## COASTAL CRUISING IN CROATIA WITH NOBLE CALEDONIA

Even the most jaded of travellers cannot fail to be won over by the beauty of Croatia's coast and for 2026 we are delighted to have once again chartered the 36-passenger Queen Eleganza for a series of cruises exploring the region, from Istria in the north to magnificent Dubrovnik in the south. The Queen Eleganza is the perfect vessel for our explorations and owing to her size, we have been able to create some unique journeys which are somewhat different from regular cruises in the region which include the Istrian coast and the islands in Kvarner Bay.

### A Unique Collection of Itineraries

We have devised a collection of unique itineraries for 2026 which include some marvellous places which do not cater for the big ships. Our journeys along the Dalmatian Coast offer a cornucopia of delights and include some of our favourite cities and towns in the region such as Dubrovnik and Split with their unique atmosphere and architecture, Opatija, a hidden gem with its 19th century architecture, and Zadar with its historic treasures. We will also spend time in some charming islands including Hvar, Rab and Korcula as well as the lesser-visited gems of Mali Losinj, flower-filled Illovik and tranquil Primosten. To enhance your holiday further, two of our itineraries have been combined with a two night hotel stay in Istria's crown jewel of Rovinj and another with a two night hotel stay in Slovenia's beautiful Lake Bled. This wonderful region has so much to offer and our itineraries will be appreciated by those who enjoy an eclectic mix of places, discovering Medieval towns, exploring Roman sites and cruising amongst spectacular coastal scenery.

### What to Expect

Every cruise features included excursions with our excellent local guides and we have also ensured there is ample time at leisure for independent exploration of the delightful Croatian towns which have so much character. Each day you can enjoy some scenic day time cruising whilst each night we will remain moored in the picturesque harbours, allowing for the opportunity to dine ashore occasionally and experience the floodlit splendour and lively café society which is so atmospheric in the evening. There are a number of huge cruise vessels that include a couple of ports of call in the Adriatic but this is not an area for today's mega cruise ships. The small islands, ancient towns and villages cannot accommodate large crowds of tourists and when travelling in such large groups it is easy to miss the essence of what these places are all about. For a comprehensive look at the region with time set aside to swim in the azure seas, it has to be explored aboard a small ship.

# A Week in Croatia

Explore Croatia's majestic beauty aboard the Queen Eleganza  
23<sup>rd</sup> to 30<sup>th</sup> April 2026

Come with us to sample the delights of Croatia aboard the 36-passenger Queen Eleganza which we have chartered for this seven-night cruise exploring the attractive coastline between Split and Dubrovnik. We have designed our bespoke itinerary to explore the breathtaking natural beauty, intriguing history and stunning architecture of the spectacular coast and islands and we will visit some marvellous places which do not cater for the big ships.

As we journey through the intense blue sea of the Adriatic the many highlights will include the historic cities of Split and Dubrovnik, with their history dating back through the Middle Ages to the Roman Era, and the delightful islands of Hvar and Korcula where we will spend time walking through the beautiful old towns exploring the historic wonders. We will also visit areas of great natural beauty including Mljet where we will tour the National Park including its beautiful lakes. Each night we will remain moored in the picturesque harbours affording the opportunity to dine ashore on some evenings and enjoy the floodlit splendour and lively café society which is so atmospheric.

Whether it be the towering cliffs and rich vegetation, scenic waterways and indentations or the wealth of historic buildings, this unique area has so much to offer and our itinerary will be appreciated by those who enjoy an eclectic mix of places, the company of a small group of like-minded travellers and an informal style of cruising.

## The Itinerary

**Day 1 London to Split, Croatia.** Fly by scheduled flight. On arrival transfer to the Queen Eleganza. Enjoy our welcome dinner on board this evening as we moor overnight. (D)

**Day 2 Split & Trogir.** Take a morning guided walk through Split which includes the Palace of Diocletian which was built by the emperor in 295-305 AD as his retirement villa. Much of this large building is well preserved and the palace contains Split's Old Town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. Enjoy some free time to wander the maze of streets at your own pace before sailing in the afternoon to Trogir. Set within Medieval walls on a tiny island, linked by bridges to both the mainland

and to the far larger Ciovo Island, we will enjoy a walking tour of this attractive port. The old town has retained many intact and beautiful buildings from its age of glory between the 13th and 15th centuries. In 1997 its profuse collection of Romanesque and Renaissance buildings earned it World Heritage status. Moor overnight with the opportunity to dine ashore this evening. (B, L)

**Day 3 Trogir & Brač.** Enjoy the morning at leisure in Trogir before we sail over to the attractive port of Pucisca located on the island of Brač, at the end of a long bay. Brač is world renowned for the quality of its stone which was used for the Diocletian's Palace in Split as well as the White House in Washington and other parliament buildings in Europe.

