Passage through Assam

A journey along the mighty Brahmaputra River aboard the RV Charaidew

21 November 2018 16 January 2019 13 February 2019

Think of Assam and your first thoughts probably involve tea and maybe temples. Certainly it is not noted for its tourism, mostly because of the lack of acceptable accommodation and transportation. This is a great pity, as this state that lies south of Tibet and Bhutan and north of Bangladesh has so much to offer the naturalist, bird watcher or cultural traveller. One of the world's great rivers, the **Brahmaputra** runs for some 1800 miles from its source in the Tibetan Himalaya to its delta in the Bay of Bengal. Nothing can prepare the traveller for the vastness and emptiness of this great water highway, as myriad channels ply through seemingly endless archipelagos of sand islands. Within striking distance of the river are a number of significant national parks. Among these is the World Heritage Site at Kaziranga, where the world's largest population of one horned rhino reside.

This unusual journey will appeal to those who wish to witness this extraordinary area, its diverse cultures and marvellous wildlife but who are weary of the more well-trodden paths around the world. The roads may be poor and the tourist infrastructure very much in its infancy, but that is precisely why we find this region so exciting. Now is the time to visit before big business moves in with the resort hotel chains and all other paraphernalia that 21st century tourism entails. For these voyages along the Brahmaputra River we are working with our associates, Assam Bengal Navigation, an Indian/British joint venture based in Guwahati whose directors have a wealth of experience in operating river vessels in **India**. We have chartered the **RV Charaidew** from them and the vessel is specially designed for the navigational conditions on the Brahmaputra.

Itinerary

Day 1 - London to Kolkata, India.

Fly by scheduled indirect flight from London to Kolkata.

Day 2 - Kolkata.

Arrive in the morning and transfer to the Oberoi Grand Hotel for a three night stay. Following lunch at the hotel, enjoy an afternoon city tour of India's second largest city. Dinner will be at our hotel this evening.

Day 3 - Kolkata.

Following breakfast and a leisurely morning at our luxurious hotel, we will enjoy lunch in a local restaurant followed by a visit to Kolkata's vibrant and colourful flower market. Following time here, we will take in what is arguably the best view of Kolkata, whilst sailing along the River Hooghly by local boat. Return to the hotel before enjoying dinner at a local restaurant.

Day 4 - Kolkata.

This morning our excursion will focus on the wonderfully opulent and eccentric Marble Palace, displaying some incredible and varied works of art; South Park Cemetery, the last resting place of many of Kolkata's early British settlers and The Mother House, the former home and last resting place of Mother Theresa. Following lunch in a local restaurant, we will return to our hotel for an afternoon at leisure. Dinner will be at our hotel this evening.

Day 5 - Kolkata to Guwahati.

Depart on a morning flight to Guwahati and transfer to the RV Charaidew for embarkation. We will moor overnight in Guwahati.

Day 6 - Guwahati to Ganesh Pahar.

After breakfast, drive up Nilachal Hill to see the holy Kamakhya temple where, with its tantric rites and animal sacrifice, the more squeamish may prefer to content themselves with the exterior. Visit the poignant Commonwealth War Graves before spending the remainder of the day cruising upstream.

Day 7 - Cruising.

Leaving the hills behind, we enjoy our first taste of the wilderness experience, sand banks like icebergs on either side. We may make a short stop to visit a bankside village, creating a sensation as we do. We moor for the night in a lunar landscape of sand islands, with hopefully the Himalayas in view and providing a contrasting backdrop in the distance.

Day 8 - Tezpur.

We cruise on to Tezpur, where we visit the 6th century Da Parbatia temple ruins, with a beautifully carved portal, and explore the town by cycle rickshaw. We will stop at Cole Park with Medieval stone carvings saved from sites all over the region and aim to pass by the bungalow once lived in by Alexander Bruce, pioneer of the tea industry. Our ship will be waiting at the town's waterfront for us to re-board.

Day 9 - Nameri National Park.

After an early breakfast we drive for some two hours to the Nameri National Park at the foot of the blue hills of Arunachal Pradesh, the old North East Frontier Agency. Here we take a float trip of around two hours duration down the Jia Bhoreli River through the park, with excellent birdwatching (look out for the great hornbills) and perhaps the chance of sighting wild elephant. After lunch we will take a walk in the

village before returning to the ship.

