 15 Mumbai. After a morning at sea we sail into Mumbai, a cluster of seven islands which were first home to the 'Koli' fisherman, who still occupy parts of the city shoreline today. Mumbai was derived from 'Mumba' the name of the Hindu goddess 'Mumbadevi' and 'Aai' mother in the local Marathi language. First ceded to the Portuguese, the British Government took possession of the islands in 1665 before leasing them to the East India Company who founded the port and saw the city grow in size and importance. This afternoon we explore the city and see the prominent landmarks visiting the Gateway of India, Mani Bhavan, the former residence of Mahatma Gandhi when he stayed in Mumbai from 1917 to 1934 and Dhobi Ghat where we can observe the vast open air Indian laundry. Alternatively, travel to Gharapuri Island, better known as Elephanta Island and view the remarkable caves designated a UNESCO World Heritage Site. This labyrinth of cave temples feature courtyards, shrines, remarkable statues and vibrant sculptures that date from the 5th to 7th century AD.

Day 16 Mumbai to London. Disembark this morning and transfer to the airport for our scheduled flight to London. Arrive this afternoon.

POST-CRUISE EXTENSION TO JAIPUR, AGRA & DELHI 3^{rd} to 8^{th} march 2025

If you would like to spend some additional time exploring India after disembarking the MS Hebridean Sky, we are offering the opportunity to join a five night extension which will include Jaipur, Agra for the Taj Mahal and Agra Fort and Delhi.

The Itinerary

Day 1 Mumbai to Jaipur, India. Disembark after breakfast and transfer to the airport for our scheduled flight to Jaipur. Arrive in the early afternoon and transfer to our hotel for a two night stay. Originally the city's walls were the colour of red sandstone, Jaipur's universal coat of pink only came in 1876 to coincide with the visit of the Prince of Wales (King Edward VII). Almost the entire city was given a coat of pink paint, thus giving it the name 'The Pink City'. This afternoon we will visit the Birla Temple and Albert Hall before we return to the hotel for dinner this evening. (B, L, D)

Day 2 Jaipur. Located near the deserts of Rajasthan, the movement and collection of water plays an important role for the city. This morning our guide will show us the ancient channels, Roman aqueducts and reservoirs and explain about their history and creation. Also see the Hawa Mahal, the ornamental facade of this 'Palace of Winds' is a prominent landmark in Jaipur, plastered pink and encrusted with fine trellis work and elaborate balconies. After lunch we will visit the Observatory and the City Palace which maintains the Maharaja's private collection of textiles and arms. Return to the hotel for some time at leisure before dinner is served in the hotel. (B, L, D)

Day 3 Jaipur to Agra. This morning we drive to Agra (approximately 4.5 hours). Agra's history dates back to the Mughals who proclaimed it their capital in 1565. Located on the Yamuna River the city grew as a centre of architectural, political and trading activity. Today the city is a kaleidoscope of India with various communities living in harmony. After lunch we visit Agra Fort, built by the Mughal Emperor Akbar in 1565, before continuing to the city including the bazaars which are rich with spices, foods fabrics, jewellery and textiles. We stay overnight in Agra and have dinner in the hotel. (**B**, **L**, **D**)

Day 4 Agra. After breakfast we see the legendary beauty and the white marble domes of the elegant Taj Mahal. Built by the Mughal Emperor Shah Jahan as an exquisite mausoleum for his beloved wife Mumtaz Mahal, Rudyard Kipling described the building as "the embodiment of all things pure". After our visit we will have lunch and an afternoon at leisure to relax in the hotel or partake in some independent sightseeing. (B, L, D)

Day 5 Agra to Delhi. Drive this morning to Delhi (approximately 4 hours). Capital to seven different cultures over the course of its history, New Delhi is a fascinating fusion of them all. The art and architecture of the city reflects its ancient and multifaceted heritage. A Hindu fortress, a Mughal tomb, an Islamic minaret and mosque and a Bahai temple give an idea of the cultural richness found here. After lunch, visit Gurudwara Bangla Sahabib (Sikh temple), a quiet and serene spot amid the bustling marketplace. After paying homage at the sanctum, where the holy book is kept, we can stroll along the tranquil pond in the Gurudwara. Return to the hotel for our final dinner. (B, L, D)

Day 6 Delhi to London. Check out and transfer to the airport this morning for our scheduled flight to London. (D)