Spend a few hours in the charming small town, voted one of the prettiest in Europe, where the white roofs of the buildings create an ambience. Return to the ship and enjoy dinner on board. We will moor overnight allowing time for an after dinner stroll. (B, L, D)

**Day 4 Hvar.** Sail after breakfast to Stari Grad where, upon arrival after lunch, we take a short coach ride across the island to the attractive Old Town of Hvar for a guided walk. We will begin in the main square which is the largest piazza in Dalmatia and see the cathedral, the Franciscan Monastery, and the Benedictine Nunnery where we hear about the aloe lace still produced today by the nuns. Return to the ship and enjoy dinner on board this evening. (B, L, D)

**Day 5 Korcula.** After a morning at sea we arrive at Korcula where we drive to the interior of the island, past olive groves and vineyards offering views down to the coast below. On our visit to a winery we will learn more about the mainly white wines which have been cultivated on the island for centuries before enjoying a tasting. After our visit to the winery return to Korcula, the reputed birthplace of the explorer Marco Polo, and on a walking tour we enjoy some time strolling along the crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. We will be moored overnight in Korcula and you will be able to dine ashore in the Old Town this evening. (B, L)

**Day 6 Korcula & Mljet.** Enjoy a morning at leisure to explore Korcula independently. We sail during lunch to the island of Mljet which is one of the few Dalmatian islands that was never ruled by Venice, and this is apparent in the architecture and the absence of any sizeable historic town. What it lacks in great architecture it more than makes up for in natural beauty and there will be a tour to the National Park including its beautiful lakes. Moor overnight in Pomena where you can dine in one of the harbour-side restaurants. (B, L)

**Day 7 Dubrovnik.** Spend the morning sailing to Dubrovnik, the "Pearl of the Adriatic". After lunch we make a short drive to Pile Gate and begin our guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza Palace. Return to the vessel for our farewell dinner. (B, L, D)

**Day 8 Dubrovnik to London.** Disembark this morning and transfer to the airport for our scheduled flight to London. (B)

Explore Croatia's beautiful coast & islands aboard the Queen Eleganza combined with a two night stay in Lake Bled

30<sup>th</sup> April to 11<sup>th</sup> May & 10<sup>th</sup> to 21<sup>st</sup> October\* 2026

Join us for this unique exploration of the Balkans which combines a cruise along Croatia's spectacular coastline with its intense blue sea and amazingly picturesque islands with visits to both Bosnia-Herzegovina and Lake Bled, Slovenia. This region has much to offer the genuine traveller and our cruise itinerary has been carefully designed to visit some marvellous places which do not cater for the big ships and each night we remain moored in the picturesque harbours affording the opportunity to dine ashore on some evenings, enjoying the floodlit splendour and lively café society which is so atmospheric.

We will explore Medieval towns and cities, impressive monasteries and UNESCO World Heritage Sites including the magnificent old town of Dubrovnik, the charming islands of Korcula and Rab, the dramatic waterfalls of Krka and the pretty island of Brac. We will also visit the historic cities of Zadar and Split with their history dating back to Roman times and spend a day in Croatia's lesser-visited neighbour Bosnia-Herzegovina where we will discover the historic city of Mostar. We will also have the benefit of a two night hotel stay in Slovenia allowing us time to discover the beautiful cobalt-blue Lake Bled with its tiny castle-topped island in the middle and the largest underground cave system in Europe at Postojna.

## The Itinerary

**Day 1 London to Dubrovnik, Croatia.** Fly by scheduled flight. On arrival transfer to the Queen Eleganza. Enjoy a welcome dinner on board this evening as we moor overnight. (D)

**Day 2 Dubrovnik & Korcula.** Spend the morning in Dubrovnik, the "Pearl of the Adriatic". After a short drive to Pile Gate, we will begin our guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza Palace. Return to the vessel for lunch as we set sail. In the late afternoon we arrive in Korcula, the reputed birthplace of the explorer Marco Polo, where we enjoy some time to walk along the crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. We will moor overnight in Korcula and you will be able to dine ashore in the Old Town this evening. (B, L)