Day 10 - Kaziranga.

Continue upstream, passing below a seemingly endless new bridge across the vast width of the riverbed, to moor at Steemer Ghat, a lovely beach backed by jungle-covered hills. In the afternoon we drive to Kaziranga's Western Range for a jeep safari and to scan the wilderness from an observation tower. Kaziranga is a World Heritage site and, with a population of well over 1000 one-horned rhinoceros it is the best place in the world to see these beasts. There are also good populations of tiger, wild elephant, sambar, swamp deer, hog deer, wild pig and many other species.

Day 11 - Kaziranga.

Disembark pre-dawn and drive to Kaziranga's Central Range for an early morning elephant safari, one of the best ways to get really close to the rhino and other animals. After breakfast at a lodge, we walk through terraced tea gardens and past a Karbi tribal village, then drive to a Mising tribal village, with their distinctive houses raised on piles. After lunch either take a jeep safari in the little visited Burapahar Range before returning to the boat or return directly to Steemer Ghat to visit a delightful nearby Assamese village and walk along a path alive with butterflies to a solitary temple on the river bank.

Day 12 - Vishnath.

This morning set sail upstream, with Kaziranga National Park on the right bank. At around midday we reach Vishnath, with an Ahom-period Shiva temple. There are other later temples too, and we walk through the town before re-boarding and setting off again, with Kaziranga still on the far bank.

Day 13 - Cruising.

The day is spent on the river, and we have a good chance of spotting Gangetic dolphin.

Day 14 - Kaziranga.

This morning we land and take a jeep safari in Kaziranga's little-visited Eastern Range, with grasslands much favoured by rhino and where you might spot the rare Bengal Florican. Returning to the boat, we continue our cruise upstream.

Day 15 - Cruising.

Another day spent cruising upstream. We shall take time to pause and walk through a bank-side village, getting an insight into the life of rural India.

Day 16 - Majuli Island.

Around breakfast time, we should reach Majuli Island, supposedly one of the world's largest river islands and possessing unique Hindu monasteries famed for their dance-drama performances - the whole island is now shortlisted for future UNESCO World Heritage status. We visit a monastery at Auniati with an eclectic museum and attend a dance performance at Kamalbari monastery before cruising across to Neamati Ghat on the opposite bank.

Day 17 - Sibsagar.

We visit a tea estate this morning where we hope to catch a glimpse of some of the colourfully dressed tea pickers at work before we drive for about an hour to Sibsagar, the one-time capital of the kings of Assam.

Shan by origin (Assam and Siam share the same derivation) but converted to Hinduism, they ruled Assam for some 700 years until the 1820s, and their culture and architecture is a strange and delightful amalgam of Indian and S.E. Asian. We will see temples with stupa-like profiles, and palaces of distinctive form - note the crocodiles and rather erotic caryatids that adorn the roof of the Rang Mahal. For the record book, the temple tank here is believed to be the world's largest hand-excavated reservoir. We return to the ship which will have cruised up to Dikhou Mukh, close to Sibsagar, and spend our last night on board. (Dependent on river conditions the last night may be spent at Neamati, close to Jorhat).

Day 18 - Assam to Kolkata.

Disembark after breakfast for your flight to Kolkata. On arrival we will transfer to our hotel for an overnight stay.

Day 19 - Kolkata to London.

Depart this morning by scheduled indirect flight, arriving into London this evening.

Your travel wardrobe should be informal and comfortable. Lightweight clothing which can be layered is the most suitable to cover a range of conditions; take light rainwear e.g. disposable rain poncho to be prepared for showers. Warmer items may be required for the mornings and some evenings.

Whilst at hotels, dress should be respectful to cultural differences and both males and females should not reveal too much "skin". As we will be travelling through the Indian countryside, where many people are not used to tourists and are often curious about visitors please be prepared to be stared at. Women should dress modestly; a headscarf is useful. Long baggy shorts for men and women, or medium length skirts for women are acceptable.

During the later months, October to February, warm clothes (in subdued colours) are required for dawn and dusk jeep safaris in wildlife sanctuaries. When going ashore, guests should use easily removable footwear for visiting holy sites. Trousers are a must if the opportunity to travel by elephant presents itself – elephant stubble can be uncomfortable, and elephant grass can be sharp. The Sun Deck is ideal for sunbathing in hot weather, but please make sure you are not visible from the shore if you are not covered up.