**Day 3 Korcula & Opuzen.** After breakfast we will drive to the interior of the island, past olive groves and vineyards offering views down to the

coast below. During our visit to a winery we will learn more about the mainly white wines, which have been cultivated on the island for centuries, before enjoying a tasting. Return to the ship for lunch and enjoy a relaxing afternoon at sea as we sail to Opuzen, located 12 kilometres from the coast on the Neretva River. We will moor here overnight allowing for the opportunity to dine ashore independently this evening. (B, L)

**Day 4 Mostar, Bosnia-Herzegovina.** Today we cross the border into Bosnia-Herzegovina for our visit to Mostar. In the 15th century, Mostar became a thriving centre on the banks of the emerald Neretva River under the Ottoman Turks. Damaged by the military conflict in the 1990s, the town has been carefully restored by UNESCO and declared a World Heritage Site. Admire the ethereally graceful Stari Most ('The Old Bridge'), originally built in 1566, the nearby Koski Mehmed Pasha Mosque and an old Turkish house, among other sites. You may also wish to explore the old bazaar independently, a haven for the city's artists and craftsmen. Return to the ship in Opuzen this evening. (B, L, D)

**Day 5 Brac & Split, Croatia.** Sail this morning for Brac and the attractive port of Pucisca located at the end of a long bay. Brac is world renowned for the quality of its stone which was used for the Diocletian's Palace in Split as well as the White House in Washington and other parliament buildings in Europe. Spend a few hours in the charming small town, voted one of the prettiest in Europe, where the white roofs of the buildings create an ambient atmosphere. Later we sail the short distance to Split where we moor overnight and have the opportunity to dine ashore. (B, L)

**Day 6 Split & Sibenik.** Our morning guided walk through Split includes the Palace of Diocletian which was built by the emperor in 295-305 AD as his retirement villa. Much of this large building is well preserved and the palace contains Split's Old Town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. It is a wonderful spot to wander the maze of streets. Over lunch we will sail to Sibenik where we enjoy a late afternoon walking tour through the historic town seeing the Cathedral of St James, the old city walls, and the theatre before dining on board this evening. (B, L, D)

**Day 7 Krka National Park & Zadar.** From our berth in Sibenik we visit the majestic waterfalls of Krka. Enjoy a morning guided walk along wooden walkways and across bridges through this unique fjord-like landscape with its multiple waterfalls and interesting flora and fauna. Return to the ship for lunch and enjoy a leisurely afternoon on board sailing through the Kornati Islands as we make our way to Zadar for an overnight mooring and the opportunity to dine ashore independently this evening. (B, L)

**Day 8 Zadar & Rab.** Once a dominant city on the Adriatic coast rivalling Venice, Zadar is today a treasured city that has preserved its historical core. During our guided walking tour we will stroll around the old town with its Roman columns and portals, Romanesque churches and Renaissance and Baroque palaces. Of particular interest are the 9th century circular Church of St Donat, and the 13th century Romanesque cathedral. Over lunch we continue our journey north as we sail to Rab where we moor later this afternoon. We have the chance to sample one of the many local restaurants for dinner this evening as we moor overnight. (B, L)

**Day 9 Rab & Opatija.** This morning we will take a guided walk through the picturesque Old Town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. After a final afternoon at sea we arrive in Opatija and will take a walk around this genteel resort before our farewell dinner on board this evening. (B, L, D)

**Day 10 Opatija to Lake Bled, Slovenia.** We will disembark this morning and transfer to Slovenia. Along the way we will drive through the Karst region, known for its rich natural habitat. The Postojna Cave is a 21 kilometre long karst cave system, a web of underground passages,

galleries and chambers, the biggest in Europe. There is almost no corner in the cave without a beautiful stalactite or stalagmite. The cave boasts the oldest underground train in the world, which we will use to partly explore this underground jewel but the two kilometres of its most attractive part is taken on foot allowing us to slowly take in the many natural and unusual wonders of the darkness. After lunch we continue to our hotel in Lake Bled where after some free time we will meet for dinner. (B, L, D)

**Day 11 Lake Bled.** Using the local 'pletna' boats, this morning we will cruise the lake and make our way to Blejski Otok, an island situated in the middle of the lake where we will visit the Chapel of Santa Maria. Returning to the lakeside we will make our way to Bled Castle located high on the rock face above the lake, protecting the town since 1004. We end our visit at the picturesque old town of Radovljica, one of the best-preserved towns in Slovenia with houses dating back to the 15th century. After lunch in the town we will return to the hotel in Lake Bled for an afternoon at leisure. Maybe take the walking track around the lake for further views or relax and enjoy the hotel facilities. We will meet for dinner tonight in the hotel. (B, L, D)

9<sup>th</sup> to 17<sup>th</sup> May and 4<sup>th</sup> to 12<sup>th</sup> October\* 2026

Join us for an eight-night exploration of the beautiful Istrian coast combined with a visit to the region's bucolic interior and some charming islands. Croatia's Istrian coast and Kvarner Bay offer some of the world's most beautiful coastal scenery, picturesque islands and a wonderfully tranquil and peaceful atmosphere. The 36-passenger Queen Eleganza is the perfect vessel for our journey allowing us to moor centrally in towns and call into secluded bays, enabling us to fully discover all the region has to offer and to visit some marvellous places which do not cater for the big ships along the way.

Our island calls will include Cres with its Italian influence and scenic Medieval harbour, the larger island of Krk and Losinj, a classic Adriatic island which is still relatively unspoilt. We will also travel inland to an area of disarming beauty characterised by fertile valleys with hilltop villages. Here we explore the quaint village of Groznjan, in the middle of truffle territory, which has some of the best views of the Istrian interior from its ramparts. This part of Croatia is often acclaimed for its gastronomy and we will experience the local cuisine as well as a visit to a vineyard to taste the wines typical of the area. Another highlight will be a call at charming Pula with its well-preserved Roman amphitheatre.

Each night we will remain moored in the picturesque harbours affording the opportunity to dine ashore on some evenings and to enjoy the floodlit splendour and lively café society which is so atmospheric. For those who enjoy cruising amongst scenic waterways, swimming in clear blue waters and exploring Medieval harbours and picturesque villages with a small group of like-minded travellers, this journey will surely appeal.

# Istria & Beyond

Explore the Adriatic Coast aboard the Queen Eleganza combined with a two night stay in Rovinj  
15<sup>th</sup> to 25<sup>th</sup> May 2026

Come with us to explore the beautiful Adriatic Coast and its hundreds of islands aboard the charming Queen Eleganza. We have devised our itinerary with the view that we have a private yacht as our base and are therefore able to create a journey that is somewhat different from regular cruises. Added to this we have the benefit of a two night stay in Rovinj before our cruise to explore inland Istria including the quaint hilltop village of Groznanj, in the middle of truffle territory, and a visit to a local vineyard for a tasting.

With our vessel that accommodates just 36 guests, we are able to visit some marvellous places which do not cater for the big ships and each night we remain moored in the picturesque harbours affording the opportunity to take an after-dinner stroll and dine ashore on certain evenings. We will sail through some truly beautiful scenery which you can appreciate whilst relaxing on the sun deck and our calls along the sedate northern coast will include the picturesque island of Mali Losinj. # Coastal Croatia

A cruise from Dubrovnik to Split aboard the Queen Eleganza

22<sup>nd</sup> to 29<sup>th</sup> June 2026

Join us for this wonderful exploration of the Dalmatian Coast as we spend seven nights journeying along Croatia's spectacular coastline with its intense blue sea and amazingly picturesque islands. This region has much to offer the genuine traveller and our cruise itinerary has been carefully designed to visit some marvellous places which do not cater for the big ships, and we will head to some of the quieter spots and out-of-the-way beaches and islands to enjoy the simple pleasures and discover Croatia the local way.

We begin in the Medieval walled city of Dubrovnik, well deserving of its status as a UNESCO World Heritage Site before discovering some of Croatia's natural beauty in Mljet where we will tour the National Park including its beautiful lakes. We continue to the island of Korcula where our first call will be the Old Town with its wonderful Medieval atmosphere and charming waterfront restaurants that can be enjoyed on our overnight mooring. The following day we will sail to the western end of the island to visit Vela Luka which, although meaning "big harbour" in Croatian, is still a peaceful and relaxing spot to explore. Our next few days will be spent visiting some of the quieter ports in the Dalmatian islands, with plenty of opportunities for swims in secluded bays and pristine beaches. Discover Jelsa on the island of Hvar, surrounded by pine forests and Bol, close to the stunning Zlatni rat beach on the island of Brac before spending some time in tranquil Maslinica with just 208 inhabitants. Our final afternoon will be spent exploring the historic city of Split, with its Diocletian Palace built by the Romans, a fitting end to our voyage.