ELECTRICITY

Voltage on board is 220V/50~, cabin sockets are for plugs with three round pins; adaptors marketed for use in South Africa will work. Bathrooms have 220V UK-style razor sockets (two round pins).

ELEVATOR

There is no elevator (or chair lift) on board.

MEALS

Breakfast, lunch and dinner are all served buffet-style in the dining room. Cuisine is a combination of Assamese (milder than most Indian cuisine) and continental. Special dietary requests such as vegetarian, low salt and low cholesterol should be made with Noble Caledonia in advance, however, we recommend that you contact the Hotel Manager once on board to reconfirm such requests. We regret that these, and any other special dietary needs, cannot be guaranteed. If you have any specific/special foods that you require we recommend that you take some with you.

MOSQUITOES

External doors and the gauze windows should be kept closed at all times – day and night. At night, if on deck or going ashore, make sure to rub ankles and other exposed parts with repellent. Switch off lights when leaving your cabin so as not to lure the mosquitoes in. Mosquitoes love damp spots so it helps to keep the shower room door bolted shut with the light off when not in use. Please ensure you take the appropriate precautions to guard against mosquito bites.

SMOKING

Smoking within your cabin or any of the vessel's public areas is strictly prohibited. Designated smoking areas are provided and can be advised by the ship's reception upon embarkation.

The ship has a Sun Deck which is available for guests to enjoy. There may be times, for example at periods of inclement weather or low bridges, whereby it is necessary to close the Sun Deck. Please listen carefully to the Captain and Crew for instruction. Please also note that the Sun Deck and its steps may become slippery if the weather is cool or dew forms.

TELEPHONE

There is no phone on board for passenger use although arrangements can be made in the event of emergency.

A small selection of books and games are available for your enjoyment.

LOST PROPERTY

Lost property can be handed to the ship's reception. Please ensure you have all of your belongings with you before you return home. Should you leave items on board the ship we are only able to return them to you at your own cost.

MEALS

Breakfast, lunch and dinner are all served buffet-style in the dining room. Cuisine is a combination of Assamese (milder than most Indian cuisine) and continental. Special dietary requests such as vegetarian, low salt and low cholesterol should be made with Noble Caledonia in advance, however, we recommend that you contact the Hotel Manager once on board to reconfirm such requests. We regret that these, and any other special dietary needs, cannot be guaranteed. If you have any specific/special foods that you require we recommend that you take some with you.

MOSQUITOES

External doors and the gauze windows should be kept closed at all times – day and night. At night, if on deck or going ashore, make sure to rub ankles and other exposed parts with repellent. Switch off lights when leaving your cabin so as not to lure the mosquitoes in. Mosquitoes love damp spots so it helps to keep the shower room door bolted shut with the light off when not in use. Please ensure you take the appropriate precautions to guard against mosquito bites.

NEWSPAPERS

Newspapers are not available on board.

OPERATIONAL CHANGES

Despite our meticulous planning efforts, there may be times when changes must be made to the daily programme due to circumstances beyond our control such as heavy river traffic or fluctuating water levels. The ship's Captain and crew along with Noble Caledonia's staff will do their utmost to find the best and safest solution. Any changes to the day's schedule will be communicated as soon as possible.

PAYMENTS ON BOARD

The vessel operates a signed-chit system whereby no payment is immediately required (the vessel only requiring a signature for your purchase) and, only at the end of the cruise will you be presented with your final itemised bill to settle.

POST

Postcards and stamps are available for you to purchase at the ship's bar (subject to availability) and, items can be posted on your behalf by the ship's crew (although as they are unable to do so at every port of call, this could take longer than if you were to post yourself). Please note that neither the ship nor Noble Caledonia can be held responsible for items of post that are not successfully delivered on your behalf.

QUESTIONNAIRES

A questionnaire will be provided to all passengers towards the end of their sailing. We would be grateful for you to complete and return this.

RECEPTION

Reception is staffed throughout the day and a member of crew can be contacted in the evenings in the event of emergency.