With just 36 guests on board we will be able to explore parts of the coast that most cruise ship passengers in the region rarely get to visit and, taking advantage of our central moorings, you will be able to sample the wonderful gastronomy and experience the enchanting towns and harbours in their evening splendour. In addition to our included guided excursions, we have allowed ample time at leisure and there will also be opportunities to swim from the ship as we call into secluded bays and hidden coves.

## The Itinerary

**Day 1 London to Dubrovnik, Croatia.** Fly by scheduled flight. On arrival transfer to the Queen Eleganza. Enjoy a welcome dinner on board this evening as we moor overnight. (D)

**Day 2 Dubrovnik & Mljet.** Spend the morning in Dubrovnik, the "Pearl of the Adriatic". After a short drive to Pile Gate, we will begin our guided walk through the unique Medieval Old Town of Dubrovnik, which was added to the UNESCO World Heritage List in 1979. See the major attractions such as the Rector's Palace, the Romanesque-Gothic Dominican and Franciscan Monasteries and the Sponza Palace. Return to the Queen Eleganza for lunch as we set sail to Mljet where there will be the opportunity to dine ashore this evening as we moor overnight. (B, L)

**Day 3 Mljet & Korcula.** Mljet is one of the few Dalmatian islands that

was never ruled by Venice and this is apparent in the architecture and the absence of any sizeable historic town. What it lacks in great architecture it more than makes up for in natural beauty and there will be a tour to the National Park including its beautiful lakes. Over lunch we sail to Korcula, the reputed birthplace of the explorer Marco Polo, arriving later this afternoon. On a walking tour enjoy some time to walk along the crooked Medieval streets to the elegant squares which are flanked with palaces of the old nobility. We will moor overnight and you will be able to dine ashore in the Old Town this evening. (B, L)

**Day 4 Korcula & Vela Luka.** There will be some free time this morning to further explore the Old Town before we sail along the coast of the island of Korcula to our next port of call, Vela Luka, where we will arrive later this afternoon. Occupying a large bay at the western end of the island, the name Vela Luka means "big harbour" in Croatian. Spend some time

Zlatni rat, Bol

Split

Dubrovnik

Maslinica

strolling the charming harbourside promenade or take an uphill walk to visit the Vela Spila cave, one of the most important prehistoric cave dwellings in Europe, inhabited since the Stone Age. Enjoy dinner on board this evening. (B, L, D)

**Day 5 Hvar.** After a morning sailing, we will arrive on the island of Hvar after lunch, mooring in the picturesque town of Jelsa. This small harbour town is surrounded by pine forests and is the perfect place for an afternoon stroll or maybe take a walk to one of the nearby beaches that can be found in the secluded coves that dot the coastline. Dine ashore this evening in one of the many harbourside restaurants and moor overnight. (B, L)

**Day 6 Brac & Solta.** Over breakfast sail the short distance to the island of Brac where we will moor in the small town of Bol. Spend some time exploring this attractive old town, or head to one of the nearby beaches for a swim, including Zlatni rat, arguably one of the most beautiful beaches in Croatia. Return to the ship for lunch as we sail on to the island of Solta, where we berth in the small village of Maslinica. This tranquil spot, home to just 208 inhabitants, is well off the beaten track and is an idyllic spot for a late afternoon wander or a swim. Enjoy dinner on board as we moor overnight. (B, L, D)

**Day 7 Solta & Split.** There will be the opportunity for another swim this morning before we sail over lunch to our final port of call, Split. Upon arrival take a guided walk through the city which includes the Palace of Diocletian which was built by the emperor in 295-305 AD as his retirement villa. Much of this large building is well preserved and the palace contains Split's Old Town within its walls, making it the only Roman palace that has been continuously inhabited since Roman times. This evening enjoy our farewell dinner on board. (B, L, D)

**Day 8 Split to London.** Disembark this morning and transfer to the airport for our scheduled flight to London. (B)

# Islands of Northern Dalmatia & Istria

Island hopping from Zadar to Pula aboard the Queen Eleganza combined with a two night stay in Rovinj  
27<sup>th</sup> September to 6<sup>th</sup> October 2026

For those who enjoy cruising amongst beautiful coastal scenery, swimming in clear blue waters and exploring charming fishing ports and ancient towns with a small group of like-minded travellers, this nine night journey exploring the islands of Northern Croatia will surely appeal. Whilst Croatia itself is no longer a secret, Northern Dalmatia offers a great concentration of the country's highlights and this unique cruise steers clear of the well-trodden tourist trail. Instead we will head to some of the quieter spots and out-of-the-way beaches and islands which the Croats themselves escape to; places where you can wander the streets away from crowds and where nightlife means a nightcap by the harbour.

Sailing from Zadar to the Kornati Islands we will experience the untouched nature of Telašćica Nature Park followed by a visit to Losinj, a classic Adriatic island which is still relatively unspoilt. Continuing north along the beautiful coastline we will visit charming islands such as Krk, Cres with its Italian influence and scenic Medieval harbour and Pula where we will visit one of the best-preserved Roman amphitheatres. Along the way we will discover secret idylls and remote, uncrowded spots such as the flower-filled island of Ilovik with its 170 residents and the picturesque island of Rab with its pine forests and beautiful beaches. Our journey concludes in Rovinj where we have a two night hotel stay to explore inland Istria including the quaint village of Grozjan, in the middle of truffle territory, which has some of the best views of the Istrian interior from its ramparts. This part of Croatia is often acclaimed for its gastronomy and we will experience the local cuisine as well as a visit to a vineyard to taste the typical wines of the area.

In addition to our included guided excursions, we have allowed ample time at leisure and, taking advantage of the warm temperatures of late summer, there will also be opportunities to swim from the ship. With just 36 guests on board, the Queen Eleganza has the advantage of being able to call into secluded bays and hidden coves and, taking advantage of our central moorings, there will opportunities to dine ashore and experience the atmospheric ports in their evening splendour.

During our guided walking tour this morning, we will stroll around the old town with its Roman columns and portals, Romanesque churches and Renaissance and Baroque palaces. Of particular interest are the 9th century circular Church of St Donat, and the 13th century Romanesque cathedral. **Day 3 Mali Losinj.** Spend a relaxing day at sea arriving in the afternoon at Mali Losinj which sits at the foot of a protected harbour on the southeast coast of Losinj Island. Dine ashore this evening in one of the harbourside restaurants. (B, L)

**Day 4 Ilovik & Rab.** Cruise this morning to Ilovik. Known as the island of flowers with oleander, palms and roses growing around every house and with only 170 residents, Ilovik is well off the traditional tourist route. We will stop for a wander or a swim before sailing over lunch to Rab. An afternoon walking tour will take us through the picturesque

old town, a perfectly preserved late Medieval Adriatic settlement squeezed into a slender peninsula along which are dotted a sequence of Romanesque campaniles. This evening you can sample one of the many local restaurants. (B, L)

Dine ashore this evening and perhaps take a stroll along the seaside promenade. (B, L)

**Day 7 Pula.** After a final morning at sea, we arrive at the tip of the Istrian Peninsula and the former Roman settlement of Polensium, now known as Pula. On an afternoon tour we will discover one of the best-preserved Roman amphitheatres left in the world. The Arena, built in the 1st century AD, was designed to host gladiatorial contests with seating for up to 20,000 spectators. Exploring the town further we will see the varied architecture from Baroque palaces, Christian churches and Austrian villas. Enjoy our farewell dinner on board this evening. (B, L, D)

Telascica Nature Park

**Day 8 Pula to Rovinj.** Disembark this morning and drive north to the charming fishing port of Rovinj, where the houses inside the old town are small and lean into each other creating a unique atmosphere. Our guided walking tour will include a visit to the town's main landmark, St Euphemia Church, which is built on the top of a small hill. This Baroque building built in Venetian style was dedicated to the saint and martyr whose sarcophagus, according to a legend, was miraculously washed ashore sometime around 800 AD. Following lunch at a local restaurant, transfer to the Hotel Monte Mulini and check in for our two night stay. The remainder of the evening is at leisure. (B, L)

**Day 9 Groznanj & Motovun.** Today we will travel to the Istrian interior, an area famed for its picturesque villages, vineyards producing fine Malvasia and Teran wines and the forests that produce Istrian white truffles. On a morning walking tour we will explore the quaint hilltop village of Groznanj. Once a 14th century Venetian fortress, the well-preserved Medieval centre is now home to many small art galleries and pottery studios and boasts stunning views over the Mirna Valley. After a lunch of local specialities we will head into the agricultural area of Istria where some of Croatia's finest olives and vines have been grown for thousands of years. We will visit a local vineyard and enjoy a tasting of the wines which are typical of the region. Return to the hotel for our farewell dinner this evening. (B, L, D)