ROOM SERVICE

Room service is not available, although should you feel unwell and unable to make it to the ship's restaurant, special arrangements can be made.

SAFE

All cabins are fitted with a safe and we recommend you place your valuables inside the safe whenever you are away from your cabin. Please remember to remove all items from your safe prior to you departing the vessel at the end of the cruise.

SAFETY

Please take careful note of all safety instructions provided to you by the Master and crew of the vessel.

SMOKING

Smoking within your cabin or any of the vessel's public areas is strictly prohibited. Designated smoking areas are provided and can be advised by the ship's reception upon embarkation.

SUN DECK

The ship has a Sun Deck which is available for guests to enjoy. There may be times, for example at periods of inclement weather or low bridges, whereby it is necessary to close the Sun Deck. Please listen carefully to the Captain and Crew for instruction. Please also note that the Sun Deck and its steps may become slippery if the weather is cool or dew forms.

TELEPHONE

There is no phone on board for passenger use although arrangements can be made in the event of emergency.

VISITORS

Visitors are not permitted aboard the vessel without the prior consent of the ship's senior staff. Please provide as much notice as possible to the senior staff so that the necessary arrangements can be made. The ship's operators reserve the right to deny boarding to any visitors.

WATER

Complimentary water is available during breakfast, lunch and dinner. Bottled water is also available in your cabin and replenished daily.

WIFI

Wi-Fi is not available on board.

The Itinerary

Day 1 Kolkata to Thimphu Valley, Bhutan. After breakfast transfer to Kolkata Airport for your flight to Paro. On arrival at Paro airport, you will be met and transferred to Thimphu, the modern capital town of Bhutan and an exciting blend of tradition and modernity. Check-in to your hotel for a two night stay and visit both National Memorial Chorten, a monument to peace and prosperity, and the Buddha Dordenma statue, one of the largest Buddha rupas in the world.

Day 2 Thimphu Valley. Thimphu, perhaps the most unusual capital city in the world, is the seat of government. Today’s full day of sightseeing includes a visit to Thimphu’s National Library with its vast collection of Buddhist texts and manuscripts, the Institute of Traditional Medicine, Thimphu handicrafts emporium and the botanical gardens in Serbithang with its large display of flora, fauna, fruit orchids and Rhododendrons. In the evening, take a stroll along the town’s main street.

Day 3 Punakha. After an early breakfast depart for Punakha (three hours drive approximately). Drive up to Dochu-la pass (3,088 metres), stopping briefly to take in the view and admire the chortens, Mani walls, and prayer flags which decorate the highest point on the road. On arrival check-in to your hotel and then visit Punakha Dzong, built in 1637 by Shabdrung Ngawang Namgyel to serve as the religious and administrative centre of the region.

Day 4 Punakha. After breakfast, you will be taken to Khamsum Yulley Namgyal Temple (it is a 30 minute hike from the car park up to the Temple). Khamsum Yulley Namgyal Chorten stands out on a beautiful ridge above the Punakha valley, built by Her Majesty the Queen Mother, Ashi Tshering Yangdon Wangchuck. It took nine years to build and Holy Scriptures rather than engineering manuals were consulted to construct this four-storey temple. It is a fine example of Bhutanese architecture and artistic traditions. In the afternoon, you may choose to visit Nalanda Monastery, a monastic school shrouded in history and intrigue.

Day 5 Paro. This morning we set off early for Paro (four hours drive approximately) through beautiful valleys that encapsulate Bhutan’s rich culture, scenic landscape, myths and legends. Following lunch at a local

restaurant we visit the National Museum with its intriguing collection of artefacts reflecting the Kingdom's heritage. We then head to Rinpung Dzong (Paro Dzong) situated at a commanding height overlooking Paro valley. Check-in to your hotel for a two night stay and this evening we will visit a traditional farmhouse.

Day 6 Paro. In the morning, take an excursion to Taktsang Monastery, also known as Tiger's Nest. The walk to the nest is relatively steep, however the Monastery itself and the views from its walls are simply breathtaking. In the afternoon visit Drukgyel Dzong before returning to our hotel for dinner.

Day 7 Paro to Kolkata to London. After an early breakfast transfer to the airport for your flight to Kolkata where day use rooms will be available at a hotel until our afternoon transfer back to the airport for the scheduled indirect flight to London.
